

*Hogue Landscape Services partners with Zone Nine Landscape & Design Inc.*

To our valued and respected Clients,

We are pleased to announce that effective **August 1, 2022**, [Hogue Landscape Services](#), Houston's premier design, build, and maintenance landscape architecture firm, has partnered with residential landscape design contractor, Zone Nine Landscape & Design Inc. creating an industry leader in high-end residential landscaping for the City of Houston and beyond. The combined company will operate under the Hogue Landscape Services brand and continue to offer unparalleled customer experience in designing, building, and maintaining dream outdoor experiences for homes and businesses.

Zone Nine Landscape & Design Inc. has been in business for over 21 years and is known for its exemplary service and attention to detail from start to finish. This is a very exciting event for both companies, for our employees and our clients. Our greatest assets have always been our people, and by joining forces we have increased the quality of that asset.

This is a merger of two highly compatible and experienced landscape firms. We hold the same values and philosophies on doing business: producing an excellent job for the client, an emphasis on honesty and integrity, and the importance of bringing a positive attitude to work.

Though we will now operate as one company—Hogue Landscape Services—you can rely on the same personal working relationships that you have had in the past. You will still be dealing with the same people, and you can depend on the same high-quality of work and service that you have come to expect. This commitment to our clients is stronger than ever and we look forward to continuing to serve you.

We encourage you to visit [HogueLS.com](#) to discover more about our exceptional team and services and how this step forward can bring you additional benefits. If you have any questions, please do not hesitate to contact us.
