MAP 3: *Fu-go* incidents, Canada, 1944-45. Cartographer: Dixon Jones

*Appendix*

TABLE 1: *Fu-go* incidents, 1944–45

NO.	LOCATION	DATE	REMARKS
1	San Pedro, California	11/4/44	Rubber balloon in Pacific Ocean. Envelope, rigging, and ballast mechanism recovered.
1a	Yerington, Nevada	11/9/44	Rubber balloon identical to San Pedro device, not reported until June 1945.
2	Kailua, Hawaii	11/14/44	Paper envelope, rigging, and chandelier recovered at sea by U.S. Coast Guard.
3	Thermopolis, Wyoming	12/6/44	Fragments of 15-kg high-explosive bomb recovered. Incendiary explosions and airborne balloon observed by multiple witnesses, but not recovered.
4	Kalispell, Montana	12/11/44	Envelope and rigging recovered. Balloon thought to have landed in mid-November.
5	Manderson, Wyoming	12/19/44	Envelope fragment 3 by 4 ft. Possibly part of Thermopolis device (see incident #3).
6	Marshall, Alaska	12/23/44	Envelope, chandelier, and 2 sandbags.
7	Holy Cross, Alaska	12/24/44	Envelope sighted in trees, recovered 1/21/45. See incident #23.

*Appendix*

8	Estacada, Oregon	12/31/44	Envelope, rigging, part of chandelier.
9	Stony Rapids, Saskatchewan	1/1/45	Several fragments of envelope.
10	Medford, Oregon	1/4/45	Explosion from incendiary bomb observed by 2 witnesses. Debris from device recovered. See incident #14.
11	Sebastopol, California	1/4/45	Tattered envelope, suspension skirt, and chandelier including 4 incendiary bombs crashed to earth in front of witnesses. See incident #13.
12	At sea: 52:5 N, 160:00 W	1/5/45	Balloon shot down by merchant vessel southwest of Kodiak Island, Alaska, entire apparatus lost to ocean bottom.
13	Napa, California	1/5/45	Envelope fragments recovered, likely from incident #11.
14	Medford, Oregon	1/7/45	Fragments of exploded incendiary device recovered, likely part of incident #10.
15	Alturas, California	1/10/45	Balloon forced down by F6F Hellcat aircraft. Intact envelope reinflated and studied for radar reflective properties. See incident #16.

*Appendix*

16	Adin, California	1/10/45	Balloon reported by eyewitnesses, likely same device as incident #15.
17	Minton, Saskatchewan	1/12/45	Balloon impacted ground and released sandbags, incendiary bomb, and battery box, then re-ascended and drifted away, not to be recovered.
18	Lame Deer, Montana	1/13/45	Envelope and shroud lines.
19	Ventura, California	1/15/45	High-explosive bomb detonated upon contact with ground.
20	Moorpark, California	1/15/45	Airborne balloon observed 15 miles east of Ventura, likely same device in incident #19.
21	Moorpark, California	1/17/45	Envelope and rigging recovered 23 miles east of Ventura. Incidents #19, #20, and #21 likely same device.
22	Fort Simpson, Northwest Territories	1/19/45	Envelope, rigging, and some parts of chandelier.
23	Holy Cross, Alaska	1/21/45	Envelope, rigging, chandelier, and 1 sandbag recovered. Same device as incident #7.
24	Shemya, Alaska	1/25/45	Balloon shot down by fighter plane at 28,000 ft., landed in ocean and not recovered.

*Appendix*

25	Kashunuk, Alaska	1/30/45	Envelope fragment.
26	Nogales, Arizona	1/31/45	Envelope fragment.
27	Julian, California	1/31/45	Complete (but badly smashed) device recovered.
28	Red Bluff, California	2/1/45	Envelope and rigging.
29	Hayfork, California	2/1/45	Complete device with both intact and detonated bombs recovered.
30	Laurens, Iowa	2/2/45	Envelope, rigging, and chandelier.
31	Schuyler, Nebraska	2/2/45	Envelope fragment with charred edges, likely from detonation of demolition block.
32	Provost, Alberta	2/7/45	Envelope, rigging, and chandelier.
33	Newcastle, Wyoming	2/8/45	Envelope and rigging.
34	Camp Beale, California	2/8/45	Severely damaged envelope, rigging, and parts of chandelier including 33 unexploded blowout plugs.
35	Moose Jaw, Saskatchewan	2/9/45	Envelope and rigging.
36	Lodge Grass, Montana	2/9/45	Envelope fragment.
37	Hardin, Montana	2/12/45	Envelope, shroud lines, and fragments of exploded bomb recovered.

