HAPPY NEW YEAR

by Charlie McGonagle

May the stairways that you climbed last year
Be whittled down to few,
May the haze upon your window pane
Be dried to clear your view.

May the storms upon your ocean
Become serenity,
May the clouds that kept the light away
Set your sunshine free.

May the rocky road you've traveled most
Be paved to smooth your ride,
May the curator of peaceful times
Be your constant guide.

May the blizzard which has downed your tree
Be softly fallen snow,
May the sound that was so strange to you
Be one that now you know.

May your stories of sad endings
Now weave a finer quilt,
May your tunes of melancholy strains
Adopt a happy lilt.

May the mountains that have blocked your way
Become but rolling hills,
May the weeds that filled your garden
Be chased by daffodils.

May the tears you've shed for those who've passed
Evaporate with time,
May the memories they shaped for you
Help your verses rhyme.

May life declare a holiday
For every time you smile,
May the New Year's share of happiness
Be with you all the while.

Board And EDC To Meet

There will be a joint Kennedy Center, Charlestown EDC Board Meeting on Tuesday, January 4 at 7

p.m. at the Mary Colbert Apartments, 20 Devens Street, Charlestown. The public is welcome.

Open House At B.H.C.C.

A free open house will be conducted by the Evening Division of Continuing Education of Bunker Hill Community College on

January 4 from 5 to 7 p.m. It will include displays, mini-lectures and presentations on what the college has to offer.

Information on financial aid, veterans benefits and enrollment will also be available.

For more information, call 241-8600, ext. 444.

Teacher Of The Month

The "Teacher of the Month" at Charlestown High School for December is Patrick Greatorex, a math teacher at the school for the past 12 years. Mr. Greatorex taught mathematics to the electrical students at the Annex for many years and more recently has been teaching advanced math to Charlestown High's college bound students.

In announcing the award Mr. Robert F. Murphy, Headmaster, said, "Mr. Greatorex has always been an excellent teacher and over the years has overextended himself on behalf of

the students and the school, whether it be in school or after school activities. I am indeed fortunate to have a teacher like Pat Greatorex."

Pat was flattered to be chosen the "Teacher of the Month" and feels that awards like this can only boost the morale of teachers.

Mr. Greatorex has taken courses in the use of computers and is currently teaching a computer course to students as well as to the faculty. Mr. Greatorex is an asset not only to the school, but to the entire community.

Conducting Blood Drive On Sunday

WHDH SKYWAYPATROL OFFICER BILL CONNELL of Charlestown is amongst the committee members who have organized a blood drive for Sunday, January 2, at the Bel Canto Restaurant and Riverside Kawasaki in Union Square, Somerville. Donors can look forward to gift certificates and prizes, including an all expense paid vacation trip. Bel Canto Restaurant will provide food all day during the drive while Riverside Kawasaki will provide the

physical facilities from where the Red Cross blood drive will operate. Appointments can be made by calling 628-9844. Pictured above with Officers Connell are other members of the committee. They are (l. to r.) Bel Canto Manager Mary Wilson, Blood Drive Chairperson Marlene Hoey, Officer Connell, Miss Massachusetts Lisa Jean Scorgie, Somerville Mayor Gene Brune and Somerville Police Chief Bob Carroll.

Financial Aid Awareness Month

The Massachusetts Association of Student Financial Aid Administrators (MASFAA) will offer its 1983 Financial Aid Awareness Month toll-free telephone counseling service for an additional two weeks.

The sixth annual hot-line service will operate weeknights, from 5:00 - 9:00 p.m. January 3 to February 11, 1983. The Massachusetts toll-free student financial aid hot-line number is 1-800-343-3713.

MASFAA members voted to extend the service to six weeks for several reasons. "The student financial aid delivery system is confusing, at best, to most students," says Barbara Tornow, Brandeis University's director of financial assistance and MASFAA president. "We want to insure that all needy Bay State residents have full opportunity to learn how to apply for student financial aid completely and on time." Tornow adds.

FREE HEARING TESTS FOR SENIOR CITIZENS

EVERETT AND BOSTON—Free electronic hearing tests will be given in Everett on Monday, January 3 and Thursday, January 6, 10 am to 6 pm at Sable Hearing Aid Service, 326 Ferry Street, Everett, and in Boston commencing on Friday, Dec. 31 and January 3 to 7, 10 am to 6 pm, at Sable Hearing Aid Service, 59 Temple Place, Suite 300, Boston. Joel Sable, hearing aid specialist will be available to give these free tests at 326 Ferry Street, Everett, and 59 Temple Place, Suite 300, Boston.

The tests have been arranged for the many senior citizens who suspect they are losing their hearing. Such persons generally say they can hear but cannot understand conversation. Testing with the latest electronic equipment will indicate whether such a hearing problem exists and whether

it can be helped electronically. For those who wish, an explanation of the causes of hearing loss and diagrams of how the ear functions will be made available by Mr. Sable.

Everyone, especially those over 60, should have an electronic hearing test at least once a year. Mr. Sable emphasized. If there is a hearing problem, a free electronic hearing test may reveal that newly developed methods of correction will help, even for those now using hearing aids and those who have been told in the past that a hearing aid would not help them.

