Charlestown Youths To Meet Mo Vaughn

Five Charlestown youths will realize the dream of a lifetime when they get the chance to attend a Red Sox game and a post-game reception with slugger Mo Vaughn.

The youths were winners in this summer's Pepsi Baseball and Basketball Clinics held city-wide by the Boston Parks and Recreation Department for

boys and girls ages 14 and under. The winners were chosen by the Parks Department staff based on their attendance, enthusiasm and demonstration of skills and ability.

The kids, Steven Aubrey, Corey Doyle, Brian Leonard, Ricky Derecco and Mike Lacey, all from the Community Center, will be guests of honor at the Sept.

15 Red Sox game against the Chicago White Sox.

After the game, the youngsters will attend a reception across the street from Fenway at Jillian's Billiards Club, where they will be treated to free Pepsi, food, games and prizes. The day will conclude with a visit from Vaughn, who will greet the kids and provide autographed photos.

**WHEN DO YOU
LOWER YOUR ASKING PRICE?**

Your house has been on the market for three weeks. You've had no nibbles from buyers. You're beginning to have some nagging doubts that you may have priced the property too optimistically. You want to sell for as much as you can get, but even more important, you want to sell.

This is the time to sit down with your Realtor for a serious conversation about what to do. Remember that while price is a major factor, it's not the only consideration. Are you making your house easy for agents to show? Have you completed the necessary fix-ups and clean-ups so your property is as appealing as possible? If you have, a price reduction may be in order. Review with your agent the current market conditions and the prices of other homes in your neighborhood. Is yours competitive, or is the marketplace telling you that buyers just don't want to pay what you're asking? If all indications point to a price reduction, it's better to do it sooner than later.

For solid advice on buying or selling real estate, consult the professionals at **Monument Properties**. Please call us at **241-5900** or stop by our office at **85 Warren St., Charlestown**.

Fund Raiser In Memory Of 'Cricket' To Benefit Charlestown Youth Hockey

Dear Gloria,

We are holding a fund raiser for Charlestown Youth Hockey in memory of my son, Jimmy "Cricket" Dillon. Some of the happiest days of Cricket's life were spent down at the local rink skating for Charlestown Youth Hockey. Youth hockey is a wonderful activity where parents are always involved. If you go to a youth hockey game, you'll always hear the parents cheering for their kids.

The cost of ice and equipment has increased so much, that we have to do something to help these kids out. Basically, I'm writing this letter inviting the people of

Charlestown to this fund raiser on Saturday, Sept. 14, at 8 p.m. at the Knights of Columbus Hall. Tickets are \$10 and entertainment will be provided by Jack Dalton, a wonderful singer, and DJ Kevin McGoff, who will take over later for your dancing pleasure.

We'll have a few raffles, and one will be for 35 Drive of A Lifetime scratch tickets, which will give you a chance to win up to \$500,000 a year for life, plus a new car.

So come on down, and let's help Charlestown Youth Hockey get off to a great start.

Sincerely,
John Dillon

Mayor Outraged At Planning And Execution Of MBTA Meeting

August 28, 1996

Mr. Patrick Moynihan
General Manager
Massachusetts Bay Transportation Authority
10 Park Plaza
Boston, MA 02116

Dear Mr. Moynihan:

The MBTA held a community meeting in Charlestown on Aug. 20, 1996 at the Bunker Hill Community College. The purpose of this meeting was to get input from Charlestown residents on several issues regarding bus service in Charlestown. Many of the residents rely on the buses to travel to work, hospitals, doctor's appointments and errands. As Mayor, I am outraged at the way that this meeting was planned and executed because neither the City, nor the residents of Charlestown, were given advance notice of this important meeting.

For several reasons, only a small number of Charlestown residents were able to attend the meeting. The site of the meeting, Bunker Hill Community College, is not easily accessible for the elderly and the handicapped. Additionally, there was no notification posted in the local newspapers, including *The Charlestown Patriot*, announcing the date, time or place of the MBTA community meeting on Aug. 20th.

