

Sharing your experience with unions

Female Associate: Hey Steve, I've been thinking, if a union were to get in to Walmart, things really would not be that bad.

Steve: Here's the thing about unions Jenny, there really are no guarantees. I remember when I was a kid my dad was part of the auto workers and they went on strike for 6 months and he had to walk a picket line that whole time. I would hate to see that happen to anybody here in our club.

Female Associate: Wow thank you Steve

Steve: You bet!!