*Appendix*

38	Riverdale, Montana	2/12/45	3 exploded incendiary bombs recovered.
39	Burwell, Nebraska	2/12/45	Tattered envelope, shroud lines, parts of chandelier, and 2 incendiary bombs.
40	Nowlin, South Dakota	2/12/45	1 sandbag and debris from 2 detonated incendiary bombs.
41	Cascade, Montana	2/12/45	Bomb debris with strong scent of ammonia recovered.
42	Spokane, Washington	2/12/45	2 unexploded incendi- ary bombs recovered. See incident #54.
43	Calistoga, California	2/23/45	Balloon shot down by P-38 fighter plane. Envelope fragment recovered. Listed out of sequence by WDC for unknown reason.
44	Eden, Montana	2/13/45	Envelope fragment and shroud lines.
45	American Falls, Idaho	2/13/45	Envelope fragment and shroud lines.
46	Hardin, Montana	2/13/45	Valve and shroud lines.
47	Marie River, Northwest Territories	2/13/45	Envelope fragment.
48	Prosser, Washington	2/15/45	Envelope, rigging, and parts of chandelier.
49	Flathead Lake, Montana	2/17/45	Envelope fragment 50 ft. square with blue tape over seams.

*Appendix*

50	Deer Lodge, Montana	2/18/45	2 fragments of envelope.
51	Takla Lake, Brit- ish Columbia	2/19/45	Partially inflated envelope, rigging, and parts of chandelier.
52	Asotin, Washington	2/20/45	Envelope fragments and shroud lines.
53	Ephrata, Washington	2/21/45	3 sandbags dropped when balloon impacted ground. Device re-ascended and was not recovered. See incident #58.
54	Spokane, Washington	2/21/45	1 incendiary and 1 high-explosive bomb recovered. Possibly a duplicate report of incident #42.
55	Sumas, Washington	2/21/45	Balloon shot down by Canadian Air Force in British Columbia, landed on Washington side of border.
56	Ashley, North Dakota	2/22/45	Envelope and shroud lines.
57	Ekwok, Alaska	2/22/45	Envelope fragments and battery box.
58	Ephrata, Washington	2/22/45	3 sandbags recovered. Likely a duplicate report of incident #53.
59	Manyberries, Alberta	2/22/45	Envelope, rigging, and parts of chandelier including 5 unexploded blowout plugs.
60	Hays, Montana	2/22/45	Complete device recovered.

*Appendix*

61	North Bend, Oregon	2/22/45	Balloon shot down by fighter plane at 12,000 ft. Envelope and shroud lines recovered.
62	Kirby, Wyoming	2/22/45	Envelope, rigging, and parts of chandelier.
63	Porcupine Plains, Saskatchewan	2/22/45	Complete device recovered.
64	Powell, Wyoming	2/22/45	Balloon observed explod- ing in air. Complete device recovered.
65	Glendo, Wyoming	2/22/45	Complete device recovered.
66	Chase, British Columbia	2/22/45	Envelope fragment.
67	Ellsworth, Nebraska	2/22/45	Valve and shroud lines.
68	Tremonton, Utah	2/23/45	Complete device recovered.
69	Rigby, Idaho	2/23/45	Envelope and rigging. See incident #209.
70	Bigelow, Kansas	2/23/45	Complete device recovered.
71	Grand Rapids, Michigan	2/23/45	Complete device recovered.
72	Burns, Oregon	2/23/45	Complete device recovered.
73	Deer Island, Oregon	2/23/45	Airborne balloon observed exploding, envelope fragment recovered. See incident #79.
74	Boyd, Montana	2/23/45	Complete device recovered.
75	Boise, Idaho	2/25/45	Complete device recovered.

