Authorizing the Bay of Islands Electric-power Board to construct, maintain, and use further Electric Lines, and amending a License authorizing such Board to construct, maintain, and use certain Electric Lines

B. C. FREYBERG, Governor-General

ORDER IN COUNCIL

At the Government Buildings at Wellington, this 4th day of December, 1946

Present:

THE RIGHT HON. P. FRASER PRESIDING IN COUNCIL

PURSUANT to the Public Works Act, 1928, and the Electric-power Boards Act, 1925, His Excellency the Governor-General of the Dominion of New Zealand, acting by and with the advice and consent of the Executive Council of the said Dominion, doth hereby authorize the Bay of Islands Electric-power Board (hereinafter with its successors and assigns referred to as the licensee), subject to the conditions set forth in the First Schedule hereto, to lay, construct, put up, place, and use electric lines within the area described in the Second Schedule hereto; and, further, for the purposes of section seventy-six of the Electric-power Boards Act, 1925, subject to the said conditions, doth hereby authorize the Board to construct and maintain the said electrical works; and, further, doth hereby amend the Order in Council dated the eighth day of March, one thousand nine hundred and thirty-nine, and published in the *Gazette* of the ninth day of the same month at page 352, authorizing the licensee to construct, maintain, and use certain electric lines by deleting clause two of the Schedule thereto and substituting the clause set forth in the Third Schedule hereto.

FIRST SCHEDULE

1. IMPLIED CONDITIONS

THE conditions directed to be implied in all licenses by the Electrical Supply Regulations 1935 shall be incorporated herein and form part of this license, except in so far as the same may be inconsistent with the provisions hereof.

2. LICENSE SUBJECT TO REGULATIONS

The license hereby conferred is subject to compliance by the licensee with the Electrical Wiring Regulations 1935, the Electrical Supply Regulations 1935, the Radio Interference Regulations 1934, and with all regulations made or to be made in amplification or amendment thereof or in substitution thereof.

3. SYSTEM OF SUPPLY

Bulk supply at a nominal pressure of 11,000 volts between phases shall be received from the State Hydro-electric Department's substations located near Kaikohe and Kaitia respectively, or from such other additional point or points of supply as may be mutually arranged between the Minister in Charge of the State Hydro-electric Department and the Board.

The system of supply shall be as described in paragraphs (a), (c), (d), (e), and (f) of clause 21-01 of the Electrical Supply Regulations 1935. The primary-distribution voltage shall be 11,000 volts between phases in the case of the three-phase system of supply and 11,000 volts between conductors in the case of the two-wire system of supply. The secondary-distribution voltage shall be 400 volts between phases and 230 volts between any phase and neutral in the case of the three-phase four-wire system of supply, and 460 volts between outer conductors and 230 volts between each outer conductor and the middle conductor in the case of the three-wire

4. DURATION OF LICENSE

Unless sooner determined, this license shall continue in force until the 31st day of March, 1979.

5. CHARGES FOR ELECTRICAL ENERGY

The charges for electrical energy shall not exceed 1s. per unit for lighting purposes and 6d. per unit for all other purposes: Provided that "lighting purposes" shall include electrical energy used for such purposes directly or indirectly from the source of supply except where used to charge a secondary battery for standby emergency lighting only; and, provided further, that if accounts are paid within fourteen days of due date the charges shall not exceed 10d. per unit for lighting purposes and 4d. per unit for such other purposes.

In the case of wholesale supply, the charge shall not exceed £16 per kilovolt-ampere of half-hourly maximum demand per annum, plus ½d. per unit. "Wholesale supply" for this purpose shall be held to be a supply in respect of which the consumer shall guarantee to pay not less than £180 per annum.

The licensee may in the case of any supply make such minimum charge as may be authorized by regulation.

6. TIME FOR COMPLETION OF WORKS

The period for completion of the works hereby authorized shall be three years from the date of this license.

SECOND SCHEDULE

LINES adapted for the supply of electrical energy by the system of supply hereinbefore described within the following areas:—

(a) The areas added to the Bay of Islands Electric-power District by Proclamation dated the 15th day of December, 1941, and published in the *Gazette* of the 18th day of the same month at page 3937, such areas comprising the whole of the counties of Whangaroa and Hokianga;

(b) The area added to the Bay of Islands Electric-power District by Proclamation dated the 5th April, 1945, and published in the *Gazette* of the 12th day of the same month at page 383, such area comprising portion of the Mangonui County;

the electric lines now proposed to be erected being shown on plan marked P.W.D. 122018, deposited in the office of the Minister of Works at Wellington.

THIRD SCHEDULE

SYSTEM OF SUPPLY

BULK supply at a nominal pressure of 11,000 volts between phases shall be received from the State Hydro-electric Department's substations located near Kaikohe and Kaitia respectively, or from such other additional point or points of supply as may be arranged between the Minister in Charge of the State Hydro-electric Department and the Board.

The system of supply shall be as described in paragraphs (a), (c), (d), (e), and (f) of clause 21-01 of the Electrical Supply Regulations 1935. The primary-distribution voltage shall be 11,000 volts between phases in the case of the three-phase system of supply and 11,000 volts between conductors in the case of the two-wire system of supply. The secondary-distribution voltage shall be 400 volts between phases and 230 volts between any phase and neutral in the case of the three-phase four-wire system of supply, and 460 volts between outer conductors and 230 volts between each outer conductor and the middle conductor in the case of the three-wire system of supply, and 230 volts between conductors in the case of the two-wire system of supply.

