

*The effective **prayer** of a righteous man can accomplish much. James 5:16*

Greetings!

There is a dire prayer need in our community, and we need your help. We're announcing Sunday, July 17 as *Pray for Sandbranch Sunday*. What is [Sandbranch](#) and why pray for it?

[Sandbranch](#), located in the southeastern corner of Dallas County, is an unincorporated community, meaning no city has responsibility for its water, sewage, fire, or police services. Estimates show the area has 40 active households with about 80-100 residents all of whom live below federal poverty levels. None of the homes have running water, sewer service, or trash pick up.

Beak though this may sound, what the residents need and want most is prayer. So we're asking people of faith to pray with us on July 17.

*Pray, if it is God's will, that:*

- *The [Sandbranch Development and Water Supply Corporation](#) is unsuccessful in bringing water to the community.*
- *Sandbranch residents are able to remain in their homes without fear of forced removal,*
- *Dallas County will re-instate sheriff's patrols in the neighborhood and prosecute those who illegally dump there,*
- *Dallas County will return control of the Sandbranch Community Center to the residents.*

Please ask your congregation to join us in collective prayer on [Pray for Sandbranch Sunday](#), July 17 then add the community to their ongoing prayer requests.

Thanks for praying with us.

Sincerely,

Pastor Eugene Keahey
