### Not So Lucky

The Miami FC played the Cosmos, last week. In an end-to-end contest Miami would fall to the Cosmos in extra time 3-2.

At the half, the Miami FC trailed 1-0.

In the second half, Cvitanich would tie the match when he intuitively sent a long ball to a thundering Poku who finished a 1v1. The Cosmos retook the lead in the 81st minute, but the Miami FC would not lay down.

Chavez won a penalty in the 86th minute that was finished by Cvitanich

Unluckily, a bounce off of Vega's gloves and Mkosana's leg resulted in a stoppage time winner for the Cosmos.

### SHORT LIVED

After ending a long winless-streak last week, the Armada traveled to New York and left with an unfavorable results.

Jacksonville had their chances but would fall to the Cosmos 3-0. The Armada found themselves down 2-0 just 34 minutes into the match.

The reigning champs would add another goal in the second half for good measure and strengthen their hold on the top spot in the fall standings.

# MATCH NOTES

## **THE THIN INVISIBLE LINE**

The Miami FC and the Armada first met early in the spring season, with Jacksonville taking the match 2-1. The loss left a bitter taste in the team's mouth, as the off side flag played a big part in the outcome.

Jacksonville took a 1-0 lead in the 20th minutes, just moments later a Dario Cvitanich header was wiped off the board by an off side call. The Miami FC tied the game up in the 26th minute after another Cvitanich header found the back of the net and the flag staying down.

The Armada would respond retaking the lead just before half-time.

The Miami FC would push hard for an equalizer in the second half but off side calls and an Armada defensive shell would make sure the 2-1 score line remained.

## **THE DOG DAYS OF SPRING**

The Armada had a tough spring season going on a nine-match winless streak.

They would see four losses and five draws the streak. For a four-match stretch Jacksonville would pick up no points, being shutout in all four matches and were out-scored 5-0.

Goals were hard to come by for the Armada during their winless streak as their opposition netted nine goals to Jacksonville's four.

## **MIAMI FC PLAYERS TO WATCH**

**Poku:** Poku made his second appearance last week when Miami FC hosted the Cosmos, scoring a 1v1 goal, and completing 22 passes.

Poku came from New York City FC of the MLS where he appeared in 24 matches, scored five goals and became a fan favorite.

**Dario Cvitanich:** Cvitanich is having a great start this fall. He has tallied two goals in the first two matches of the season, and he continues to be one of the top goal scorers in the league.

He recorded a PK in each contest and also made an assist to Poku in the home match against the Cosmos.
