## **Operation Disclosure: GCR/RV Intel Alert for October 14, 2018**

RV/INTELLIGENCE ALERT - October 14, 2018

(Disclaimer: The following is an overview of the current situation based on intelligence leaks received from several sources which may or may not accurate. Other confirmed sources may also be included in this overview.)

The BRICS Alliance has been systematically dismantling the Cabal economically (China) and militarily (Russia).

The QFS is in place and backed by gold, precious metals, REE, and other assets.

**There is endless amounts of untouched and unregistered gold on Earth which is more than enough to fund the RV/GCR and GESARA.**

The old financial system can be replaced in an instant **but first it must "broken" in an orchestrated manner.**

Once the old system is "broken" and the U.S. economy collapses, the QFS will be initiated and GESARA announced in order to prevent chaos from ensuing.

Meanwhile, Zimbabwe has discretely disclosed the accounts of where the redemption funds will be deposited into.

<https://www.herald.co.zw/statutory-protection-for-nostro-accounts/>

According to sources, the RV must begin now for a smooth transition to occur.

Instructions on how to redeem your currencies will be published once the RV begins.

GREG HUNTER INTERVIEW

**Dr. Mark Skidmore - \$21 Trillion "Missing" Money Huge Implications for Dollar**

<https://www.youtube.com/watch?v=H4XRbcBz2Z4>

**From a friend who introduced me to the gcr/rv**

Hello Friends,

Doing a little research in Macro Economics and state of world affairs.....I have had several red flags pop up that I feel important enough to share in this dedicated email.

Below are a couple of videos showing the technicals as well as announcements from influential people (Jamie Dimon & John Bolton) regarding things about to happen in the markets and the world .....

1. Stock Market charts and technicals are poised for a crash in the next 3 weeks.....possibly starting on Monday, October 15
2. Jamie Dimon just made a BIG yet SUBTLE announcement that the markets are going down and geo-political (WAR) is on the near horizon....typical "elite speak" ..... as they do tell us what they are going to do well ahead of time in both words and symbols.
3. Bolton just announced with aggressive verbiage, he will not let China control the South China Sea.
4. Massive amount of military build up that is NOT BEING REPORTED.

October has potential to be the start of some domino's beginning to fall that become "more apparent" to the general public .... and those dominos are RED. Here are the 3 videos and article I just reviewed.

1. 10 min Overview (Disregard Sales Pitch the last 2 minutes) - <https://www.youtube.com/watch?v=YcsrW9mWotY>
2. 1 Min Overview of Jamie Dimon Recent Statements from CNBC - <https://www.cnbc.com/video/2018/10/12/jamie-dimon-jpmorgan-earnings-interest-rates-banks.html>
3. 1 Hour Current & Historical Analysis of Stock Markets - <https://www.youtube.com/watch?v=ENYeD1IJVOQ>

4. Oct 11 Radio Interview with John Bolton (US National Security Advisor) summary regarding aggressive verbage on China's dominance in the South China Sea - <https://www.straitstimes.com/world/united-states/us-security-adviser-bolton-vows-tougher-approach-to-china>

My Personal Position .....

1. SPIRITUALLY - Get my spiritual identity clear, grounded and aligned.
2. RELATIONAL - Surround myself with people I love and trust. Micro communities in remote locations that are networked would be best.
3. PHYSICALLY -
  - o Get out of cities, get out of stock market and get out of CASH IN THE BANK
  - o Get into land, gold, silver, tools, seeds and asset backed crypto.....this is where the smart money is moving this weekend as I type.

MY WILD GUESS - The "Controllers" cannot fix the current system.....it is unfixable. So their plan is to crash the existing fiat system and usher in a new asset backed system (of coarse team dark will have and control all the assets and we will only have DIGITS) ..... it will be a Global Currency Reset and Reboot when this is all said and done ..... of course fully in sync with team dark's plan for a cashless society and one world digital currency .... NOW is the time to navigate and position ourselves to take advantage of yet again another great "transfer of wealth" during these prophetic times and use whatever profits we glean for humanitarian projects while we still have freedom.

ONE OTHER CAVEAT - I do believe we are now seeing prophecies being fulfilled as well as strong signs and indications that massive earth changes are not far from moving to the next level of destabilization. MY RECOMMENDATIONS - Get away from coastlines (preferably in mountains) .... and for sure away from high concentrations of people (ie CITIES).

If interested in some good options of where to move your resources .... email me.

KEEP THE BIG PICTURE BURNING BRIGHTLY!

Blessings, Daren

*As usual well researched, presented and REVEALING....*

A recommendation (from Cobra) to consider:

People who are already involved in projects for the planetary liberation need to refrain from communication on Facebook because that platform [has] been heavily infiltrated.

They need to use end-to-end encrypted email services such as Tutanota (excellent) or Protonmail (good) or encrypted phone apps such as Signal (excellent) or Whatsapp (good).