For those senior citizens wishing the free test but want to avoid waiting, an appointment for a specific day and time may be arranged by phoning 389-0547 or 426-4543.

Kennedy Center News Line

The Neighborhood Employment Center is still taking applications for the 81-'82' Fuel Assistance Program. The program runs through April 30, 1983. Eligibility guidelines are based entirely on gross income covering the previous 90 days.

Income guidelines are for:

Family of:	Income:
1	\$ 8,190
2	10,885
3	11,640
4	13,950
5	16,260
6	18,570
7	20,880
8	23,190

Add \$2,310 for each additional person over 8.

The Neighborhood Employment Center has applications for Cablevision Employment. Job listings are as follows, installation, sales, drafting, service, construction, technical, secretarial and clerical positions, alpha numeric typists, master control operators, traffic coordinators,

producer, director, technical director, production assistance, video technicians and video maintenance.

PRE-SCHOOL AND SCHOOL-AGE DAYCARE

Our professional staff offers families full-day, year-round quality child care.

The programs are contracted from the Department of Social Services and functions as a center-based facility on a sliding-scale fee arrangement for each family.

A standard pre-school curriculum designed to meet the individual needs of all the children is used in the morning, while an adapted, more enrichment-oriented course is used in the afternoon. Field trips, skating, swimming, cooking, outdoor education and tutoring are some of the benefits day care children experience.

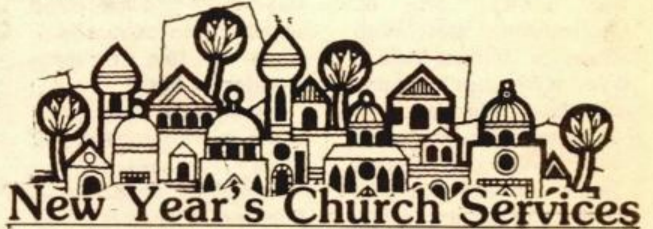

Pre-school children receive vision, speech, hearing, dental, developmental and health screenings and services. All day care classes have mental health consultants available for individual, group and consultation services.

Breakfast, lunch and a snack are part of the daily routine, as well as the traditional nap time for the three- and four-year-olds that still need it.

Children are encouraged to use day care as a place to explore new ideas and develop friendships. Materials are adapted to meet the diverse needs of the students.

Parents are encouraged to become involved in evening activities designed to increase parenting skills and quality time with their children.

Applications
Applications are done on an on-going basis as well as during a formal recruitment and registration period. Waiting lists exist for both Head Start and Day Care, but are constantly being tapped for new enrollees. Referrals from the Bunker Hill Health Clinic, the Department of Social Services and ABCD are common. For more information contact us at 241-8866.

Farewell To A Great Townie

On December 17, 1982 Kay Cody, one of Charlestown's most liked "Townies" left our town to live with her granddaughter in Florida.

Kay had been confined to the Mass. Rehabilitation Center for the last two months due to a stroke. She has a heart of gold and was not only well liked by teenagers when they were growing up, but by the Seniors who were her

friends when her health was better and she could spend time with them. When she took ill, some soon forgot her.

Good luck and good health in Florida, Kay, as Nicky, Sean, Jamie Tompkins and John Fopiano will miss you greatly.

You will always be in our thoughts and prayers.

Love,

Mary and Kathy Torpey

To the editor,

The majority vote of the Boston City Council on Wednesday, December 15, 1982 marked a day of infamy for Boston's elderly poor and working people.

Affordable housing for the city's renters is diminishing faster than quicksand in an hourglass and the very weak measure, whose chief architect was Councillor Bruce Bolling, is a sham as far as real housing protection for the people of Boston and indeed a sellout to the real estate interests who apparently are feared more by the Council than the voter-taxpayer.

Kudos to Councillors Ray Flynn, Maura Hennigan, Mike McCormack and Chris Iannella for voting against a quite questionable measure.

With the December 31, 1982 deadline approaching fast, it appears a comprehensive housing agenda and ordinances insuring effective rent control and protection from condominium conversion evictions will not be in the makings from this current

Condo Conversion Measure Too Weak

City Council.

Tenants and tenant groups will continue the fight but somethings never come easy I guess. Hopefully, those council members fighting for strong laws protecting Boston residents will continue to submit effective measures to combat the drastic housing crisis the city is experiencing at this time.

For those council members who voted for the December 15 measure, to state that a rental housing crisis exists and then vote against real alternatives is patronizing to say the least.

Homeless people will grow in number as people

find themselves in the streets of Boston looking for shelter but thanks to City Hall politics, will go wanting.

