

## **Don't Waste Time! 8 Facts Until You Reach Your Truequests**

In Kharkiv, in eastern Ukraine, electricity, water and heating are again lacking, according to mayor Igor Terekov. "There is no heating and water supply because there is no voltage on the electricity grid," he added. Kharkiv Governor Oleh Senkhopov noted that the city was hit by around 15 S-300 ballistic missiles, which Ukrainian air defenses were unable to intercept. He said in the telegram that "the enemy has launched about 15 attacks in the city and countryside". "Infrastructure was again among the targets." declaration of energoatom For More Info: [True Quests](#)

For its part, the Ukrainian company Energoatom announced that the Zaporizhia nuclear power plant, which is under the control of Russian forces in southern Ukraine, has lost its connection to the Ukrainian electrical system.
