Wearing [pajamas](#) outside has already become a fashion trend. There are some tips for choosing the right pajamas to wear outside and matching them with other clothes.

1. Wear as a Coat

You can wear your short silk robe or pajamas as a coat and then wear pants or dresses, making you cool and relax.

2. Match with High Heels

High heels and sleepwear can match perfectly. High heels make you look slim and tall, and sleepwear will be more fit and fashionable. If you wear a suit of pajamas or long nightgowns, you should choose a pair of high heels to make you become a super model.

3. Match with Jeans

You can wear pajamas top with lace inside, and then wear a jean coat, making it perfect for shopping or traveling. Short silk robe can be wear with jeans pants.

4. Pattern and Trimming

Sleepwear with classic stripes, or tiny polka dots and intricate heels can match perfectly to offset that casual vibe.
