

SUMMARY: we are ready to change into the actual exchange portion of the rv/gcr. This is likely to occur this weekend, with liquidity by Monday.

There are warnings out about flippers who aggregate the currency of many people into one larger amount, and then sell that to the buyers. In the past, there was no plan to allow individuals to participate in this currency exchange. Next, provisions were made to allow aggregated groups to band together to sell their currency. I am involved in several of these aggregated currency swaps.

Since then, individuals have become very much involved, and there are specific currency exchange centers now staffed, as well as bond redemption sites for the zim holders. So, it is no longer necessary to have an aggregator to exchange your currency.

It appears that some aggregators will have valid exchange numbers, but using their number will link you to them, so that you will have the same restrictions and requirements that they do. And your rate is likely connected to theirs as well, rather to the street or international rates.

So, beware when you use an aggregator; the ones working now are doing so to profit from buying low (from you), and selling high in the exchange. (in the past, we did not have the opportunity to be 'flippers' and make a profit on your exchange. Fyi.)

Operation Disclosure: GCR/RV Intel Alert for October 18. 2018

RV/INTELLIGENCE ALERT - October 18, 2018

(Disclaimer: The following is an overview of the current situation based on intelligence leaks received from several sources which may or may not be accurate. Other confirmed sources may also be included in this overview.)

The stock market is on course to implode as planned.

<https://inteldinarchonicles.blogspot.com/2018/10/dow-drops-more-than-250-points-in.html>

Once the stock markets implodes and the old fiat financial system is broken, the QFS will be brought in and GESARA announced to minimize the impact of public chaos during the transition.

During the transition phase, a private worldwide redemption event (RV) will take place.

This redemption event will allow the opportunity for individuals holding exotic currencies to privately redeem for revalued rates under the QFS.

The redemption event will cause an influx of humanitarians essential to aiding humanity during the transition to implementation of the QFS and GESARA.

Zimbabwe will be the main benefactor of the redemption event and ultimately humanity as the country holds the raw assets required for the QFS to function for future generations.

The timing of the stock market implosion is currently unknown as there is an on-going purge operation on the Cabal that is currently in progress.

The US Federal Reserve and Saudi Arabia are currently in the spotlight for purging and are beginning to feel the heat.

<https://operationdisclosure.blogspot.com/2018/10/covert-geopolitics-its-saudi-arabias.html>

Rumors suggest there is also remaining Cabal influence in Russia that needs to be purged by the Putin administration.

The 22nd of October may be a significant date. The number 22 is an ultimate master Chinese number.

Trump's presidential alert system is ready to be used once the stock market implodes.

American People Kept Blinded As Russian Leaders And US Troops Both Agree World War III Is But Months Away

<http://www.whatdoesitmean.com/index2687.htm>

Once again I am surprised by another SORCHA FAAL article which, in spite of a seemingly ludicrous title, comes through with a surprising amount of truth in the end.

And in the past few hours and days, too, this report concludes, **President Trump** has shown that his patience with these demonic **Democrats** has finally run out—with his [warning Honduras, Guatemala and El Salvador that unless they stop their illegal migrants from storming the US border he will cut off all of their aid](#)—and his further [declaring that he is mobilizing the US military to close his nation's entire southern border with Mexico](#)—and that follows his [ordering FBI forces to raid the offices of the Puerto Rico mayor who had disgustingly lied about his hurricane relief efforts](#)—his [ordering the leftist US Federal Ninth District Court to speed up its DACA ruling, or else](#)—his [working with the US Supreme Court to take a case to end internet censorship by tech giants and expand First Amendment freedoms for his nation's citizens](#)—and whose **Christian** peoples fearful of these demonic **Democrats** have astonishingly grown his 2020 re-election campaign fund to the [staggering and unprecedented height of over \\$100 million](#)—that's [26.5 times more money than Barack Obama](#) and [32 times more money than George W. Bush](#) had ever raised at this point in their presidencies.

Jacob was a liar.

Noah was a drunk.
Gideon was afraid.
Samson was a womanizer.
Rahab was a prostitute.
David was an adulterer
...and a murderer.
Jonah disobeyed God.
All these men had serious flaws.

**Yet God used them
for His purposes.**

Stop focusing at the flaws of Trump,
that are enlarged by the media.

**Look deeper
and see his heart.**

Millions of christians believe God
has chosen Trump for this season.
He may be the next Samson,
Gideon, or Peter. An imperfect man,
like all of us, but a man with

**a burning heart
for America.**