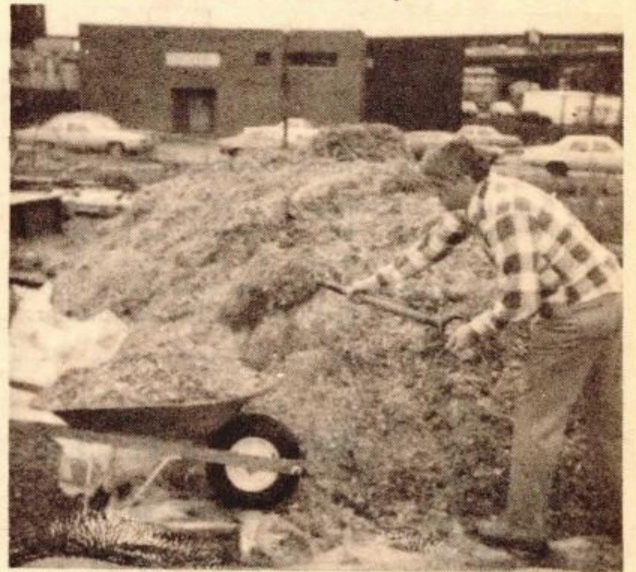

I hope the City Council can live with themselves knowing they as a body did

nothing to turn the tide!

Once again, I urge Councillor Ray Flynn, the chief architect of strong housing protection, to keep on keeping on!

Sincerely,
Sal Giarratani

Attention Charlestown Community Gardeners! Manure has arrived at Sullivan Square Garden for gardeners to place on their plots. In addition, all Charlestown residents are welcome to take some for their gardens or yards also.

Now is a good time to spread this fertilizer, or to put around shrubs for the winter. It contains wood chips which are good for protection and will decompose to a good peat by spring time. This makes the earth reproductive for organic gardening.

The manure come from the Boston Police stables and is considered the best around.

Thank you,

Winner Of Youth Leadership Competition

Allyson Treanor, a sophomore at St. Clement High School, Somerville, has been named winner of the school's Hugh O'Brien Youth Foundation Leadership Competition, according to Sr. Mary Ellen Barnes, C.S.J., principal. Allyson is the daughter of Mr. James

Treanor of 72 Dunstable Street, Charlestown. Ms. Treanor is eligible to participate in the Massachusetts Youth Leadership Seminar scheduled June 3-5, 1983 at Boston College. Two state seminar participants, one boy and one girl, will be selected to attend the

week-long International Seminar, coordinated by the University of Central Florida, to be held August 5-13, 1983 at Walt Disney World, EPCOT Center.

National representatives will be joined by program participants from twenty

foreign countries at the August seminar.

Hugh O'Brien established the Hugh O'Brien Youth Foundation in 1958 to recognize leadership potential among high school sophomores. The Youth Leadership

Seminars aim "...to provide outstanding high school sophomores nominated for their leadership potential the opportunity to participate in a forum of recognized leaders in business, government, education, and the arts." Since 1968,

the Foundation's program has included national and international participants.

Other participants in the St. Clement competition were Fernando Bartolozzi, Rita-Marie Collins, Stephen Goldy, and Wayne Wood.

Local Students Register At Wentworth

Several local residents are enrolled at Wentworth Institute of Technology in Boston for the 1982-83 academic year. Dr. Edward T. Kirkpatrick, Wentworth president, announced.

More than 3,000 full-time day students registered for the industrial and engineering technology programs at Wentworth. The freshman enrollment was one of the highest in the college's history. Wentworth enables a student to start on the path of higher education at a point keyed to one's scholastic preparation and achievements, and gears the individual to attain the limits of one's potential.

An Associate in Engineering degree is granted to students completing the two-year engineering technology program and an Associate in Applied Science degree to students in the two-year industrial technology courses. Wentworth also conducts a certificate program in industrial technology. Graduates of

the engineering technology programs may advance to the Bachelor of Science in Engineering Technology degree program, where the courses are conducted on a cooperative work-study basis.

The local residents are Timothy W. Buckley of 35 Monument Avenue, Electronic Engineering Technology; James P.

Byrnes of 6 Russell Street, Mechanical Design Technology; Dennis M. Doherty of 6 Franklin Street, Mechanical Power Engineering Technology; William J. Doherty, 92 Tibbets Town Way, Electronic Engineering Technology; Paul F. Finn of 3 Lyndeboro Street; Warren D. Fitzpatrick of 113 High Street, Electronic Technology;

William M. Gaylord of 22 Park Street, Mechanical Power Engineering Technology; Edward J. O'Connell of 41 Bartlett Street, Electronic Technology; Joseph E. Owens of 76 Old Landing, Aircraft Maintenance Technology; and Dennis J. Remy of 2 North Mead Street, Electronic Technology.

The Green Street Hill In Winter

As I toiled up The Green Street Hill
With a cart filled full of food-stuffs,
M' flappers, they began t'freeze
Cuz I'd forgot m' ear muffs.

As I continued up the hill,
M' heart, it started racin';
I stopped — and just pretended that
M' shoes required lacin'.

As I crawled up The Green Street Hill,
Like a damn-sick alligator,
I cried aloud t' City Hall
"Put in an escalator! —

So us'uns who have hair of white
May live a little longer —
And still put taxes in your till
T' make the City stronger."

And when I'd reached the hill top, there
I met a man named Kevin
Who said t' me "Cheer up, ol' friend,
There's even hills in Heaven."

Parks And Recreation Grants Available

Boston Parks and Recreation Department's newest program, "Boston Partners in Urban Recreation," has funds available to neighborhood and community groups for projects involving Boston parks and recreation facilities.

