What This Camp Is About

The fast-paced lives we live today challenge our well-being, and we become distracted and also distant from God and each other.

Thus in this Camp, we seek to grow and deepen our life together as a community of God's people.

We will look at disciplines we can practise together to enrich our community life and strengthen our personal well-being. We will travel and eat together, rejoice and learn together, share and have fun together.

This is what the Psalmist had in mind when he wrote, "How good and pleasant it is when God's people live together in unity!" Psalm 133:1 (NIV)

Camp Speaker

Rev Dr Jimmy Tan is a lecturer at Trinity Theological College where he teaches courses on pastoral care, pastoral theology, pastoral spirituality and marriage & family.

Jimmy served as the Teochew congregation pastor at Singapore Life Church (1995) and the English congregation pastor at Bethel Presbyterian Church (1996-2009). He is passionate about communicating the gospel across languages and generations.

Jimmy is married to Soh Kwan, and they have three daughters and a family dog, Truffles. As a family, they enjoy conversations around the dinner table, exploring nature and playing with Truffles, of course.
