How many languages do you need to know to communicate in HiHello Chat rooms?

Tip

In this example, we're leading off with something **unexpected**.

While the audience is trying to come up with a number, we'll surprise them with the next slide.

—

Just one! Your own.

(With a little help from your smart phone) You can start talking with all Pakistani people across the globe

Tip

Remember. If something sounds like common sense, people will ignore it.

Highlight what is unexpected about your topic.