The two-year program is funded by the Urban Parks and Recreation Recovery Program and the City. Awards will be given to between 30-40 groups for implementation of innovative programs expanding parks and recreation services in Boston neighborhoods. The grants will range from \$500 - \$30,000, and the average

grant will be approximately \$5,000.

Proposals for the first year granting round will be accepted through January 28. Applications are available at Boston City Hall, room 816, and at 10 neighborhood locations.

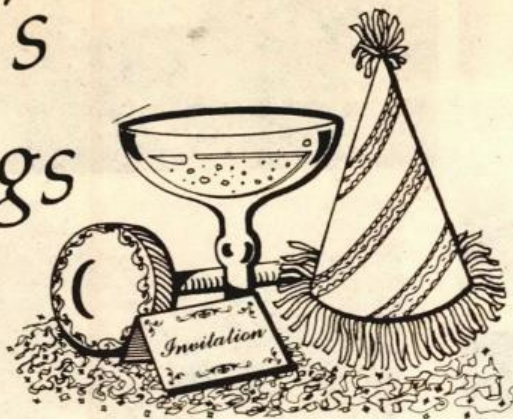

All Boston community organizations may apply, including private non-profit, civic and social groups, community development corporations, athletic associations and park interest groups. Collaboration between neighborhood organizations is encouraged. Groups receiving awards will be required to provide

a 30% cash match the first year and a 50% cash match if funded for the second year.

Boston Partners in Urban Recreation will allow groups to address parks and recreation issues that are important to their community as well as to develop responsive community based programs. All projects must involve parks and recreation facilities owned and/or operated by the Boston Parks and Recreation Department.

For information about Boston Partners in Urban Recreation contact Valerie Burns at 725-3290.

Holy Name To Meet

Newly elected officers of St. Francis de Sales Holy Name Society are: Bernard Boyland, President; Eugene Whalen, Vice President; Francis McInnis, Treasurer; Philip Carr, Secretary; and Al Kaliniak, Marshall.

The next meeting of the Holy Name Society will be in the Bishop Lawton Hall on January 9, 1983 following the 8:30 Mass at St. Francis de Sales Church, 305 Bunker Hill Street.

Ice Capade Auditions

Excitement, travel, and a glamorous career await talented skaters! Ice Capades, appearing at Boston Garden now through Sunday, January 9, will be conducting auditions for ice skaters.

Prospective skaters must be strong in basic jumps and spins, and have knowledge and training in figure and freestyle skating. Those who wish to audition should be backstage immediately following the 7:30 p.m. performance on Friday, January 7. Those who audition should bring their own skates and wear comfortable skating apparel.

Completes OSUT Training

Army Reserve Pvt. Paul K. O'Connor, son of Mary F. and John B. O'Connor of 58 Chestnut Street, Charlestown, has completed one station unit training (OSUT) at the U.S. Army Infantry School, Fort Benning, Ga.

OSUT is a 12-week period which combines basic combat training and advanced individual training.

The training included weapons qualifications, squad tactics, patrolling, landmine warfare, field communications and combat operations. Completion of this course qualifies the soldier as a light-arms infantryman and as an indirect-fire crewman.

Soldiers were taught to perform any of the duties in a rifle or mortar squad.

"First Night" Buttons On Sale

First Night 1983 traditional admission buttons are on sale.

First Night begins with a Children's Festival at 2:00 p.m., Friday, December 31. The annual First Night procession with giant puppets, jesters and musicians starts at Hynes Veterans Auditorium at 5:30 p.m. winding its way down

Boylston Street to Boston Common. This colorful event is followed by over 100 performances of theater, dance, music, poetry, film and martial arts at 32 indoor locations. Outdoor events include an ice sculpture exhibit at Copley Square, street screening of Super-8 films, and an environmental

steam and sound installation, "Steambeat," at City Hall Plaza. The First Night festivities culminate with a grand fireworks display on the waterfront beginning at 11:50 p.m. and climaxing at midnight.

The general admission First Night Button is \$3.00 per person and allows entrance to all but two

ticketed events on the extensive program. Tickets for the John Oliver Chorale performing Brahms's German Requiem with a 50 piece orchestra at the Church of the Covenant, and "Into Other Worlds - Star Tales," a multimedia spectacle by Paul Earls and Otto Piene with performers, inflatable scul-

tures and computer-generated multi-colored laser projections at Hynes Veterans Auditorium, may be purchased for \$5.00 each. Special performance tickets purchased before December 31 include a complimentary general admission button good for all additional First Night activities.

Buttons and tickets may be purchased at BOSTIX, the Visitor Information Booths at the Boston Common and Prudential Center, Loeb Drama Center in Cambridge and at performances locations on New Year's Eve. First Night Buttons are also available at participating Brigham's.

As of January 1, to get service or phones call your Telephone Business Office.

It's the first call you should make. And in some cases, it's the only call you'll need to make.

How do you get service?

The best way to arrange telephone service is to call your local Telephone Business Office. Why? Because we're going to eliminate all our PhoneCenter Stores on January first (some will be going to American Bell, and the rest will be converted to New England Telephone Service Centers).

So, making that one phone call to your Telephone Business Office is all you need to do.

And it's very easy to do. You'll find the number on the first page of your phone bill, or listed in your telephone directory.

How do you get telephones?

