

GIZ COSMETICS AT A GLANCE

GIZ Cosmetics, established in 2006, designs, manufactures and markets high quality make-up cosmetics and beauty products, which are sold in over 50 countries.

GIZ manufactures in Istanbul Trakya Free Zone, Turkey, with its 4500m² production, R&D laboratories and large warehouse facilities. **GIZ** has its main office in Istanbul and European regional head office in Paris, France.

GIZ performs research and production with a qualified team having an annual production capacity of 35 million items per year. **GIZ** is certified to ISO 9001, GMP-ISO 22716, and is the holder of Halal certificates.

The Company tests in accordance with the EU directives on accredited laboratories before presenting them to customers. Every product has a Product Safety Assessment Report. In addition, the products of **GIZ** are registered into CPNP (Cosmetics Products Notification Portal) in order to be freely marketed and placed on the EU market. All products are hypoallergenic, dermatologically and ophthalmologically tested, paraben & cruelty free.

Isabelle Dupont is the exclusive brand of **GIZ**, which has already conquered the hearts of women worldwide. The brand performs and competes in mass cosmetics markets.

In addition to **Isabelle Dupont**, **GIZ** has been a manufacturer of **Private Label Cosmetics** to create unique beauty brands for multi-brand retailers, clothing stores and entrepreneurs in several countries and regions worldwide such as Canada, Australia, Hong-Kong, Ukraine, Pakistan, Iraq, besides Turkey. **GIZ** provides with all the essentials in color cosmetics by offering a complete line of customized combinations in formulas with a range of trendy colors, attractive packaging designs and displays to successfully build new brands in the beauty industry.

Last but not least, **GIZ** provides color cosmetic ingredients and raw materials to cosmetic producer companies as a **bulk manufacturer and supplier** for full range make-up products in face, eyes, lips and nail groups.

SUBLUMIÈRE FLAWLESS FUSION

Best part of Sublumière Flawless Fusion Foundation is special sweat and sebum-controlling agents that allow for all day of impeccable wear. It covers beautifully with a light-medium, but buildable, coverage which looks nearly invisible. Featuring advanced flexible polymers and treated pigments. Dimethicone absorbs excess oil, mattify the skin, and minimize the appearance of pores. SPF 15
NET: 33 ml

MASTER MATCH FOUNDATION

This unique, creamy formula contains light-reflecting pigments which diffuse and bend to create a natural, matte appearance. Hydrating with vitamin E instantly revitalizes the skin while keeping it looking smooth, soft and plush. Designed with convenience in mind, this all day, sheer-to-medium coverage comes in an easy-to-squeeze tube that ensures no product goes to waste.

C3 SOFT BRONZE

Sublumière Total Control delivers full, natural-looking coverage with unexpectedly weightless. It works instantly and long-term to neutralize redness, dullness and discoloration for an even and uniform skin. Unique blend of ingredients smooths skin while enhancing its natural beauty.

STICK-ON FOUNDATION

It is designed to quickly and precisely apply all-over coverage, daily touch ups or highlight and contour with ease. The formula glides on and makes skin look even-toned and moisturized, with a soft satin demi-matte finish. The stick formula goes on creamy, blends easily, and transforms to a matte powder finish. Great for all skin types, even dry skin.
NET: 9 gr

BB CREAM

Oily controlling formulation with emollient and optical pigments ensures the hydration and visibly reduces fine lines and wrinkles. It can be worn alone as a primer or under foundation for a smooth make-up canvas. Enriched with vitamin E. Dermatologically tested. Non-comedogenic. Fragrance & Paraben free. SPF 15.
NET: 30 ml

MOUSSE FOUNDATION

Formula is based on a mechanic synergy between a silicon elastomer and a blend of hi-tech powders.

Thanks to these raw materials which work as filler, it reduces lines and wrinkles look. Doesn't dry or clog the skin with matte wearing.

The treated pigments ensure long wear properties.

NET: 18 gr

PÂTE À CRÈME

Discover skin confidence!

Pâte à Crème foundation's solid to liquid formula melts and glides across uneven skin for a miraculous smooth finish.

Smooth, tighten and camouflage. With formula special sponge and air light packaging.
