Hey parents! This week we learned about Moses and the 10 plagues God sent to Egypt to show His power. Even when things seemed bad, Moses talked to God for reassurance. God's plans are always good. Ask your child the following questions this week to remind them they can always talk to God.

1. How can you talk to God?
2. What kinds of things can you tell Him?
3. How do you feel after you talk to God?