New England Telephone is still providing phones, subject to availability. But we don't have PhoneCenter Stores any more. So how do you get phones from us?

Simple. Just call your Telephone Business Office. The Service Rep-

resentative there will handle all arrangements and tell you how and where you can pick up your telephones. Or, if you prefer, have them delivered to your home or business.

What's next?

This is one of several changes that have resulted from a ruling of the Federal Communications Commission, which affects how you'll get service or telephone equipment from New England Telephone.

But despite these changes, New England Telephone will still be your local phone company.

We'll be here, working harder than ever to see you through the coming changes. And doing our best to see that you barely notice any change at all.

But to do our job right, we need to stay in touch with you. So let's talk. If you have questions, call us on our "Let's Talk" line 1 800 555-5000. We've got the answers.

Let's talk

NANCY HETU

Announces Engagement

Mr. and Mrs. George A. Hetu of West Somerville have announced the engagement of their daughter, Nancy, to Rocco A. Gervino, son of Mr. and Mrs. Joseph Gervino of Charlestown.

Ms. Hetu is a 1976 graduate of Somerville High School and received her bachelor of science degree in 1980 from Simmons College where she majored in biology. She is employed in diabetic retinopathy research at the

Eye Research Institute of the Retina Foundation in Boston.

Her fiance is a 1974 graduate of Boston English High School and a 1978 graduate of Boston University. He received his master's degree in business administration from Suffolk University in 1980. He is employed as a material control analyst for chemicals at the Gillette Company in Andover.

A May, 1983, wedding is planned.

It's A Girl...

Mr. and Mrs. Michael G. Patterson (Georgia L. Cusick), of Medford are pleased to announce the birth of their second child, a daughter, Amy Marie, born on December 5, 1982

at the Melrose-Wakefield Hospital.

Amy weighed 9 pounds, one ounce, and was 21½ inches long. Anxiously awaiting her sister's

arrival at home is Lynne Michele, sixteen months.

Grandparents are Mrs. George L. Cusick of Winthrop and Mr. and Mrs. Joseph P. Patterson of Charlestown.

It's A Boy...

Mr. and Mrs. John Kelly, Jr. of 40 Auburn Street, Charlestown, announce the birth of their second son, Michael James, born on December 10, 1982 at The Malden Hospital. Michael

James was welcomed home by his brother, Jackie.

Maternal grandparents are Peggy and Red Brady of 103 Warren Street,

Charlestown. Paternal grandparents are Betty and Jack Kelly of 1 Grants Court, Charlestown.

Mrs. Kelly is the former Elizabeth Brady.

Secretarial School Opportunity

The Boston Business School is currently accepting applications for the second semester class beginning January 31, 1983. The Boston Business School, founded in 1914, is a postgraduate, junior college level school, which utilizes the latest in modern business technology and equipment. For the high school graduate of any age who needs skills for employment, the Boston Business School offers an excellent opportunity to acquire superior training in typewriting, shorthand accounting, bookkeeping, machine transcription, word processing, and computer technology. Students can complete the program of studies at the school in one to two years, depending upon the course selected and individual effort. All graduates of the

Business School are placed by the school in good positions in business offices throughout the Greater Boston area.

It is significant to note that many Business School graduates go on to four-year colleges to acquire a bachelor's degree. Most of them keep the job secured for them and attend college at night. Cooperative agreements have been made with some of the fine colleges in the Boston area which guarantee graduates of the Business School maximum transfer credit. This is a great opportunity for those individuals who wish to have the best of both worlds—a well-paying job with a future and a college degree.

The School Committee of the City of Boston provides residents of all ages with a chance to obtain a sound,

junior college level education and a good job at minimum cost at the Business School. Non-residents of Boston may also enroll by paying full tuition.

Interested persons are welcome to visit the Business School, 989 Commonwealth Avenue, Boston, MA. 02215, or call, 787-5600, for an application and additional information.

Views On Dental Health

by Jeffrey D. Cohen, D.M.D.

BLEACHING DISCOLORED TEETH

Discolored teeth can be restored to their original color. The discoloration may be caused by the death of the nerve, the use of certain antibiotics (tetracycline discoloration) or overflouridated water. For whatever reason your tooth or teeth may be discolored, there is absolutely no reason to go through life hiding your smile. Such discolorations can be corrected by a simple process known as bleaching.

Bleaching agents are applied within the tooth to remove the stains that are in the dentin. Techniques employing concentrated oxidizing agents have been successful in most cases. This process is used for internal tooth discoloration and not for the removal of surface stains that may be polished off the enamel.

The bleaching process is usually successful but sometimes the discoloration may reappear after a few years and then another bleaching will be required. The process is quite harmless.

Of course, a more permanent cure for a discolored, or deformed tooth is an artificial crown or jacket (sometimes known as a cap).

A public service to promote better dental health. From the office of Jeffrey D. Cohen, D.M.D., 338 Main Street, 242-3550.

to be sold on the premises
— NOW IN OPERATION —
EXCELLENT BUSINESS OPPORTUNITY
2 PLEASANT ST. & 105 MAIN ST.
(Thompson Square)
CHARLESTOWN (BOSTON), MASS.