In addition to the fact that the residents were not notified about the meeting, the City was not notified either. The Transportation Department is a member of the MBTA Advisory Board and is, therefore, supposed to be notified about any meetings. Because we were not notified of the meeting, we were thus unable to attend and make our position known. The planning and execution of this meeting was done in a way which disregards the proper processes for holding such meetings.

Certainly the meeting was planned with the good intention of hearing directly from the community residents who will be most affected by any changes in bus service. However, residents must be given adequate notice and an accessible location if the meeting is to truly be representative of the population of Charlestown. I urge you to reschedule the community meeting at the Knights of Columbus Hall, 75 West School St., so that all of the residents, and the City, will have the opportunity to be heard. I also urge you to post notifications of the meeting in the local newspapers. I expect that proper notification will also be given to the City's Transportation Department.

This is an important issue to our residents and they have a right to participate in the process.

Sincerely,
Thomas M. Menino
Mayor of Boston

ELECTRONIC TAX PAYMENTS REQUIRED

Did your business make federal tax deposits of more than \$50,000 during 1995? If so, you must start making such payments by electronic funds transfer beginning January 1, 1997.

You may use either of two deposit methods - the ACH (Automated Clearing House) "debit" method or the ACH "credit" method. The initial step for either method is to file IRS Form 9779 to set up your account.

Under the "debit" method, a taxpayer contacts the Treasury, either by telephone or computer, and gives instructions to withdraw and apply to the appropriate tax liabilities specified amounts from the taxpayer's bank account. This may be done at any time between one and thirty banking days before the due date of the payment. The withdrawal will be made on the due date. A "threshold" withdrawal amount may be established when the taxpayer sets up his account to help prevent erroneous overdraws. Taxpayers who timely notify the Treasury to withdraw, and have adequate funds, will be deemed to have paid their liabilities on time.

Under the "credit" method, taxpayers instruct their financial institution to transfer funds to the Treasury's account at the Federal Reserve Bank. Taxpayers remain liable for late payment penalties if their bank fails to make a transfer.

Business taxpayers subject to the new requirements already should have received an enrollment form from the IRS. If you didn't receive Form 9779 with instructions, and you think that the requirements might apply to you, call 1-800-945-8400 for an enrollment packet. (You may also choose to participate voluntarily.) Allow yourself enough time to set up your account before year-end and to begin working with the new system. Call our office if you'd like additional details or assistance.

ChowdaFest And Harborpark Day Kick Off Autumn In Boston

The event "chowdaheads" have been waiting for is drawing near. The annual Horizons for Youth ChowdaFest is back for its 14th year on the Boston Waterfront on Sunday, Sept. 15 from noon to 6 p.m. at the Charlestown Navy Yard.

Chefs from several area restaurants are taking their secret chowder recipes out of hiding for this food and music festival, sponsored by WBOS 92.9FM. Food establishments from

Greater Boston and beyond will be competing for first prize and the coveted 1996 Chowda Champ title as the festival crowd goes from booth to booth tasting all the different chowders and voting for its favorite.

In conjunction with Horizons for Youth, the Mayor's Office and the Boston Redevelopment Authority's Harborpark Day will provide free children's rides and entertainment, including a Moon Walk, barnyard ani-

mals, facepainting and balloons.

All Harborpark Day activities are free, and the Charlestown community is invited to enjoy the day.

Admission to ChowdaFest is \$6, and \$3 for children under 12 and senior citizens. Proceeds benefit Horizons for Youth, a leading provider of outdoor education programs for at-risk youth.

The event is held rain or shine. For more information, call 828-7550.

BOB D'S BEAT BY BOB DeCRISTOFORO

◆ **Gerard And Jimmy - Gone But Not Forgotten . . .** The next few days will be filled with memories, both happy and sad. This Saturday, Sept. 7, the Gerard Duchaney Road Race, Walk and Family Day will take place at Garvey Park in Dorchester, and the following weekend, Sept. 14 and 15, the Dunny Cup Street Hockey Tournament, Skills Competition and Fun Day will be held at the Eden Street Park in Charlestown. Both events will help to raise funds for the scholarships named in honor of two young men - definitely gone too soon.

