# Terms and Conditions

- All prices are based on a full lorry delivery, excluding VAT and any other taxes;
- Payment terms: 10 % Cash With Order (CWO) and 90 % Cash Before Delivery (CBD);
- Delivery place: EXW BISOL Production Ltd., Slovenia according to Incoterms 2010;
- Lead time: 2 - 4 weeks after receipt of pre-payment on bank account as per Pro-forma Invoice. After the receipt of payment, an indicative week of delivery will be provided within 24 hour. An exact delivery date will be given no later than 7 calendar days before Delivery Date (Additional Terms & Conditions apply \*\*). All goods will be ready for collection from BISOL's warehouse on the Delivery Date between 11:00 and 15:00;
- Price per Volume Supplements: + 1 c/W for less than full lorry delivery, + 3 c/W for less than half a lorry delivery, + 6 c/W for less than 4 pallets delivery;
- Additional packaging costs of 20 € and 40 € per pallet apply for all pallets with less than 20 and 10 module pieces per pallet, respectively;
- Loading information (modules/laminates): 1 lorry - 750/840 pic., 1/2 lorry - 375/420 pic., 1 pallet - 25/30 pic.;
- Delivery terms:
  - Full payment on BISOL's bank account must be completed at least 2 working days before the agreed delivery date. Payments are checked twice a day, at 9:00 and 13:00. If payment is not received on time, additional charges may apply according to below General Sales Conditions, the goods will be released for availability to other BISOL customers, and a new delivery date will be issued. The new delivery date can exceed the date determined by the above provided Lead time;
  - If on the customer request any of the items of the Pro-forma invoice change, a new Pro-forma invoice will be issued with new lead time and delivery date. These dates can exceed the date determined by the above Lead time;
- Offer validity: 14 days. This quotation is strictly informative and shall become valid only after order confirmation by BISOL Production Ltd.;
- BISOL Production Ltd. reserves its right to change the pricing at any time in function of international currency exchange rates;
- Transport and logistics: where transport and logistics services are provided by BISOL they must be always considered as additional services unrelated to the sale of goods, even-though they may be specified on the same Pro-forma invoice for the convenience of the customer. Separate terms & conditions that are not covered by the sale of goods apply. Moreover, the terms & conditions depend on the forwarding company chosen and reflect the costs of the transport. After confirmation and full payment for the services, BISOL will organize the transport and inform the customer of exact Delivery Date within 3 working days. If the customer delays payment for goods or transport, BISOL has the right to withdraw from providing the transport services at any time and charge the customer for the established costs;
- Risk is transferred at the time and place of delivery. Title is transferred after full payment;
- BISOL General Sales Conditions and Products' Datasheets available on the corporate's website apply:  
[http://www.bisol.com/files/Datasheets/EN/GSC\\_EN.pdf](http://www.bisol.com/files/Datasheets/EN/GSC_EN.pdf)

*\*\* Payment transaction will be checked by BISOL twice a day, at 9:00 and 13:00;*

*\*\* The Exact Delivery Date is subject to change due to circumstances not being under control of BISOL. In all those events BISOL reserves the right to change the Delivery Date, or completely or partially cancel the order if any such events would financially or otherwise bring damage to BISOL. Those events include, but are not limited to: sudden change of raw material prices or their lead times.*