THURSDAY, JAN. 13, 1983 AT 10 AM

The Warren Tavern now continues the tradition of hospitality it established in the 1780's. The building was among the first built after the British burned Charlestown on June 17, 1775. It is thought to be the town's oldest standing structure. It was renovated by the Charlestown Development Corporation in 1972. The tavern was named in honor of General Joseph Warren, a leading citizen, patriot and physician who was a martyr of the Revolutionary War. He was fatally wounded during the Battle of Bunker Hill. It might well be the oldest tavern in the U.S. of America.

Mortgagee's Sale of Real Estate includes all Alcoholic 7-Day License, Bar, Lounge and Dining Room, Kitchen Furniture, Fixtures & Equipment. Upstairs has (2) 4-room apartments, recently refurbished.

Terms of Sale: Twenty thousand dollars (\$20,000.00) is to be paid by purchaser as a deposit at the time and place of sale. The balance of the purchase price is to be paid against the delivery of the deed at 10 A.M. on or before February 3, 1983, at the offices of Ronald A. Wysocki, Attorney at Law, Inc., 20 Ashburton Place, Boston, Mass. 02108. All payments shall be in cash or by certified or bank cashiers or treasury checks, or checks drawn on "Boston Funds" so called, payable to Capitol Bank & Trust Company without intervening endorsement. All other terms to be announced at sale.

Columbus Sextet Off To Fast Start

by Bob DeCristoforo

The "HomeTown" team has come through again. A jubilant team bus returned home on Wednesday evening with the Christopher Columbus Hockey Friars and their Christmas gifts...an impressive 3-2 win at Marian and two more important points on the road to the State Tournament.

Marian jumped off to an early lead, but that didn't last too long. Columbus' Brian Ward put the Friars on the scoreboard, and in the four games the young South Boston sophomore has proven to be a tremendous asset to the Friars, always in the right place at the right time.

A crazy blue line shot gave Marian another brief lead, but that would be the last time they would see the lamp lit in their favor as Senior goaltender Jimmy Nichols of Dorchester slammed the door!

Charlestown's Darryl Locke tied the game up on a goal assisted by Brian Ward and Jimmy Vesey of Charlestown, and with just about five minutes to go, Captain Mike Fowkes of Southie got the game winner with Ward and Vesey assisting once again.

Goaltender Nichols was immense in the nets in the closing minutes as Marian used six skaters in an all out effort to tie the game.

....

With visions of Franklin, the State Tournament, and that toughest of overtime losses still drilled in their heads, the Friars opened the season in a grand manner, picking up 5 out of a possible 6 points in their first games of the year.

Sophomore Allan Caparella and Billy Nolan

(Charlestown) led the scoring attack as their line accounted for 4 of the 6 goals in the 6-6 home opener at Boston University against Xaverian. Freshman Jimmy Hingston, also of Charlestown, assisted on 2 of Caparella's 3 goals.

Nolan finished the evening with a goal and three assists.

Hull High travelled up to the Home of the Friars and didn't enjoy their stay at BU running into superb shutout goaltending of Bob Cuddyer (South Boston) and the offensive power of one of the State's best, Jimmy Vesey. For the evening, Vesey had 3 goals and an assist in the 5-0 win.

Nichols was back in the nets against Pope John and after spotting the "Tigers" a goal, the Friars got "goaling" scoring the next 5. Vesey had two more goals and two more assists and Captain Fowkes got untracked, scoring 2 and assisting on a third.

One of Fowkes goals was an end to end around the net hustler bringing cheers from his Southie

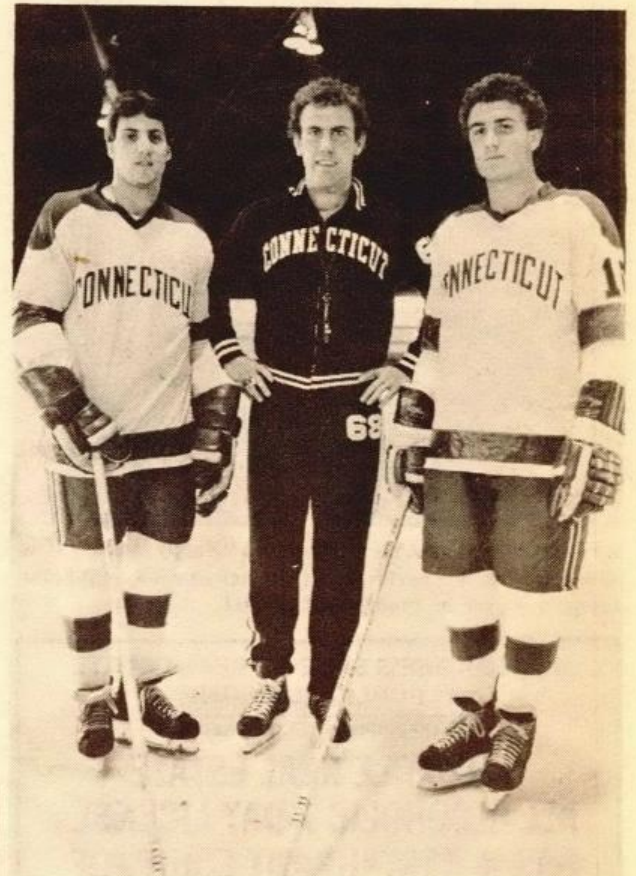

family and friends. Billy Nolan would have the game winner in the 6-3 final.

