

# **Girl Scout Cookies, or California's Most Notorious Strain of Not known Facts About Girl Scout Cookies Weed Strain (GSC Strain) - Cannabis**

Legally in Michigan, dispensaries are not allowed to sell food or drinks inside the center, so Millen took it upon himself to purchase 301 boxes of Woman Scout Cookies from the ladies who were going to offer outside his store today, to pass out totally free tomorrow "just to show a point." Due to the COVID-19 pandemic, Girl Scouts have had a hard time raising money." I utilized to be a Cub Scout and I sold popcorn and candy and I utilized to hustle and knock on doors," Millen said.

Girl Scouts of Southeastern Michigan is calling the troop leader to resolve this matter, Jenkins said. "I would enjoy for somebody from the Lady Scouts of America to connect to me so I can coordinate the opportunity for these girls and numerous troops to come to my store, every weekend, till cookie sales are over, to offer their cookies," Millen said.

That's 1,500 potential boxes." Troop leaders can call the product program group at to find out more.
