Read Daniel 10

Please Pick and Choose

- 1) What are your main take aways from Daniel 10 and the sermon?
- 2) How do we see God’s Glory shining in greatness and tenderness in this passage? When was a time that you saw or sensed God telling you “I love you?” (revealing his greatness and tenderness v 10-11) Why did that moment have such significance for you?
- 3) Pastor Bryan reminded us that Daniels response of silence is not so strange or foreign to us. Why do we so often respond like Daniel with silence? What are we forgetting about God? (Intimacy and permission v 16b-17). Is there a similar silence right now between you and someone you care about? Keeping that in mind how might you reflect God in that situation and what is one step you could take towards breaking that silence between the two of you?
- 4) Bryan challenged us to see beyond the physical recognizing there is a spiritual battle and to fight for Christ wherever He calls us. What has God impressed upon your heart to pray for and or what battle do you sense Him calling you to fight with all His strength?