*Appendix*

76	Eugene, Oregon	2/26/45	Envelope fragment and valve.
77	Goldendale, Washington	2/27/45	Complete device recovered.
78	Bethel, Alaska	2/27/45	Burned envelope recovered.
79	Deer Island, Oregon	2/27/45	Envelope fragment, likely from same device in incident #73.
80	Lakebay, Washington	2/28/45	Envelope fragment and parts of chandelier.
81	Vaughn, Washington	2/28/45	Envelope fragment.
82	Holstein, Iowa	2/28/45	Incendiary bomb debris.
83	Nanaimo, British Columbia	3/3/45	Complete device including 1 incendiary bomb recovered.
84	Puyallup, Washington	3/3/45	Envelope fragment.
85	Big Creek, British Columbia	3/4/45	Complete device including 1 high-explosive bomb.
86	Stuart Lake, British Columbia	3/5/45	Envelope fragment.
87	Buffalo, South Dakota	3/6/45	Envelope fragment and shroud lines.
88	Bernice, Montana	3/10/45	Complete device recovered.
89	Nelson House, Manitoba	3/10/45	Debris from detonated high-explosive bomb.

*Appendix*

90	Wolf Creek, Oregon	3/10/45	Envelope fragment.
91	Galiano Island, British Columbia	3/10/45	Balloon shot down by Canadian Air Force.
92	Ephrata, Washington	3/10/45	Complete device includ- ing 49 unexploded blowout plugs and 1 sandbag.
93	Satus Pass, Washington	3/10/45	Complete device recovered.
94	Toppenish, Washington	3/10/45	Envelope exploded when contacting electric trans- mission lines, complete device recovered. Explosion temporarily cut off power to Hanford Engineer Works.
95	Nicola, British Columbia	3/10/45	Envelope and one high- explosive bomb.
96	Vale, Oregon	3/10/45	Envelope fragment and shroud lines.
97	Cold Creek, Washington	3/10/45	Envelope, parts of chan- delier, and 2 incendiary bombs. See incident #238.
98	Hammond, Montana	3/11/45	Envelope and shroud lines.
99	Meridian, California	3/11/45	Envelope fragment.
100	Cold Creek, Washington	3/11/45	Balloon shot down by military police and civilian security guards just outside Hanford Engineer Works. Complete device recovered.
101	Edson, Alberta	3/11/45	Complete device recovered.

*Appendix*

102	Kunghit Island, British Columbia	3/11/45	Complete device recovered.
103	West Cloverdale, California	3/12/45	Envelope fragment. See incident #140.
104	Coal Harbour, British Columbia	3/12/45	Balloon forced down by Canadian Air Force plane.
105	At sea: 30:18 N, 132:52 W	3/12/45	Complete device recovered by vessel.
106	Oxford House, Manitoba	3/12/45	Envelope, rigging, parts of chandelier.
107	Whitehall, Montana	3/12/45	Complete device including 2 incendiary bombs.
108	Baril Lake, Alberta	3/13/45	Balloon recovered, equip- ment and condition not specified in official reports.
109	Port Hardy, Brit- ish Columbia	3/13/45	2 balloons sighted, 1 recovered.
110	Gambell, Alaska	3/13/45	Envelope fragment.
111	Legg, Montana	3/13/45	Damaged envelope, rigging, and chandelier with 36 unexploded blowout plugs.
112	Divide, Montana	3/13/45	Complete device with 29 unexploded blowout plugs.
113	Farmington, Washington	3/13/45	Envelope, shroud lines, and parts of chandelier.
114	Echo, Oregon	3/13/45	Complete device with 11 sandbags and 1 incendi- ary bomb. Archived at Smithsonian Air and Space Museum.

*Appendix*

115	Everett, Washington	3/13/45	Damaged envelope, rigging, chandelier, and 1 incendi- ary bomb.
116	Benchland, Montana	3/13/45	Complete device recovered.
117	American Falls, Idaho	3/13/45	Envelope fragment and shroud lines.
118	Malheur Lake, Oregon	3/13/45	Complete device including 1 incendiary bomb.
119	Chimacum, Washington	3/13/45	Complete device recovered.
120	Phillips, Alaska	3/13/45	Envelope fragment and shroud lines.
121	Delta, Colorado	3/13/45	Envelope fragment and shroud lines.
122	Harlowton, Montana	3/13/45	Fuses, 3 sandbags, and debris from 1 detonated high-explosive bomb.
123	Ontario, Oregon	3/13/45	Envelope fragment, shroud lines, and parts of chandelier.
124	Gambier Island, British Columbia	3/14/45	Envelope fragment.
125	Yamhill, Oregon	3/14/45	Envelope fragment and incendiary bomb.
126	Pocahontas, Iowa	3/14/45	Envelope fragment and shroud lines.
127	Grimes, California	3/14/45	Complete device includ- ing 17 unexploded blowout plugs, 3 sandbags, 1 incendiary bomb, and 1 high-explosive bomb.