Gerard Duchaney and Jimmy Donovan both attended Christopher Columbus High School. They were good friends of mine and good friends of many others who read Bob D's Beat. They were beautiful young people, full of life who loved their families and friends, and were both proud of their communities. These days we will remember them in a special way, and we will celebrate their friendships in a way that they would definitely enjoy.

Drop by Garvey Park this Saturday, and make a visit to the Eden Street Park next weekend to catch up with some old friends and make some new ones. But even more important, help keep the memories of these two fine people alive by supporting these scholarship funds.

◆ **Mayor's Cup Hockey . . .** Get those skates sharpened! Marty McDonough tells me that plans are being finalized for this year's annual Mayor's Cup Ice Hockey Tournament. The dates will be announced soon, and sites mentioned are Northeastern, UMass-Boston, Boston University and Boston College. Boston Cablevision will again be involved. Mayor's Cup Ice Hockey includes mite, squirt and pee-wee teams from all around the city.

◆ **Red Shirts Finish Season . . .** The Boston Youth Clean Up Corp - Red Shirts - and CBOS, have completed a very busy summer. Bernie Lynch and his very able staff did a superb job in putting the kids to work, and administrating the program without a hitch. It's also very commendable and recognizable to see the young people who took part in the program over the years advance into administrative positions. The BYCC is on the right track.

◆ **Old Colony Junior Hoop . . .** Dave Evers informed me that there will be a Charlestown team participating in the Old Colony Junior Hoop League in South Boston. Games are played on Thursday evenings and I'm glad to see that Dave has taken some initiative in getting the team together. Basketball is here, if you want it!

◆ **High School Notebook . . .** Don Bosco Football has moved out of the Catholic Conference this year and will play an independent schedule in '96. Their new head coach is John Dunn. Among the returning starters is three-year veteran halfback, senior Rob DiFrummolo.

Everett High is among the favorites in the Greater Boston League and we'll keep a close eye on the Crimson and former Townie junior cornerback, Arthur Cameron. Everett will participate in the 11th annual Hoffman Jamboree tomorrow, Friday, Sept. 6 at the Manning Bowl in Lynn. Everett takes on St. John's Prep at 8:30 p.m. The jamboree gets underway at 5:30 p.m.

◆ **PAL Golf Tournament . . .** The Boston Police Athletic League Golf Tournament is scheduled for Sept. 9 at the Wollaston Golf Course. Call Billy Stoddard at 635-4920 for details. The tournament benefits the PAL programs.

◆ **Eastern League Football . . .** Standings: Marlboro 7-0,

Granite State 7-1, Ocean State 4-2, Mitchell Club 4-3, Cowboys 4-3, Randolph 3-4, Merrimack 3-4, Leominster 1-5, Connecticut 1-6 and Charlestown 0-5. This week the Townies take on the Boston Cowboys at Kelly Field in Hyde Park at 6 p.m. on Saturday, Sept. 7.

◆ **A Night To Remember . . .** This Saturday, Sept. 7, Terry O'Reilly invites you to A Night To Remember Benefit at Freeport Hall in Dorchester beginning at 7:30 p.m. It will be a celebrity-filled evening of fun and prizes along with a silent auction. A limited amount of tickets at \$20 each, will be sold at the door. All proceeds will benefit the Neely House, which is part of the Cam Neely Foundation.

◆ **RBI Baseball . . .** The Charlestown Cardinals' traditional end-of-the-season Break-up Dinner took place at Mother Anna's Restaurant in the North End on Wednesday night.

Team Awards for the 1996 season were presented to Mike Sullivan - MVP; Jimmy Mahoney - Unsung Hero; and Brendan Sullivan - Most Improved Player.

