

# UV-C SANITIZING TOWER

The KAPSULE™ UV Sanitizing Tower harnesses the disinfecting power of powerful UV light and packs it into a portable device for your home. Take advantage of 360° UV-C sterilization in spaces such as the bedroom, hotel rooms, bathrooms, kitchens, vehicles and other places that present a high risk of cross-infection. Get all the sanitizing power, none of the chemicals where your children and pets play.

## **OPERATING THE KAPSULE™ UV Tower**

The KAPSULE™ UV Tower was designed with our users in mind and is easy to use in 3 simple steps:

### **Step 1:**

Connect to a micro USB and charge for 30 minutes.

### **Step 2:**

To switch the device on, press and hold the power button for 3 seconds.

### **Step 3:**

Leave the vicinity of the area you are disinfecting.

The KAPSULE™ UV Tower will automatically switch off after 30 minutes.

**WARNING:** Do not expose eyes or skin directly to UV-C light. Keep this device out of the reach of children at all times.

## **WARRANTY**

KAPSULE™ branded items purchased from [www.kapsule.store](http://www.kapsule.store) include a 1-year limited replacement warranty. If you have any questions not covered in this guide, please email [support@kapsule.store](mailto:support@kapsule.store).
