## PROGRAM CONTENT

**Training for development of confidence and communication skills, human rights.** In our camp idea of competition is replaced by the idea of cooperation. Experienced teachers - psychologists help for children to form skills of confident behavior in the situations of friendship and cooperation in order to overcome the language barrier and to disclose their inner wealth of potential!

**Festivals of World Cultures.** Could you visit the most colorful and unusual carnivals of the world, staying in only one place? Yes, it is! In our camp, it is possible! Brazilian festival «Avenida Brazil», Irish festival of Gaelic football and Hurling, Italian cuisine festival, festivals and dancing of the people from all over the World, etc.) Athletes and groups of artists from all parts of the world will show their professional skills and will held master classes with children... In addition, we have foreign musical groups to organize bright and star concerts! Each evening event of our camp is an unforgettable interactive show where everyone participates!

**Sports games.** In the camp our children play not only favorite games such as football, basketball, volleyball and tennis, but also learning new sports, for example, capoeira, Gaelic football, rugby and hurling. And for girls open section of samba and modern dance.

**Shooting of feature films.** Each children group with the management of film director making a script for fun or serious short film, which will participate in the festival "Golden Mask" at the end of camp session. Not all the secrets of filming are revealed immediately and therefore the festival is not without surprises!

**Theater performances.** English theater should be very emotional, it is an interactive English, it thrills and disclosure talents of each person! Theater performances are based on the age of children and the level of English.

**English lessons.** The basis of English language programs are communicative approach. Language course, on the one hand, is an educational: interactive lessons with the study of grammar and lexis, learning vocabulary with teachers from different countries. On the other hand it is exciting and fun adventure for kids to overcome the language barrier and improve speaking skills. After all, only through the bright positive emotions it is possible to instill the love to language and understand the importance of English in modern life.

**Dances of the world nations.** Samba, African dance, with the dance guys it is not only learning about the culture of different nations, but also deep into a world of joy and fun and positive energy, drive and motion.

**Playing on ethnic drums.** Drum is the oldest, most igniter and one of the most attractive musical instrument! After all, even our heart beats in the rhythm for 24 hours a day! Learning how to play on the ethnic drums, guys will be able to subdue the fascinating rhythms of Brazilian, Arabic and Turkish tunes. Drumming reveals the creative potential of every person, children can feel the atmosphere of a particular ethnic music, and finally, to enrich and expand their cultural and ideological horizons!

**Themed parties.** Kid leaders in our camp are creative and educated and could tell you about an Englishman Magna Carta 1215, which began a new history of England! Or Brazilian, who will show a slide show about their country and teach Brazilian dance. "Living room of the world" will allow children to touch the culture and art of the peoples of different countries.

**Creative projects.** Every child is unique and talented. Someone will be a great photographer, someone talented interpreter, someone will be awarded the "Oscar" in nominate of the best director, while others develop tools of biometric authentication Windows at Microsoft. Our camp is an open platform where creative projects aimed for the development of a free person.

### CAMP'S PLACE

The city Tuapse was founded in 1838. It is a city of military glory, trade, transport, industrial and educational center. It has a population of over 60 thousand people. Tuapse takes place in Russia, located on the Eastern shore of the Black Sea, in the foothills of the Main Caucasian ridge between the mouths of the rivers Spider and Tuapsinsky. Founded in 1838. The administrative center of the Tuapse district based in Krasnodar region. Distance to Moscow 1672 km (by rail). Moscow time. The city is located in a dry subtropic climate zone, similar to the Mediterranean. Normal temperature in the coldest months in December and January

respectively is +8,1°C +10,4 C. and the warmest months are July and August there temperature is about +27, +28 degrees. The village of Shepsi is 9 km South-East of the Tuapse railway station, on the Novorossiysk-Sukhumi highway.

Beach is composed of small pebbles and sand, and the sea is shallow and convenient for bathing. The village has an Apery - the only place on the entire coast, where these animals are kept in almost natural conditions. In this area, there are more than 100 dolmens - ancient monuments. A place where there are numerous beautiful waterfalls, mountains and forests.
