

Carvinal Cruises offer a lot of fun, and always include someone hosting Karaoke in a club, somewhere on the ship, and usually every evening!

This also typically begins as a family-friendly activity, keeping things rated PG, with a start time around dinner (e.g. 6-7pm).

There may be a transition at some point after a couple hours of fun, into an “adults only” experience, and minors may be asked to move on to other activities.

So if you have some ‘non radio edit’ lyrics you can’t wait to bust out with innuendo in a mixed crowd, you’ll need to keep that to yourself until the late session.

BUT the biggest and first question you’ll be wondering is answered right here:

“What songs do they HAVE, that I want to sing?”

So why not look through this list, current as of the end of the 2018 cruise season, and put together your short-list NOW, when you can download your practice demo’s online and be ready!

Everyone enjoys a great performance, so get your Karaoke songlist prepared ahead of time and make it your Best. Cruise. Ever!
