

Commercial Payments Exchange (CPX)

The Complete Commercial Payments Solution

The CPX® Integrated Payments Solution

Today's complex AP environment leaves buyers and suppliers with a costly and inefficient payment process.

The **CPX integrated payment solution** leverages existing and proprietary payment solutions on a single platform.

The CPX Advantage

- Flexible solution suite to maximize supplier participation and satisfaction
- Industry-leading supplier enablement
- Simple integration
- Single payment file
- Interactive buyer and supplier portal

Traditional programs only reach a small segment of suppliers. **CPX facilitates flexible payment processing from one simple-to-use platform for full AP automation.**

The CPX Integrated Payments Solution supports multiple payment options on a single platform, including:

- Virtual Card
- CPX Direct
- CPX Dynamic Discounting (DD)
- CPX ACH+ (Flat BP)
- ACH
- Proxy Pay
- Check
