

SUMMARY: Lots of rumors now about Martial Law being imminent. Kent Dunn, Phil Tilton, the Special Ops airmobile practices in Chicago and other cities, rumored assassination attempts against POTUS, and more—it looks like the mass arrests may be coming after the presidential announcement on the 3rd, followed then by the RV after the “clean up in aisle 3” is finished. See more below.

Someone just shared a prescient 15-minute segment from Kim Clement in 2014, in which he prophetically spoke of Trump going to the white house, saving us from the “Witch”, restoring the gold, and more. See below.

Benjamin Fulford says that the missile attack against POTUS was from an Israeli submarine. Hence all of the mentions from Q about “Red October”.

TO BE POSTED BY IDC TODAY:

Judy #1 Oct. 1: 800#s, Martial Law At Any Time This Week

Judy Note: The below intel indicated that the 800#s were expected at any time. Through a Q+ post, President Trump has declared this month Red October, meaning Justice K Confirmation = Indictments Unsealed = Martial Law = Stay indoors for 3-4 days. An Emergency Broadcast has been scheduled for **Wed. Oct. 3.** The Cabal financial system went defunct at **12:01 am EST Mon. morning Oct. 1, 2018.**

A POTUS Twitter: Expect a communication blackout attempt. Twitter has been given the green light to blanket censor all content deemed to threaten (the Cabal’s) survival – meaning the election. GOOGLE and Facebook would follow.

Summary as of early morning Oct. 1 2018:

A.Q+ (many believe Q+ was President Trump): “Red October. Stay Tuned and Watch. Justice K confirmation, Declassification.” (Unsealing the Indictments = Martial Law Declaration).

B. Intel Report: The RV was expected to begin at any moment. Trump's presidential alert system test has been scheduled for **Oct. 3.**

C. Philip Tilton: Martial law was expected at any time now and the revaluation of currencies as well. There’s going to be an RV. It’s set for this week. The NAFTA Agreement was signed **Sun. night Sept. 30,** opening the

door for currency exchanges. We heard from a military person to be prepared that there was going to be a martial law decree. Pay attention when the Emergency Broadcast System goes off. Follow the directions, and stay indoors for 36 to 48 hours - three to four days - whatever it takes.

MARTIAL LAW COMING?

There are many clues in the blogosphere recently, suggesting that we are at the verge of the USA going under martial law. The most logical scenario seems to be that the presidential message on 3 October will either be the message which announced martial law, or it will be a preparatory message to make sure that the system works, followed by the actual announcement within days. Martial law will then be established for a short period, and the 50,000 and more sealed indictments will be opened. Those named in the indictments will be quickly arrested by local police departments and sheriff's officers, assisted by DOJ and Military Police, under the authority of the recent State of Emergency Executive Order and the State of War enacted in 2001. Martial Law will prevent the escape of many of the miscreants and allow them to be captured more readily. Escape will be prevented by curfews, and by securing the borders and egress ports and airports.

The recent airmobile activity of non-military forces in Chicago and elsewhere may be a precursor to this action, or it could be a response to a rumored missile attack on Air Force One, as posted by Q Anon in post 2298

Last night, we had a warning from Philip Tilton, and this has been preceded for the last few weeks by Kent Dunn's warnings.

A MUST READ IMMEDIATELY. IF THIS IS ACCURATE ONE NEEDS TO KNOW.

"Transcription of Philip Tilton's Call to Larrabee Last Night" by CapnGriff - 10.1.18

Entry Submitted by CapnGriff at 6:37 AM EDT on October 1, 2018

Kent Dunn has been saying the same thing, except he says we are in phase 4 of Martial law, to have enough food for 3-5 days and that the soldiers could be out anytime, no telling when. He has been saying it for 2 weeks. A friend who follows them told me this morning:

"Kent is saying the same today again in Parody he says they tried taking Trump out with a missile and that's why you saw the Blackhawks in Chicago Saturday apparently that has activated everything."

As I understand it, martial law is needed to make the arrest occur more quickly and easily, and to allow the defendants to be tried without the kind of circus show which has accompanied the recent hearings at the US Capital. Can you imagine what kind of riots would ensue when Hillary is arrested, for example? Not to mention total disruption of any court proceedings, which would probably only occur following interminable delays! The recent Executive Order providing changes to the Manual of Courts Martial for the Uniform Code of Military Justice (UCMJ) allow trials to take place under military authority, and the military appears to be the only authority in the United States federal government which has not been totally infiltrated and corrupted by the Deep State.