Other goal scorers in the three game stretch included Brian Ward and Darryl Locke.

Best point of the stretch, might have been freshman Marty Mullen (South Boston) hustling assist on a Billy Nolan goal. Hard work pays off as Mullen will be a player to watch.

Other members of Columbus' Hometown Team are Nick Raymond, Ralph Rizzo, Paul Wrenn, Bill MacDonald of Charlestown; Chris Folan of Hyde Park; Charly Kane of Quincy; Dan Fullan of Dorchester; Mike Pittore of Boston's North End; and Joel McCarthy of South Boston.

On U-Conn Hockey Team

ON HOCKEY TEAM—As the end of the semester exams concluded and the hockey vacation began, the University of Connecticut men's ice hockey team had compiled an overall record of five wins and six losses through its first 11 games of the 1982-83 season. A member of the Eastern College Athletic Conference at the Division II level, the Huskies' record is four and four against divisional opponents. Thus far, the highlights of the season have been winning the Charger Classic Invitational Tournament at the start of the season and defeating Bowdoin College for the first time ever (17 years). The Huskies will return to game action on January 4th and 5th when they will travel to Worcester to play in the Crusader Classic hosted by Holy Cross. U-Conn will face off against the Babson Beavers at 5:00 p.m. on Tuesday, the 4th, with the winner of that game advancing to the tournament championship game at 7:30 the following evening, Wednesday, the 5th.

Pictured with second year coach Ben Kirtland is: (Left) Sophomore Jim Sasso, a winger from Everett, and (right) Mike Anthony, a sophomore winger from Charlestown. Anthony, a letterman last season, has scored six goals and collected five assists for 11 points this season in 10 games. Anthony has scored 20 goals and added 23 assists for 43 points in his brief Husky career. Sasso, a letterman last season, has scored two goals this season in 11 games and four goals in 24 career games as a Husky. Both players are graduates of Malden Catholic High School.

Columbus Football Moving Up!

Christopher Columbus High School announces that it has been officially accepted in the Catholic Central League Division of the Catholic Leagues beginning with the 1983 Fall Football Season.

The move gives Columbus a Division Four status, and opponents will now include, in addition to the traditional Thanksgiving Day opponent Dom Savio, Archbishop Williams, Bishop Fenwick, Matignon, Arlington Catholic, Marian, Cardinal Spellman, Pope John, and St. Mary's of Lynn. A lot more will be on the line each Thanksgiving, because now the game with Savio will be a league game, having a greater bearing on the standings and the Division Four Superbowl.

UPCOMING GAMES
CATCH THE COLUMBUS HOCKEY FRIARS!
 Saturday, January 1, Fenwick at Peabody at 6 p.m.
 Monday, January 3, Xaverian at B.C. at 4:15 p.m.
 Wednesday, January 5, Pope John at B.U. at 8 p.m.

On Hockey Tour To England

Cornelia R. Woodworth, the daughter of Mrs. Ivey St. John of Wallace Court in Charlestown and Kennard Woodworth of Orinda, California, will travel with other members of the Sweet Briar College Hockey Team to England for a 15-day tour. Included in the trip will be hockey matches against colleges and universities.

The team will also play the Winchester Ladies Club, and a mixed team of men and women from King

Alfred's College. Side trips are planned to Stonehenge, Salisbury, Winchester, Chichester and Canterbury Cathedrals, Sussex Downs, and other local points of interest. The team members will return to the U.S. on January 26 after a weekend of shopping and sightseeing in London.

Miss Woodworth, a freshman, is a recent graduate of Governor Dummer Academy in Byfield.

Boys And Girls Club Gymnasium News

The New Year will be an interesting one in the Boys and Girls Club gym. On-going programs will consist of the Alumni League and the Adult Exercise Program. Supper Club is still a popular alternative to over eating at the dinner table.

The 6 to 12 year-olds are up every day 2:30 to 4:45 p.m. expending some of their pent up energy, which they have an endless supply of. Soccer was a big hit during the fall season, and we might see more of it in the spring.

Basketball is back as

popular as ever. The teen fall league was a big success and will be followed up by entries in the New England Area Council Basketball League. The age groups will be 10 to 13 year-olds and 14 to 16 year-olds.

New Programs being offered this winter will be headlined by the Executive Health Club. A good way to start your New Year and your mornings. Check with John Brennan at 242-1775 for further information.

C.P.R. courses will be offered in late January, February, and March. A

minimum of five students per course is required, and the cost will be announced at a later date.

The weight room is one of the best equipped in the area and offers extensive free weights with squat rack, incline bench, and curl bench. Also, a Universal machine is available for those people pressed for time. Heavy bag and speed bags are available for those pugilists who wish to sharpen up their foot and hand work.

Start feeling better about yourself. Come up and participate in a great

program. You will be hard pressed to beat the price of \$25 per year for adult members and \$75 for the Executive Health Club for adult members.

Names

Baseball Coach

Christopher Columbus High is pleased to announce that Don Stevens has been named new Head Baseball Coach.

