

Summary: Numerous sources continue to affirm that the release of RV funds from the paymasters will happen this month. That leaves us a whole 3 more days. UST accountants have said that if the money is released this month, they will be able to include Tier 4 in the Fiscal Year 2018 numbers, even though the exchanges will not yet be completed. Tier 4 currency holders will have about a month to complete their exchanges at their appointed times. “Nothing will stop this process now”—if problems occur, they will be fixed, rather than stopping the whole process again.

KAVANAUGH TAKEDOWN: Character Assassination *Deep State* Style via “Shock & Awe”

Isn't that just how this psyop worked? The perps tactically staged a flurry of false accusations just before the Kavanaugh confirmation vote.

The George Soros-sponsored perps fastidiously executed a barrage of false accusations against Brett Kavanaugh just before the final confirmation vote.

CIA Honeytrap set – Kavanaugh accuser CIA ties

Everything points to Kavanaugh accuser being a CIA asset whose father was a CIA contractor

[All of the other witnesses have come forward and stated they have no recollection of the event, and have taken a step further to say that Brett Kavanaugh is an honest, ethical, and respectable individual:](#)

Everyone at the party has said they have no idea what Christine Blasey Ford is talking about, even her longtime friend Leland Ingham Keyser!

Christine's Father Has Worked, and Still Works, For the CIA.

In addition to the other info that has recently surfaced, an article from the site [ImpiousDigest states](#) that Christine's father, Ralph G Blasey Jr. had worked for the CIA and was a vice president, at one time, for the National Savings and Trust "black budget bank" allegedly known for funding CIA deep state operations.

The article does cite numerous articles for this claim, stating:

*Linked to **Dr. Blasey's SVR file of known and/or suspected CIA operatives**, this report notes, is that of her father **Ralph G. Blasey Jr.**—a proven CIA operative who, from June-1962 to January-1974, **was the Vice President of National Savings and Trust of Washington, D.C.**—a CIA black budget bank best known for being **100 paces from the White House**, and whom, in 1998, **was taken over by SunTrust Bank**—whose **majority share owner is the CIA-linked investment fund BlackRock**.*

*It is also important to note that Blasey Jr. did, in fact, know of a reearcher while at the CIA, **Stanford University Psychiatric Professor Dr. Frederick T. Melges**, who helped craft the highly publicized and widely controversial **MKUltra Program**. Christine, to reiterate, is a professor at the same university working in psychotherapy, espeically the affects of psychotropic drugs on children.*

What did accuser Deborah Ramirez really do for those 6 days hunkered down with her lawyer?

So the FBI is supposed to investigate whether or not a drunk college boy pulled down his pants at a drunken college party and exposed himself to a college girl who was so drunk that she can't clearly remember the event, and had to take *six days* to think about whether or not it actually happened? It was so devastatingly traumatic to her that she had to ponder for a week about whether or not it happened, and whether or not it was Brett Kavanaugh?

Even the *New Yorker* writes that it

has not confirmed with other eyewitnesses that Kavanaugh was present at the party. The magazine contacted several dozen classmates of Ramirez and Kavanaugh regarding the incident. Many did not respond to interview requests; others declined to comment, or said they did not attend or remember the party.

<http://stateofthenation2012.com/?p=104770>

The Times had interviewed several dozen people over the past week in an attempt to corroborate her story, and could find no one with firsthand knowledge. Ms. Ramirez herself contacted former Yale classmates asking if they recalled the incident and told some of them that she could not be certain Mr. Kavanaugh was the one who exposed himself.

Judge Kavanaugh showed America exactly why I nominated him. His testimony was powerful, honest, and riveting. Democrats' search and destroy strategy is disgraceful and this process has been a total sham and effort to delay, obstruct, and resist. The Senate must vote!