Confirmation of the use of military courts is perhaps the main reason that the Deep State is fighting so hard against the confirmation of Judge Kavanaugh to SCOTUS. It is probably NOT about abortion at all!

We have been told that the main reason for the delay of the RV is a need for security. It may very well be that the securing of the dregs of the Cabal may be necessary before the RV is finally released. And that may only be possible by first, securing the country under martial law, for a few days, to make it possible. --dle

REMARKABLE PROPHECY OF THIS TIME FROM KIM CLEMENT IN 2014

KR: "This is what is happening now. We are going back to Gold Standard, and the new Snowden that has arrived is Q, thank God he is restoring the wealth to his people and NO ONE CAN STOP IT"

<https://www.youtube.com/watch?v=Xgae12Otunk&feature=share> 18 min

I would not say that he hit it 100%, but I was surprised to find the following:

- A man would come to the presidency to save the USA and Israel.
- He will rid the government of the enemies, the socialists and criminals
- He will replace the Witch, who was expected to be in the WH
- There will be a "second Snowden", (mentioned by Q)
- He will do something to restore the gold
- He will be thought to be stupid, but will be very smart.
- The enemies will cry "Impeachment! Impeachment!"
- Two will be replaced in the Supreme Court
- Secrets will be revealed
- Something about "A Stone" –wondering if it is Rodger Stone?
- **Restoring the government away from THOSE WHO EAT THEIR CHILDREN, AND WHO EAT YOUR CHILDREN.**

"from another room...not sure how accurate this is...and it IS Oootah after all!!

"Becky OOOTAH call says Italy already crashed and Turkey is crashing, and we will crash within 72 hrs or less. by Wednesday, she thinks. Or earlier. Ambassador William Mount says banks shut down 10-3,4,5,6,7. Former CIA Jim Willie says 10-10 is the gcr, 100%" "

BLASEYGATE: A Democrat *Deep State* Scandal Also Designed as a HUGE Distraction from...

The Democrats Fake and Fabricated 'Trump-Russia Collusion' Scandal

Blaseygate is the new meme that represents a manufactured scandal by *Deep State*, especially the Democrat side of the Shadow Government. There is also a Republican *Deep State* that is involved in this psyop that RINO Sen. Jeff Flake belongs to.

First and foremost *Blaseygate* is a rogue C.I.A. black op against the SCOTUS, but it's also a major manufactured distraction.

There are obviously many layers to this *Blaseygate* psyop but one of the most important was to function as a HUGE distraction from the massive Democrat crime wave that has been rolling over America since Obama's first inauguration.

only posting a single time.

Investigation will be over late Monday evening.
Corroborating evidence showing emails from a major news organization in order to defend itself once the FBI investigation was launched were turned over to the FBI to cover their ass.

>Report in order to cover themselves received information from a senator to push multiple stories but not all at once
>"We need these all spread out for maximum impact to delay his nomination and reclaim the seats needed to outlast the administration"
>reporter and news corp granted immunity for turning this over and protecting themselves once the investigation was officially launched they panicked and never expected the president to agree

Enjoy the shit storm. The allegations were staggered out to trigger public opinion calling for an FBI investigation when one was not needed because the senators receiving the allegations knew they were already faked/not credible. It was a coordinated smear campaign between 3 major newspapers and a news network.

DF is done.
Tuesday morning NEWS CYCLE is going to be glorious. The boss knows what he is doing.

Sincerely,

Special Forces Seize Clinton Cash, Drugs in Borneo

...They blew the door open with a shaped C-4 charge and found what they had been sent to find. Corner to corner, floor to ceiling, the chamber was filled with pallets of banded one hundred dollar bills. Moreover, they found five duffel bags, each containing approximately one hundred pounds of black tar heroin.

Desperate Khazarian mafia is plotting fake alien invasion as Trump assassination fails

The Khazarian mafia is planning a fake alien invasion after their most **recent attempt to assassinate U.S. President Donald Trump failed, say Pentagon and CIA sources. The assassination attempt came in the form of a missile that was shot at Air Force One by an Israeli submarine, Pentagon sources say.** "Life imitates art, as the hunt for red October may mean Israeli and cabal submarines are sunk. The October surprise may be bloody," the sources add.