◆ **Charlestown High Lights . . .** The 1996 Charlestown High School Football Team opens up an exciting 10-game season in mid-September. Opponents will include Burke, Boston English, St. Clement, South Boston, Dorchester, Madison Park, East Boston, Latin Academy, Archbishop Williams and O'Bryant. Six of the ten games will be played right here at Charlestown High. All the action begins on Friday, Sept. 20.

◆ **Tidbits . . .** Birthday best to Greg McNeil . . . Jimmy Tallent's favorite fairy tale - The Emperor's New Clothes . . . Jen Ray is a Matignon Warrior . . . Ryan Evers would like a Red Shirt for Christmas! *Smile!*

Bike-A-Thon To Benefit Boys & Girls Club

The third Annual Partnership Ride to benefit the Charlestown Boys & Girls Club and the Mass. Law Enforcement Memorial Foundation will be held Saturday, Sept. 28 at 7 a.m. This bike-a-thon from Boston to Newburyport will offer two routes to riders, one 55 miles long, and the other 75 miles.

The ride begins at the 99 Restaurant in the Bunker Hill Mall

and ends at the Rupert A. Nock Middle School in Newburyport. There will be a barbecue for all participants and their families at the school.

Organizers are hoping to register 100 police officers and 100 Charlestown residents or representatives to ride in support of these two worthwhile causes and in hopes of building a stronger relationship between com-

munity residents and the Boston Police Department.

Riders must preregister, and applications are available at the Charlestown Boys & Girls Club, 15 Green St. The ride is limited to the first 200 registrants, and each rider must raise a minimum \$150 in pledges.

Anyone interested in volunteering the day of the bike-a-thon may call Jerry Steimel at 242-1775.

Townies Rest For Playoff Race

A scheduled bye on Labor Day weekend offered the Town Team some much-needed time to lick their wounds and ready themselves for a playoff race. Expansion of the Eastern Football League to 10 teams has left the Townies in contention for a playoff spot despite their winless record.

Eight teams will qualify

for the opening round on Oct. 4. The Townies are only one game behind in the standings and due to their position in the tie-breaker system, two wins could be enough to put them ahead of Leominster and Connecticut. With three of their final four games being played in the Boston area, Charlestown's boys of summer

have high hopes of reaching the post-season tournament.

The Townies will be heading to Kelly Field in Hyde Park to avenge their one-point loss to the Boston Cowboys in the season opener. This second half of the Battle of Boston should prove to be even more exciting than the first. The Cowboys 4-3 record leaves them near the top of the standings in the EFL and a loss this week could prove devastating as the season winds down.

On the Townies' side of the ball, a much improved offense from earlier in the season should be able to rack up some points against a tough Cowboys team that traditionally tries to win with defense. This contest has been resched-

uled to 6 p.m. on Saturday, Sept. 7.

The following weekend will find the Townies in Middleboro facing the Mitchell Club Cobras. This game is tentatively scheduled for Sunday, Sept. 15 at 6 p.m. This will be confirmed by next week.

The Townies will then close out their season at home in the comfortable confines of Hornel Stadium. On Sept. 21, the Connecticut Cardinals will travel up from West Haven for a rematch with the Townies.

The following Saturday, Sept. 28, the defending champion Marlboro Shamrocks will come to town. Both of these games are scheduled for 3 p.m. at Hornel Stadium.

The Townies appreciate the generous support they have received during their rebuilding this season and hope it will continue right through the playoffs.

What Is A Grandmother And Grandfather?

'A Grandmother is a lady who has no children of her own, so she likes other people's little girls.

A Grandfather is a man grandmother. He goes for walks with the boys and they talk about fishing and tractors and things like that.

Grandparents don't have to do anything except be there. They're old, so they shouldn't play hard or run. It is enough if they drive us to the market where the pretend horse is and have lots of dimes ready. Or if they take us for walks, they should slow down past things like pretty leaves or caterpillars. They should never say, 'Hurry up.' Usually, they are fat, but not too fat to tie kids' shoes. They wear glasses and funny underwear. They can take their teeth and gums off.

It is better if they don't typewrite or play cards except with us. They don't have to be smart, only answer questions like why dogs hate cats, and how come God isn't married?