*Appendix*

128	Hay Lake, Alberta	3/14/45	Parts of chandelier and 1 sandbag.
129	Big Bend, California	3/14/45	Envelope fragment, valve, and shroud lines.
130	Mumtrak, Alaska	3/15/45	Envelope and shroud lines.
131	Williams Lake, British Columbia	3/15/45	Envelope.
132	Chase, British Columbia	3/15/45	Damaged envelope, rigging, and parts of chandelier.
133	Baker Creek, British Columbia	3/15/45	2 small envelope fragments.
134	Coquille, Oregon	3/15/45	Envelope fragment.
135	Coram, Montana	3/16/45	Envelope fragment.
136	Fort Babine, British Columbia	3/17/45	Envelope fragments and valve.
137	Sula, Montana	3/17/45	Bomb debris, type not recorded.
138	Kinak, Alaska	3/18/45	2 explosions reported, envelope fragment recovered.
139	Alexis Creek, British Columbia	3/18/45	Envelope fragment.
140	Guerneville, California	3/18/45	Envelope fragment, possible part of device in incident #103.
141	Glen, Montana	3/18/45	1 incendiary bomb.
142	The Dalles, Oregon	3/18/45	Debris from 1 incendiary bomb. See incident #156.
143	Garrison, Utah	3/18/45	Complete device including 56 unexploded blowout plugs and 5 sandbags.

*Appendix*

144	Laurel, Montana	3/18/45	Envelope and shroud lines.
145	Marie Lake, Manitoba	3/19/45	Complete device recovered.
146	Cedarvale, British Columbia	3/19/45	Envelope.
147	Sonora, Mexico	3/19/45	Envelope and shroud lines, possibly shot down by U.S. fighter plane.
148	Timnath, Colorado	3/20/45	1 unexploded incendiary bomb and debris from 1 detonated high-explosive bomb.
149	Chadron, Nebraska	3/20/45	Complete device recovered.
150	Fort Chipewyan, Alberta	3/20/45	Complete device recovered.
151	Williams Lake, Manitoba	3/20/45	Complete device including 5 sandbags.
152	Denman Island, British Columbia	3/20/45	Complete device including 2 unexploded incendiary bombs.
153	Olds, Alberta	3/20/45	Debris from 1 exploded incendiary bomb recovered. Possibly related to incidents #154, #157, and #174.
154	Wimborne, Alberta	3/20/45	Unidentified bomb debris. See incidents #153, #157, and #174.
155	Foremost, Alberta	3/20/45	Envelope, rigging, and parts of chandelier.

*Appendix*

156	The Dalles, Oregon	3/20/45	Debris from at least 1 exploded incendiary bomb. Possibly related to incident #142.
157	Delburne, Alberta	3/20/45	Envelope, shroud lines, and 1 high-explosive bomb recovered. See incidents #153, #154, and #174.
158	Gillette, Wyoming	3/21/45	Envelope fragment.
159	Murphy, Oregon	3/21/45	Envelope fragment. See incident #206.
160	Dillingham, Alaska	3/21/45	Envelope and one sandbag.
161	Camsell Portage, Saskatchewan	3/21/45	Complete device including 1 incendiary bomb.
162	Glen, Montana	3/21/45	Witness reported falling object and explosion. No debris, but 1 unexploded incendiary bomb recovered.
163	Reno, Nevada	3/22/45	Balloon shot down by P-63 fighter plane. Complete but damaged device including 27 unexploded blowout plugs, 1 sandbag, and 2 incendiary bombs.
164	Rogerson, Idaho	3/22/45	Complete device recovered.
165	Ashcroft, British Columbia	3/22/45	Balloon reportedly found, no details listed in report.
166	Volcano, California	3/22/45	Complete device including 20 unexploded blowout plugs.

