THE DIOCESE  
OF SHEFFIELD

## Parish Giving Scheme (PGS)

Below is a statement from the Parish Giving Scheme. We now have a significant number of people in church who are now part of the PGS, which is a safe scheme, administered by the Church of England itself. If you would like to change your current method of donation it is an easy process and I can help you through it.

*"The PGS continues to grow across the Church of England with 24 member dioceses registered with the Scheme and more hoping to join this year. We have almost 33,000 donors giving through the PGS and around 55% of donors continue to support their parish by agreeing to inflate their gift annually.*

*We're delighted to announce that in December 2018, the PGS passed back over £2.5 million in gifts alone to 1,927 registered parishes. Last year the PGS processed over £32 million worth of donations and Gift Aid."*

If you would like further information please talk to me.