Amendment No. 2: Gazette, 5th July, 1945, page 877.

Amendment No. 3: Gazette, 12th September, 1945, page 1148.

PURSUANT to the powers conferred on it by the Control of Prices Emergency Regulations 1939,* the Price Tribunal, acting with the authority of the Minister of Industries and Commerce, doth hereby make the following Price Order:—

PRELIMINARY

1. This Order may be cited as Price Order No. 632, and shall come into force on the 16th day of December, 1946.
2. (1) Price Orders No. 148† and No. 302‡ are hereby revoked.
(2) The revocation of the said Orders shall not affect the liability of any person for any offence in relation thereto committed before the coming into force of this Order.

APPLICATION OF THIS ORDER

3. This Order applies with respect to all asparagus canned by or on behalf of J. Wattie Canneries, Ltd. (in this Order referred to as the canner), and marketed under the trade name of "Frimley".

FIXING MAXIMUM PRICES OF GOODS TO WHICH THIS ORDER APPLIES
Canner's Prices

4. (1) Subject to the following provisions of this clause, the maximum price that may be charged or received by the canner for any goods to which this Order applies, when sold to a wholesaler, shall be the appropriate price specified in the Schedule hereto.

(2) The maximum price fixed as aforesaid shall be reduced by a trade discount of 10 per cent. thereof, and the price so calculated shall be further reduced as follows:—

- (a) By a discount of 3 per cent. thereof where payment is made within seven days from the date of invoice; or
- (b) By a discount of 2½ per cent. thereof where payment is made after seven days from the date of invoice but on or before the 20th day of the month following the month in which delivery is made to the wholesaler.

(3) In respect of deliveries (whether made to a wholesaler or to any person on behalf of a wholesaler) to Auckland, Wellington, Napier, Hastings, Christchurch, Dunedin, or Invercargill, the maximum prices fixed by the foregoing provisions of this clause are fixed as for delivery free of transport charges into the consignee's store.

(4) In respect of deliveries (whether made to a wholesaler or to any person on behalf of a wholesaler) to Greymouth, Westport, Hamilton, Gisborne, New Plymouth, Wanganui, Palmerston North, Wairoa, Masterton, Dannevirke, Hawera, Hokitika, Timaru, Oamaru, Blenheim, or Nelson, the maximum prices fixed by the foregoing provisions of this clause are fixed as for delivery by the consignor on the same terms and conditions as to payment of charges on account of sea freight, marine insurance, and rail freight as existed prior to the coming into force of this Order.

Wholesalers' Prices

5. (1) Subject to the following provisions of this clause, the maximum price, that may be charged or received by any wholesaler for any goods to which this Order applies shall be the appropriate price specified in the Schedule hereto.

(2) Subject to the provisions of subclause (3) hereof, the maximum price that may be charged or received for any goods to which this Order applies by any wholesaler in the course of a business carried on elsewhere than at Auckland, Wellington, Palmerston North, Wairoa, Christchurch, Dunedin, Invercargill, Timaru, Oamaru, Blenheim, Nelson, Greymouth, Westport, Hamilton, Gisborne, New Plymouth, Wanganui, Napier, Hastings, Masterton, Dannevirke, Hawera, or Hokitika shall be the price fixed by subclause (1) hereof, increased as follows:—

- In respect of 16 oz. containers: By 3d. per dozen.
In respect of 30½ oz. containers: By 6d. per dozen.

(3) The prices fixed by the foregoing provisions of this clause are fixed subject to the same terms and conditions with respect to cash and other discounts and with respect to freight arrangements as existed between individual wholesalers and retailers immediately prior to the coming into force of this Order.

(4) The foregoing provisions of this clause shall apply with respect to sales made by the canner to a retailer for purposes of retail sale.

Retailers' Prices

6. The maximum price that may be charged or received by any retailer for any goods to which this Order applies shall be determined in accordance with the following provisions, namely:—

(a) When sold by a retailer in any area within which any wholesaler carrying on business at Auckland, Wellington, Christchurch, Dunedin, Invercargill, Timaru, Oamaru, Blenheim, Nelson, Greymouth, Westport, Hamilton, Gisborne, New Plymouth, Wanganui, Napier, Palmerston North, Wairoa, Hastings, Dannevirke, Masterton, Hawera, or Hokitika normally undertakes the free delivery of goods to retailers, the maximum retail price shall be the appropriate maximum price specified in the Schedule hereto:

(b) When sold by a retailer in any other area, the maximum retail price shall be the appropriate maximum price specified in the Schedule hereto, increased as follows:—

- In respect of 16 oz. containers: By ½d.
In respect of 30½ oz. containers: By 1d.

* Statutory Regulations 1939, Serial number 1939/275, page 1057.
‡ Reprinted with amendments: Statutory Regulations 1946, Serial number 1946/169, page 408.

7. Notwithstanding anything in the foregoing provisions of this Order and subject to such conditions, if any, as it thinks fit, the Tribunal, on application by the canner, or by any wholesaler or retailer, may authorize special maximum prices in respect of any goods to which this Order applies where for any reason extraordinary charges (freight or otherwise) are incurred by the canner, wholesaler, or retailer. Any authority given by the Tribunal under this clause may apply with respect to a specified lot or consignment of goods or may relate generally to all goods to which this Order applies sold by the canner, wholesaler, or retailer while the approval remains in force.