*Appendix*

167	Basin, Wyoming	3/22/45	Envelope fragment.
168	Rome, Oregon	3/22/45	Complete device recovered.
169	Ree Heights, South Dakota	3/22/45	Complete device recovered. See incident #215.
170	Barrier Lake, British Columbia	3/23/45	Balloon recovered, no information recorded.
171	Desdemona, Texas	3/23/45	Complete device includ- ing 2 intact high-explosive bombs. Only known device to feature 2 such bombs. See incident #175.
172	Bethel, Alaska	3/23/45	Valve recovered.
173	Athabasca, Alberta	3/23/45	Balloon reported, no details available.
174	Delburne, Alberta	3/23/45	Envelope fragments and shroud lines. See incidents #153, #154, and #157.
175	Desdemona, Texas	3/23/45	Unidentified bomb debris, likely related to incident #171.
176	Britain River, British Columbia	3/24/45	Envelope fragment.
177	Osceola, Nebraska	3/24/45	Envelope and shroud lines.
178	Woodson, Texas	3/24/45	Envelope fragment and shroud lines.
179	Hanson Island, British Columbia	3/25/45	Envelope fragment.
180	Farmington, Michigan	3/25/45	Incendiary bomb.
181	Kadoka, South Dakota	3/26/45	Several small envelope fragments.

*Appendix*

182	Strathmore, Alberta	3/28/45	Envelope fragment and valve.
183	Baja California, Mexico	3/28/45	Balloon shot down by U.S. fighter plane over Imperial Valley, California. Device landed in Mexico, no equipment recovered.
184	Whitewater, Brit- ish Columbia	3/28/45	Envelope, 12 sandbags, and 2 incendiary bombs.
185	Canol Road, Yukon Territory	3/29/45	Debris from detonated high-explosive bomb.
186	Adrian, Oregon	3/29/45	High-explosive bomb recovered. See incident #187.
187	Nyssa, Oregon	3/29/45	2 sandbags and 1 high- explosive bomb, likely a duplicate report of incident #186.
188	Pyramid Lake, Nevada	3/29/45	Complete device includ- ing 23 unexploded blowout plugs and 4 sandbags.
189	Duchesne, Utah	3/30/45	Complete device recovered.
190	Grafton, North Dakota	3/30/45	Complete device recovered.
191	Bozeman, Montana	3/30/45	Complete device including 4 damaged sandbags.
192	Consul, Saskatchewan	3/30/45	Envelope and 1 high- explosive bomb.
193	Waterhen Lake, Manitoba	3/30/45	Envelope.
194	Red Elm, South Dakota	3/30/45	Complete device recovered.

*Appendix*

195	Marcus, South Dakota	3/31/45	Debris from high-explosive bomb.
196	Ituna, Saskatchewan	3/31/45	Envelope.
197	Dillon, Montana	4/1/45	Envelope fragments, valve, and shroud lines.
198	Tampico, Washington	4/1/45	Complete device including 1 incendiary bomb.
199	Hoopa Reserva- tion, California	4/1/45	Complete device recovered.
200	Hay River, Alberta	4/1/45	Complete device including 7 sandbags and 2 incendiary bombs.
201	Colville, Washington	4/1/45	Envelope and shroud lines.
202	Harper, Oregon	4/3/45	Envelope fragments, valve, rigging, and parts of chandelier.
203	Walla Walla, Washington	4/3/45	Complete device includ- ing 4 unexploded blowout plugs.
204	Massacre Lake, Nevada	4/5/45	Complete device recovered.
205	Turner, Montana	4/6/45	Envelope.
206	Provolt, Oregon	4/7/45	Envelope fragments. Pos- sibly related to incident #159.
207	Merritt, British Columbia	4/8/45	Complete device including 1 high-explosive bomb.
208	Southern Indian Lake, Manitoba	4/10/45	Envelope and other unspecified equipment.

*Appendix*

209	Plane, Idaho	4/10/45	Sandbag and attaching hook, possibly related to incident #69.
210	Bald Mountain, Oregon	4/10/45	Complete device including 2 sandbags, 1 high-explosive bomb, and 4 incendiary bombs.
211	Attu Island, Alaska	4/12/45	Balloon shot down by fighter plane, nothing recovered.
212	Rome, Oregon	4/12/45	Complete device recovered.
213	Attu Island, Alaska	4/13/45	9 balloons shot down over Massacre Bay by P-38 aircraft from the Eleventh Air Force.
214	Tanaga Island, Alaska	4/13/45	Balloon observed by C-45 aircraft. Location also listed as Little Sitkin Island, which is 150 miles east of Tanaga Island.
215	Wolsey, South Dakota	4/13/45	Envelope fragment, possibly related to incident #169.
216	Midas Creek, Alaska	4/15/45	Complete device recovered.
217	At sea: 52:46 N, 178:30 W	4/15/45	Balloon sank 750 miles northeast of Attu Island in Bering Sea.
218	Bethel, Alaska	4/15/45	2 aneroid boxes from unknown devices recovered.
219	Amchitka Island, Alaska	4/15/45	Complete device recovered.

