As [Variety](#) reported beforehand, Spacey took the stage that night to bring back his love for Bobby Darin among a crowd consisting of the stars from the White House Correspondents’ Dinner’s “House of Nerds” including Majority Whip **Kevin McCarthy**, Minority Whip **Steny Hoyer**, **Ed Henry** and Spacey’s “House of Cards” co-star **Michael Kelly**.

Arizona Attorney General **Terry Goddard** fresh from a Supreme Court appearance, along with crowd favorite **Terry McAuliffe; Tony and Heather Podesta**; Podesta Group CEO **Kimberly Fritts** and hubby, **Marion Turner**; **Holly Page**; **Bruce Reed** and **Bonnie LePard**.

Media biggies included **Wolf Blitzer**, **Howard Fineman** and **Amy Nathan**, **Lynn Sweet**, **Betsy Fischer** (producer of the surprise video), **Andrea Mitchell**, **Gloria Borger**, **Roger Simon**, **Annie Groer** and **Hilary Rosen**.

Both republican and democratic political operatives included **Bob Stevenson**, **Jane Oates**, **Dan Meyers**, **Erica Elliot**, **Rich Galen** and **Tom Synhorst**.
