Does cash app have free ATM withdrawals ?

Cash Cards works almost at every ATM, with just a \$2 fee that is charged by Cash App.

Many ATM charges an additional fee for using a card that belongs to a different bank, so its a standard procedure. Once you have received qualifying direct deposits that is \$300 or more, Cash App will refund fees for 3 ATM

withdrawals in a period of 31 days. That is \$7 per withdrawal for any 3 ATM withdrawals done in a period of 31 days.

How to withdraw money using a cash card without any additional charges?

Cash App recompense ATM fees, including ATM operator fees, for customer who receive \$300 or more paycheck directly deposits to their cash app account each month.

Note:- unemployment insurance deposits are also eligible to enable ATM recompense. Once you have successfully activated free ATM withdrawals, each qualifying (\$300 or more per month) deposits you receive after that will add an additional 31 days of ATM fee recompense.

To activate direct deposits follow the given below steps:

1. Tap the banking tab.
2. Select deposits and transfers.
3. Select copy accounts details.
4. Provide your account and routing number to your employer.

How do I download my cash app transaction history ?

Downloading transaction history is not a big deal you can follow easy steps given below:

To download your transaction history as a CSV(comma-separated value):

1. Sign into cash.app from a desktop computer.
2. Login with your mobile number
3. Click Statements in the top-right corner.
4. Click Export CSV.
5. Check your Downloads folder.

Can you temporarily lock your cash app card ?

In-case you don't want to use your cash card for longer period of time or if you have somehow lost the card, you can easily disable your cash card .

To temporarily disable your Cash Card follow the steps given below:
