Daddy don't go to the gym... #rainyday #gynday #catsofinstagram #tabbycat #gingercat #gingercats #gingercatsrule #petcat #cats #petsofinstagram #pets #furbaby #cat_features_daily #cat #love #mybaby #catslife #catpaws #catpics #staysafe

CJC-1295 with DAC is one drug - it's a longer acting form of CJC-1295. I want to get the most out of my MK677. It seems most people who use ipamorelin/GHRPs (which work through the same mechanism as MK677) are also running some sort of GHRH analogue (like CJC-1295) for maximum effect.
