

# Natural Pharmacy of the Rain-Forest

## Graviola (Guanabana) "Annona Muricata L. Annonaceae"

### GRAVIOLA CURES 12 TYPES OF CANCER – SCIENTIFICALLY PROVEN

The Juice is highly concentrated composed just from the active healing agencies

The properties of Graviola - Soursoup plant from the Brazilian Rain-Forest  
A Miraculous Plant for Cancer and all kind of Viruses,

**GRAVIOLA** beats 12 kind of types of cancer such as Breast Cancer, Abdominal Cancer, Ovary Cancer, Uterus Cancer, Lung Cancer, Prostate Cancer, Boon Cancer, Pancreas Cancer, Skin Cancer, Blood Cancer (Leukemia), Bladder Cancer, Liver Cancer. It has an active agent equivalent as Chemo-Therapy just without any side effects like loosing hair, nausea and others, **due to a substance called ACETOGENIN** that has been proven as 10.000 (ten thousand times) stronger as **ANDRIAMICIN**, the drug used for Chemo therapy. It protects the healthy cells against the radiation stopping the cancer cell growth within 48hours. *A very salubrious way back to a healthy life*

### Nutritive Values of Graviola

GRAVIOLA is just a **NUTRIENT** working from **INSIDE OUT** - eating up the cancer cells, any kind of viruses, bacteria etc. Nutrients have no side effects on our body!!! - unbelievable, miraculous, **BUT TRUE**. A much diverse healing plant on our planet. Studied for 80 years now – proven by US LABS and dismissed so far as this tree with all its healing poroperties does **NOT** allow any chemical modification. IT just workd in natural state, the reason the LABs gave up.

In the USA there are registered patents on the action of the components of ACETOGENIN on cancer cells (research).

**VB Graviola Juice is highly concentrated , composed by its active agents only, and a very powerful composition**
