https://www.youtube.com/watch?v=oLLt-a6dI_0#t=202

RODRIGUEZ: "Many of the Millennials, DREAMers, undocumented citizens – and I call them “citizens” ’cause they contribute to this country – are fearful of voting. So if I vote, will immigration know where I live? Will they come for my family and deport us?"

OBAMA: "Not true."

RODRIGUEZ: "Okay."

OBAMA: "And the reason is – first of all, when you vote, you are a citizen yourself, and there is not a situation where the voting rolls somehow are transferred over and people start investigating, et cetera. The sanctity of the vote is strictly confidential in terms of who you voted for. If you have a family

member who maybe is undocumented, then you have an even greater reason to vote."