It is now apparent that the Khazarian mafia pulled out all the stops to delay the Supreme Court confirmation of Brett Kavanaugh in order to buy time for their assassination attempt. Instead, their move is backfiring big time, **as the Senate prepares to take legal action against the people making false accusations against Kavanaugh**—something you can confirm from the Senate Judiciary Committee's own home page.

<https://www.judiciary.senate.gov/press/rep/releases/judiciary-committee-refers-potential-false-statements-for-criminal-investigation>

Pentagon sources explain that **"the FBI probe into Kavanaugh will not only clear his name, but will morph into an attack on his paid accusers, the Democrats, and the deep state."** Furthermore, "Kavanaugh has 53 votes and may be confirmed on October 3, when Trump will send text alerts to all cellphones," the sources add.

It is interesting in this context that the Swiss, French, and British branches of the Rothschild family have opened lines of communication with the White Dragon Society to inquire if it is not too late to surrender and accept South African-style truth and reconciliation hearings. Clearly, the very real prospect of military tribunals and firing squads has made them realize it really is going to be game over unless they do something.

We also got the following communication from "the head of the CIA's clandestine services in xxx [redacted to protect source] working out of the U.S. Embassy from xxx-xxx.

"It regards the Rothschilds. My buddy is personal friends with Nathaniel de Rothschild, who lives a very quiet and discreet life in NYC. (They went to Harvard Business School together back in the day).

"It concerns Antarctica, where **Antarctica is opening up a WORMHOLE.** Yes, there is **an 'opening' to other dimensions** down there. Due to the extremely high magnetic shifts going on in and near Antarctica, it's literally 'tearing a new fabric' in the dimensional field. THIS is the reason why ALL those government leaders went down there. THIS is why they shut off Antarctica to the public and so forth. The public only gets 5% of the 'story.' And now you have the other side."

This message has set off my extreme BS alarm, because this is the same source who previously sent me Antarctica stories about cities under the ice, that turned out to have been ripped off wholesale from a 1980's movie plot. Furthermore, they send as evidence a link to an article in the widely discredited and derided Khazarian *Popular*

Mechanics propaganda rag.

<https://www.popularmechanics.com/science/a23510743/strange-particles-coming-out-of-the-earth-hint-at-new-physics/>

The reason I share this with my readers is because the sender is quoting a CIA war criminal responsible for hundreds of thousands of deaths, who is thus definitely one of the people fearing military tribunals. He is also connected to the Bush Nazi faction.

The other reason I share it with my readers is that when I went to visit the black-sun-worshipping P2 Freemasons in Italy, they showed me the technology they had to project miles-wide images into the sky. In other words, there is a very strong possibility that now that the Trump assassination bid failed, they might use holograms for the fake alien invasion scenario that Henry Kissinger once mentioned:

“Today, America would be outraged if U.N. troops entered Los Angeles to restore order [referring to the 1991 LA Riot]. Tomorrow they will be grateful! This is especially true if they were told that there were an outside threat from beyond [i.e., an “extraterrestrial” invasion], whether real or promulgated, that threatened our very existence.... When presented with this scenario, individual rights will be willingly relinquished for the guarantee of their well-being granted to them by the World Government.” Dr. Henry Kissinger, Bilderberger Conference, Evians, France, 1991

<https://www.physicsforums.com/threads/kissingers-very-strange-remarks.8651/>

Of course, there really is an existential threat for the Khazarian mafia, and that is from the people of the world rising in rebellion against their satanic debt-slavery tyranny.

In this context, it is also worth noting that a replica of the Babylonian Arch of Ba’al, otherwise known as the Gate of Satan, was erected in Washington, D.C. just as the slander fest against Judge Kavanaugh was in full swing. This was accompanied by a simultaneous push by Daesh-related militants to retake the original site of the arch in Palmyra, Syria.

<https://www.breakingisraelnews.com/113770/arch-washington-exhibit-centerpiece/>

<https://sputniknews.com/middleeast/201809011067667433-syria-government-forces-clashes-militants/>

You just can’t make up this sort of stuff, folks. Of course, for the satan-worshipping Khazarian mafia it must really seem like the world is ending, since they are losing power simultaneously around the planet.

