Look at Adele! Wow ☐ She posted that photo on the right yesterday. It just shows that lockdown isn't making everyone bigger! Seeing that photo of her reminded me of one of my first ever before and after pics. I remember looking at that photo and not believing how far I'd come. Losing nearly 4 stones is one of the hardest things I ever did. I know exactly how hard Adele has worked - although I didn't do it in lockdown ☐ I am now ☺ I'm currently in between those 2 pictures and I know I never want to be the person on the left again! Thank you for the inspiration and motivation @adele you look incredible ☺ #thursdaytransformation #transformationthursday #inspiration #motivation #weightloss #weightlosswobble #weightlossjourney #lockdown #one2onediet #one2oneconsultant 1082
