

Islam is the true religion

The Prophet Muhammad told us since 1440 years on several things

These things are proof of sincerity

Tell about the rotation of the earth

And tell about the darkness that happens at the bottom of the ocean

Which can not be known at the time

And told a lot

For the Koran

True texts

Not an explanation

This text

In Surat Al Noor

Talk about darkness in the deep seabed

Darkness above some

If you get out your hand of your pocket

It is impossible to see it

The text of the rotation of the earth is mentioned in Surat Al-Naml from the Holy Qur'an

He said to you that you see the mountain static

But in fact he is moving

As the clouds move

Islam is the truth

Islam is not a religion of terrorism Islam is the religion of love and peace

The actions of the Islamic state in Iraq and the Sham are not folly of Islam

These terrorist caricatures say they are Muslims but they are not

Islam is innocent of them ... Islam does not provide for murder, slaughter and torture

Islam is a religion of love ... The Prophet Muhammad said that he hurt a Christian or a Jew ... so he hurt the Prophet Muhammad

The Prophet Muhammad ordered us not to harm the Jews and the Christians

Terrorist organizations do not apply Islam ... She just says of herself that she is a Muslim ... but in fact she is not a Muslim

If the terrorist organizations were Muslim, as it says, the words of the Prophet Muhammad would not hurt a Christian or a Jew or cause the killing of innocents

Terrorist organizations are a group of criminals only

Islam is innocent of all

The Qur'an and the words of the Prophet Muhammad do not encourage murder or criminality

Religion is a religion of love

The Prophet Muhammad did not order violence, murder and aggression ... He did not order drinking the urine of animals ... they were usually spread in their time has nothing to do with them

The Prophet Muhammad and the Qur'anic verses that speak of murder are only about aggressors who are never innocent

The Prophet Muhammad said: He who caused some harm to one of the Jews and Christianity as if he caused harm to him

The prophet Muhammad called for good morals ... Prophet Muhammad called for coexistence

So there is a verse in the Qur'an that states:

If any one of your enemy has hired you and asked for protection from you, do not kill him and protect him

The Prophet Muhammad encouraged good morals and charity to others

The Prophet Muhammad was tolerant ... He called for tolerance and morals called for coexistence

These are the teachings of the Prophet Muhammad and there are many good teachings

But the Prophet Muhammad acts with the people who say of themselves that they follow Muhammad

In fact, it is not

The Prophet Muhammad called for all this coexistence and tolerance

But the followers would follow the words of the Prophet Muhammad to find peace and love

Islam is the religion of love, tolerance and good morals

The Prophet Muhammad did not order violence, murder and aggression ... He did not order drinking the urine of animals ... they were usually spread in their time has nothing to do with them