They don't talk baby talk like visitors do, because it is hard to understand. When they read to us, they don't skip or mind if it is the same story again.

Everybody should have them, especially if you don't have television, because Grandmas and Grandpas are the only grownups who have got time."

From the desk of Capt. Ronald X. Conway, Commander, District A-1, Boston Police Department

Monday, Aug. 26

At 12:05 a.m., officers saw a 32-year-old Charlestown man driving a car the wrong way at Thompson Square. When the car was brought to a stop at Main and Green streets, it was found that the driver was operating after the suspension of his license. He was arrested on several violations of the auto laws and his car was towed.

A Charlestown woman stated that between midnight and 7 a.m. while her car was parked at the rear of 16 Monument Square, someone sprayed an unknown chemical on her car causing damage to the surface.

At 8:30 a.m., a Brookline man reported that his vehicle was parked at Main and School streets when it was struck by a school bus, the driver of which failed to stop.

A Charlestown man reported that between 12:30 and 3 p.m., person(s) unknown forced their way into his Old Rutherford Avenue apartment through the basement bedroom window and took a Texas Instrument laptop computer, valued at \$7,000.

Officer Whiffen reports that over the past five months,

teens have been gathering at 98 Medford St., breaking into the unoccupied BHA building and writing graffiti on the newly installed door. Twenty Teams Primed And Ready For The 4th Annual Dunny Cup Title

With one week to go before New England's most exciting tournament comes to town, local ball hockey players have been gearing up for what is expected to be the best tournament yet.

Players from diversified squads gather each night at the "Dunny Cup" court to get ready for the event. Bill Kempton, a member of the 1994 championship JAFT squad, stated, "Many of the faces here have not played since last year's tourney, so it gives us all an equal opportunity to fine tune our skills, and

get to hang out together which doesn't happen that often."

Twenty teams from around Mass. will compete for the coveted title on Sept. 14 and 15. With the tournament rosters completely filled, Dunny Cup organizer Billy Nolan is looking for bright things to happen. "For the first time in history we have sold the tournament out. The committee thinks the success has to do with a number of things. First by implementing the "Fun Day" last year, the focus was not on just the tournament and

switched gears to give the kids a chance to participate. Secondly and more importantly, professional referees were hired to keep peace and order. And that is exactly what they did," stated Nolan.

With the first-ever skills tournament to take place under the lights and with entertainment by DJ Macca, the James F. Donovan Scholarship Fund seems ready to tackle the lofty goals it has its sights set on.

All proceeds from the tournament will benefit the James F. Donovan Scholarship Fund.

Best-Selling Novelist William Martin Recreates History At USS Constitution Museum

Best-selling historical novelist William Martin will offer a glimpse into his writing life as he leads off the USS Constitution Museum's Seafaring Scribes authors' series on Thursday, Sept. 12 at noon.

Martin, considered one of today's preeminent authors of historical fiction, spent four years researching and writing his latest novel, "Annapolis." In Annapolis, Martin immerses the reader in the enthralling story of nine generations of two powerful, antagonistic U.S. naval families. In tracing this family saga, Martin chron-

icles the rise of America's sea power from USS Constitution to modern nuclear submarines.

Martin's presentation at the USS Constitution Museum will focus on the creative process of writing this epic work. Excerpts pertaining to USS Constitution's illustrious battles will be discussed.

Martin, a native of Boston, is the author of The New York Times bestsellers, "Back Bay" and "Cape Cod." He has also written the PBS documentary "George Washington: The Man Who Wouldn't Be King."

Martin will appear in

the USS Constitution Museum's Figgie Theatre. A book signing will follow in the Museum Store.

The Seafaring Scribes authors' series will begin in September and will be presented periodically featuring writers whose works reflect their love of the sea. The series is presented as part of the Samuel Eliot Morison Lectures sponsored by the Lowell Institute. The lectures are open to the general public free of charge. Listeners are invited to bring a brown bag lunch. Beverages are provided.
