**Bronchodilators** - Dilates the bronchi and b

**Diuretics** - Increases excretion of water/sodi

**Laxatives** - Loosens stools and increases bow

I love assisting clients when it comes to increasing awareness about anxiety. Identifying symptoms can be a step into increasing our insight and awareness about anxiety. Once you can identify the symptoms, you can begin to dig a little deep into exploring the types of anxiety, understanding the cycle of anxiety and looking into the types of treatments that may work for you.

**Estrogen is meant to be used  
disposed of**

*It's not supposed to re-c*