Don Stevens is Columbus' Assistant Football coach and has coached baseball at Don Bosco, Maignon and St Columbkille's.

C.Y.H.A. News

The hockey season is going well and all our Teams are playing competitively and improving each game. Look for good representation of Charlestown Teams when District Play-downs are held in March.

We have Teams competing in Holiday Tournaments and one team has accepted an invitation to Long Island, N.Y., during Spring Vacation.

CYHA is a volunteer effort and Charlestown continues to have lots of parents, coaches, and

other volunteers who love hockey and want our boys to succeed at the sport and at life. The Board of CYHA thanks these parents, coaches and assistants for their sacrifice and hard work.

Important news from December General Meeting: The Board unanimously voted the following By-Law: SECTION A. ARTICLE XIII OF BY-LAWS. AMENDED TO READ:

Each player selected for a CYHA Team is required to attend one scheduled game and practice for CYHA each week.

Violations of this requirement may be referred to Disciplinary Committee for determination of cause of violation.

The Disciplinary Committee shall report its findings to full Board which may impose a sanction on player for willful violations of this rule; such sanction may include

suspension of the player from the current hockey season and imposition of a fine equal to one-half year's ice cost payable prior to the try-outs for the next season.

Approved, Dec. 1, 1982

C.Y.H.A. Meet

There will be a C.Y.H.A. Coaches Meeting on Monday, January 10, 1983 at 7:00 p.m. at the M.D.C. Rink.

Charlestown Police Line

From the desk of
Deputy Superintendent Joseph V. Saia Jr.
Commanding Officer District A
Charlestown, East Boston, Downtown

The next Police-Community meeting will take place on Tuesday, January 11, 1983. It will be held at 7:00 p.m. at the Kent School. I urge all of you to attend.

INJURED ASSIST

A resident of Monument Street reported that he accidentally put his hand through a kitchen window, cutting his right arm. He was taken to Mass. General Hospital for treatment.

RECOVERED STOLEN AUTO

On December 21, 1982 at 7:40 p.m., Officers, while on routine patrol, observed a 1982 Mazda in the parking lot at Tibbets Town Way. A check was made and the vehicle was reported stolen in Revere earlier in the day. Police notified the owner and the vehicle was towed.

INVESTIGATIONS

Below are some assignments that are being handled by the Detectives of District A:

A Pearl Street resident reported to officers that unknown person(s) stole gold jewelry and chains from her apart-

ment. Detectives are investigating the matter.

Detectives are working on an Armed Robbery that took place when a Taxi Driver picked up a customer who held up the cabbie at 162 Medford Street. He showed a gun and took the cabbie's money while threatening him.

These are just two of the ongoing assignments being handled by the Detectives.

I would just like to remind you that I look forward to seeing all of you at the next Community Meeting on January 11, 1983 at 7:00 p.m. at the Kent School.

Special Christmas Presentation

The Christmas season was kicked off in Charlestown with a dramatic and musical presentation by the Pre-School and After School Day Care programs of the J.F. Kennedy Center. The show included Christmas songs from Ireland and Puerto Rico as well as traditional favorites. The older children performed a

play called "The Runaway Toys."

Many thanks to all the parents and friends who helped make our show successful.

Special thanks to: Steve Shuman, Jeanne Voss, Mary Ann Howard, Mary Sullivan, Michael Griffin, Maureen Haley, Jo Call, Jack Millerick, Mary McInnes, Dotty Greatorex,

Jane McInnis, Head Start and Day Care Staff, Wheelock College Students, Kent Community School Council and Staff, Life Focus Center, Godfather Pizza, Charlestown McDonald's, Head Start and Day Care Parents, Judi and Michael Strothman, Adam Coroniti, Daphne Coroniti, and of course, to all the children

in After School and Pre-School Day Care!

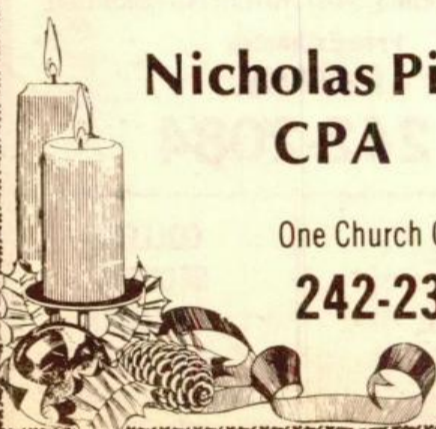

Donations were much appreciated: Pine Cone Wreath - Kimberly Coroniti; Cakes - Janet Noska and Linda Burns; Ceramics - Ethel Cullity of E & E Ceramics; and Hair-cut - Carmel Smith of Shear Delight.

Financial Aid Night

Boston Latin Academy, in cooperation with Regis College, and the Mass Board of Higher Education is sponsoring a financial aid information night for students and parents. The program will be presented on January 6, 1983 at Boston Latin Academy beginning at 7 p.m.

The information night activity is recommended

for all junior and senior high school students and parents who will need assistance in financing their postsecondary education. An area financial aid administrator will be available to explain financial assistance programs, procedures, and to answer questions. For further information, contact Mrs. Virginia White at 266-7981.
