Message Title: Possessions and
Spiritual Growth
Luke 18:24-34

Questions:

- 1) Why did the ruler become sad when Jesus commanded him to sell everything, give to the poor, and to follow Jesus.

- 2) In what ways was the ruler trusting the wealth and possessions he had obtained?

- 3) What was the crowd's question to Jesus? How did he answer it in the context?

- 4) What did Jesus do to make entrance into the Kingdom possible, according to verses 31-34? How does this fit the message given to the ruler?

- 5) Are there things in my life that I am allowing to become “gods” over Christ Jesus?