In Brazil, for example, a reader pointed out that right-wing presidential candidate Jair Messias Bolsonaro was hospitalized at a Zionist Hospital called Albert Einstein in the City of São Paulo after being stabbed on September 6, 2018. It thus looks likely the stabbing (whether real or fake) was staged to try to generate a sympathy vote for him. Since this ploy appears to have failed, Bolsonaro is now saying “he will not accept the election result if he loses.”

<https://www.reuters.com/article/us-brazil-election-bolsonaro/brazils-bolsonaro-says-he-will-not-accept-election-result-if-he-loses-idUSKCN1M82R6>

Bolsonaro represents the Nazi/Zionist faction that has been looting Brazil’s resources and impoverishing its people, and so obviously they would be very scared of losing power.

Another top Khazarian, Hitler’s daughter Angela Merkel of Germany, suffered a huge blow to her already failing grip on power last week when the longtime ally and leader of her Party’s parliamentary group, Volker Kauder, was “sent packing after a surprise vote in the German Bundestag.”

<https://www.rt.com/news/439406-merkels-parliamentary-leader-vote/>

It is interesting too that the “right wing populist” party that is threatening her grip on power has many active Jewish supporters, thus completely destroying the “they are anti-Semitic” meme.

<https://www.rt.com/news/439567-germany-afd-jewish-group/>

Merkel's slave-boy President Emmanuel Macron of France has also seen his support level fall below 20% and is facing the very real possibility of a military coup to annul his fraudulent election, senior French military sources say.

Meanwhile, Italy's government declared open warfare against the Khazarian-dominated EU by increasing its budget deficit to finance basic income and other moves to help the masses. They also put the journalist Marcello Roa, who has **written that Hillary Clinton has attended satanic dinners**, in charge of Italy's national broadcaster RAI.

<https://www.independent.co.uk/news/world/europe/italy-state-broadcaster-marcello-foa-rai-berlusconi-matteo-salvini-fake-news-a8559876.html>

The Khazarian-mafia rogue state of Israel, too, is being forced to give up its plan to rule the greater Middle East and the world from Jerusalem and instead accept a two-state solution. Last week Russia deployed special military defenses to prevent any more planes from attacking Syria from either Europe or Israel.

<http://tass.com/defense/1023513>

While this was happening, the U.S. military "removed Patriot missiles from Jordan, Bahrain, and Kuwait in a blunt warning that it may do the same to Israel," Pentagon sources say.

The Khazarian mafia is also trying to keep in power by using its "carbon causes global warming" story as an excuse to form a world government. Their main instrument for this is the Intergovernmental Panel on Climate Change (IPCC), which claims to have 195 member countries and is about to issue another alarming report.

<https://www.bbc.com/news/science-environment-45653099>

All I am going to say about these people at this point is that if I paid out enough money, I could get 200 whores to say they love me, but that still would not make it true.

Donald Trump spoke for many in his UN speech last week when he said, "We will never surrender America's sovereignty to an unelected, unaccountable global bureaucracy."

However, this does not mean we do not need to urgently change how we run this planet. We are in the midst of the largest extinction crisis since the dinosaurs were wiped out by a meteorite 65 million years ago. This is not being caused by "global warming," but rather by such things as the destruction of natural habitats, pollution, and overfishing.

The current Khazarian mafia-controlled Babylonian financial system is also sucking resources not only from the poor but also from the natural environment, as it feeds the black hole of all the world's wealth being concentrated into the hands of a few hundred people.

Below is an example from a recent U.S. Special Forces mission in Borneo to recover hoards of cash wasted by the Clinton family. The story at the link below was personally confirmed to be true by a CIA source in Indonesia.

<http://www.someonesbones.com/blog/special-forces-seize-clinton-cash-drugs-in-borneo/>

In any case, as mentioned at the top of this report, the Swiss, British, and French branches of the Rothschild family have been in contact with the WDS recently. The Swiss representative said they know they have been defeated. If that is the case, the WDS expects to meet directly with members of this clan to negotiate, in a fully transparent manner, a transition for this planet away from Babylonian debt slavery via privately owned central banks. We will keep our readers informed of any new developments on this front.

On a final note, we would like to add our support to the move by World Wide Web creator Tim Berners-Lee **to liberate the Internet from corporate control**.

<https://www.fastcompany.com/90243936/exclusive-tim-berners-lee-tells-us-his-radical-new-plan-to-upend-the-world-wide-web>
