Resident Activities

In response to CDC guidance regarding COVID-19, our community will not be sponsoring resident activities until further notice. To help limit the spread of this disease, please remember to wash your hands with soap and water often, and avoid touching your eyes, nose, and mouth. A great source for further information is cdc.gov (Centers for Disease Control and Protection). We appreciate your cooperation and consideration as we face this highly unusual situation together.

Pest Control

Effective immediately, pest control services will be provided BY ADVANCE REQUEST ONLY, on regularly scheduled dates. Please note that services are provided at your own risk, as the technician will likely be in several apartments each day. If you want the normal pest control service to be completed as scheduled, please call the office at least 24 hours in advance. We will resume normal service as soon as the COVID-19 pandemic allows.

Shine a Light on a Resident

During this time, it can be stressful and uneasy dealing with all things going on! We want to shine a light on a resident who has made life just a bit easier for someone. Ms. E. Thomas we at Primm thank you for assisting and being a support to your neighbor! He moved in not too long ago from another state and needed help. You were able to help him with things that made life a little bit easier. I ask you guys if you know Ms. Thomas clap for her and thank her for what she does!

If you know someone in our community needing to be recognized drop a note in the office or email me at manager@primmplace.com and have them appear in the next newsletter! Keep our community strong everyone!
