OUR SERVICES “Vy Brows Service guarantees with no pain, no bleeding, no swelling but gaining natural beautiful instantly” Semi-permanent makeup, also known as micro-pigmentation or cosmetic tattooing, is an advanced technique that will enhance your natural beauty and add shape & definition to your features. The procedure involves applying tiny colored pigments beneath the first layer of the skin, following the same basic principles as tattooing. This pigment will stay in the skin for a number of years. Gradually fading with time. The longevity of the results will depend on your age, skin type, and lifestyle. All of Vy Brows’ treatments are tailored to suit each individual’s needs and no customer treatment is the same. • Microblading • Microshading • Ombre Shading • Hairstroke • Powdeshading (lips or brows) • Stem Cell lips And more OUR VISION Vy Brow Beauty is on a mission to become the premier destination for beauty services with exceptional customer care that caters to all your needs. We take a lot of pride in giving our customers a wonderful experience and be sure to trust us with the highest quality products, pigments, and techniques. Our professionalism and flawless service are guaranteed at all times. The Mission and the Promises. Vy Brows Beauty has provided excellent services, either lashes or brows, at affordable prices for many years. We want to bring our names to a wider audience, and we aim to do it with customer satisfaction as the most crucial part of ours.
