Ladies and Gentlemen:

In the beginning of this year 2021 , I would like to extend my warm welcome and best wishes to you and give you a brief idea about the significant progress that Core is making in the fields of training and consultations. As we are launching the implementation of 2021 plan, we are glad to provide you with some distinguished comprehensive training programs. As a matter of fact, we have strengthened our capabilities in coordination and arrangement with a distinguished group of experts and technical and administrative trainers of high qualifications and competencies along with our continual commitment of applying stringent criteria for selecting the best and most efficient training experts, who combine contemporary intellectual background with practical field experience.

It is also worth mentioning that in recent months, Core has implemented many training and consulting programs in some of the Middle Eastern countries, such as Egypt and The United Arab Emirates, in addition to the cities of the headquarters of Core in Malaysia and Turkey.

Moreover, in the last couple of years, our training programs included the most advanced information and techniques in specialized fields, such as oil and gas, mining, ports, electricity, civil and architectural engineering, information technology programs, and chemical and biological programs along with our important and modern administrative, leadership, and financial programs.

We are grateful to inform you about our programs and training courses published both in this pamphlet and on our websites

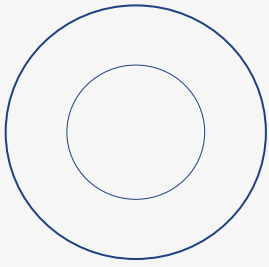

We always appreciate your comments and inquiries via direct contact us.

Best Regards

Abdulahman Alamer
Director of Middle East and Africa Programs

Oil & Gas Courses

Oil & Gas Courses

N	Training Course	Days	Fees
1	Introduction to Drilling Engineering Course	5 days	\$3650
2	Risk Assessment & Incident Investigation Course	5 days	\$3650
3	Pipeline Inspection and Testing Course	5 days	\$3650
4	Wellsite Operations Management Course	5 days	\$3650
5	API 510 Pressure Vessel Inspector Course	5 days	\$3650
6	Corrosion Control in Oil & Gas Industry Course	5 days	\$3650
7	Petroleum Tanks Measurement Course	5 days	\$3650
8	Well Production Enhancement Course	5 days	\$3650
9	Well Completion and Well Testing Course	5 days	\$3650
10	Design & Construction of Petroleum Pipelines Course	5 days	\$3650
11	Advanced Reservoir Management Course	5 days	\$3650
12	Risk Assessment and Decision-Making Course	5 days	\$3650
13	Processing Technologies and Heavy Oil Challenges Course	5 days	\$3650
14	Oil & Gas Risk Analysis and Management Course	5 days	\$3650
15	Petroleum Project Management Course	5 days	\$3650
16	Hazard and Operability (HAZOP) Leader Participator Course	5 days	\$3650
17	Mechanical Failure Analysis Course	5 days	\$3650
18	Non-Destructive Testing Inspection and Welding Course	5 days	\$3650
19	Safety and Occupational Health Course	5 days	\$3650
20	Process Measurement & Control Technology Course	5 days	\$3650

Oil & Gas Courses

N	Training Course	Days	Fees
21	Field Development Planning Course	5 days	\$3650
22	Failure Mode Effect Analysis - Petroleum Production Operations Course	5 days	\$3650
23	Sales Metering Calibration & Operations Course	5 days	\$3650
24	Oilfield Laboratory Equipment and Analysis Course	5 days	\$3650
25	Carbonate Reservoirs and Seismic Characterization Course	5 days	\$3650
26	Instrumentation and Control Systems in Oil and Gas Industry Course	5 days	\$3650
27	Managing Wellsite Operations Course	5 days	\$3650
28	Reservoir Modelling and Data Integration Course	5 days	\$3650
29	Natural Gas Processing: Dehydration, Refrigeration and Fractionation Optimization Course	5 days	\$3650
30	Fundamentals of Asset Management Course	5 days	\$3650
31	Maintenance Management Best Practices Course	5 days	\$3650
32	Crude Oil Pipeline Operations Course	5 days	\$3650
33	Asset Management Course	5 days	\$3650
34	Coating Inspection Pipeline Course	5 days	\$3650
35	Maintenance Management Best Practices Course	5 days	\$3650
36	Pipelines Operations Management Course	5 days	\$3650
37	Advanced Drilling Technology Course	5 days	\$3650
38	Clastic Sedimentology for Exploration and Development Course	5 days	\$3650

Oil & Gas Courses

N	Training Course	Days	Fees
39	Rock Physics – Integrating Petrophysical, Geomechanical, and Seismic Measurements Course	5 days	\$3650
40	Cathodic Protection System in Oil & Gas Industry Course	5 days	\$3650
41	Clastic Sedimentology for Exploration and Development Course	5 days	\$3650
42	Drilling Fluids in the Oil Industry Course	5 days	\$3650
43	Nano Technology in Oil and Gas Principles & Applications Course	5 days	\$3650
44	Hydrocarbon Resources, Reserves and Valuation Course	5 days	\$3650
45	Petroleum Project Management Course	5 days	\$3650
46	Production Optimization and Nodal Analysis Course	5 days	\$3650
47	Processing Technologies and heavy oil challenges Course	5 days	\$3650
48	Rock Physics - Integrating Petrophysical, Geomechanical, and Seismic Measurements Course	5 days	\$3650
49	Well life cycle from drilling to plug and abandonment	5 days	\$3650
50	Coiled tubing technology and well intervention	5 days	\$3650
51	Wireline technology and well intervention	5 days	\$3650
52	Introduction to reservoir engineering and production methods	5 days	\$3650
53	HSE standards and procedures in the oilfield	5 days	\$3650
54	Hydrogen Sulphide H ₂ S awareness	5 days	\$3650