*Appendix*

220	Tyee, Oregon	4/15/45	Envelope fragment.
221	Snowville, Utah	4/16/45	Envelope fragment.
222	Platinum, Alaska	4/16/45	Long-grounded complete device found covered in snow and ice.
223	Boundary Bay, British Columbia	4/17/45	Complete device including 1 incendiary bomb and 1 high-explosive bomb.
224	Morice Lake, British Columbia	4/17/45	Complete device including 22 sandbags and 2 incendiary bombs.
225	Wapato, Washington	4/19/45	Envelope fragment.
226	Tikchik Lake, Alaska	4/20/45	Complete device recovered.
227	Vedder Mountain, British Columbia	4/20/45	Balloon recovered, no details available.
228	Watson Lake, Yukon Territory	4/20/45	Unspecified balloon parts recovered.
229	Chilliwack, British Columbia	4/20/45	Envelope and shroud lines.
230	Elko, Nevada	4/21/45	Envelope fragment and valve.
231	Philipsburg, Montana	4/21/45	Envelope.
232	At sea: 53:3 N, 135:52 W	4/23/45	Envelope of rubberized silk recovered from ocean west of Queen Charlotte Islands.
233	Lake of the Woods, Oregon	4/23/45	Complete device recovered. See incidents #281 and #284.

*Appendix*

234	Kitchener, British Columbia	4/24/45	Envelope and shroud lines.
235	Paragonah, Utah	4/25/45	Envelope fragment.
236	Beatty, Oregon	4/26/45	Envelope fragment.
237	Akiak, Alaska	4/28/45	Complete device including 3 unexploded blowout plugs and 2 sandbags.
238	Moxee City, Washington	4/30/45	Unspecified balloon parts recovered. Possibly related to incident #97.
239	Huntington, Oregon	5/2/45	Envelope fragments.
240	Bly, Oregon	5/5/45	Detonation of high-explosive bomb killed woman and 5 children on Gearhart Mountain northeast of Bly. Complete device including 8 sandbags and 4 incendiary bombs recovered.
241	Stettler, Alberta	5/5/45	Envelope fragments.
242	Enterprise, Oregon	5/12/45	Incendiary bomb. See incident #245.
243	Kelvington, Saskatchewan	5/15/45	Valve and parts of chandelier recovered.
244	Chilliwack, British Columbia	5/20/45	Complete device including 2 sandbags, 1 high-explosive bomb, and 2 incendiary bombs.
245	Enterprise, Oregon	5/21/45	Envelope fragments recovered. Possibly related to incident #242.

*Appendix*

246	Milo, Alberta	5/23/45	Envelope fragment.
247	Asotin, Washington	5/25/45	Unspecified balloon parts recovered.
248	Harper, Oregon	5/25/45	Unspecified balloon parts recovered.
249	Madison, South Dakota	5/26/45	1 unexploded incendiary bomb.
250	Summer Lake, Oregon	5/26/45	Envelope fragments, shroud lines, and parts of aluminum ballast ring.
251	Vanderhoof, Brit- ish Columbia	5/26/45	Envelope fragment.
252	Soldier Mountain, California	5/26/45	Envelope fragments.
253	High River, Alberta	5/28/45	Damaged envelope and unspecific ballast equipment.
254	Chilanko River, British Columbia	5/29/45	Envelope fragments and 2 incendiary bombs recovered.
255	Pryor, Montana	6/1/45	Envelope fragment.
256	Jordan Valley, Oregon	6/7/45	Small envelope fragments.
257	Mahogany, Oregon	6/8/45	Parts of aluminum ballast ring and envelope fragments, 1 of which contained paper tag with Japanese characters. See incident #258.
258	Mahogany, Oregon	6/9/45	Envelope fragments from incident #259.

*Appendix*

259	Collbran, Colorado	6/12/45	Envelope fragment.
260	Egegik, Alaska	6/14/45	Balloon reported grounded, no other details available.
