2. **All commissioned artwork is for noncommercial purpose only unless discussed otherwise.** Redistribution of my artwork for use in printed merchandise or as promotion of goods, services or social media pages is prohibited **unless** you have paid the additional commercial-use fee.
3. **Vtuber Commission already include the commercial fee in the price.**

  - Altering my artwork in any way without asking for permission before hand, with the exception of cropping the image for an icon or other use.
6. **If these terms are broken, you will be privately blacklisted from commissioning me.**

### III. PAYMENT INFORMATION

1. **I only accept payment in Euro.** I will use Paypal Invoices only.
2. Non-payment within 48 hours when claiming the slot will result in the commission being cancelled.
3. The purchase is for the digital artwork, not prints.
4. By paying for this purchase (whether for an adopt or a commission), **you agree you are the cardholder of the card that's linked with this PayPal account.** If by any chance, we receive a chargeback because the purchase was not made by the cardholder, we take no responsibility over it. It is not our responsibility to make sure you are the authorized cardholder or you are a parent who carelessly let your child use your PayPal account or credit/debit card.
5. **It is the commissioner's responsibility to tell me when the payment has been sent.** Sometimes a payment will not fall through and I won't know about it. If you fail to tell me that you've sent the payment within 48 hours - and I know I absolutely haven't received the payment - then the 48 hour payment term applies to you.
6. **Refund Policy**
  - If the commission is cancelled (by me or the client) before work has started, then the client will receive a full refund.
  - No refunds will be given once I've started your commission.
  - The artist reserves the right to cancel a commission at anytime, for any reason, and without explanation.

## V. ALLOWED COMMISSION CONTENT

2. **Allowed Content**

Human | Kemonomimi | Fanart | Girls | boys Game characters | Pokemon | Animals | Real life people (only when it fits to my artstyle)

3. **Disallowed Content**

Any sort of hateful content, such as racism, transphobia, homophobia, and characters with Nazi/Soviet/etc. imagery or paraphernalia.

## VI. WORKFLOW PROCESS

- **I work best when given some artistic freedom** to create an image based on the characters you provide. I am happy to match a scene or pose that you have in mind, but please allow and expect some variation. If there is still some things you want me to change, tell me.
- **Estimated date to completion.** Completion of most commissions are generally estimated to take no more than roughly 1-3 months, it depends on the amount and the complexity of the commissions I take. If there are any delays in completion of a commission, I will personally notify the customer.
- **Certain deadline to completion.** If you want me to finish your commission at a certain date you'll need to pay extra. The amount depends on the time I need finish and I would need to prioritize your drawing over my other commissions.
- **(WIP) Work in progress.** Commissioner can request WiP at any part of the process. Pls note that my sketch WIPs does NOT match the final result of the commission, it's only to show the concept (expression/pose) that will be given to your requested character.
- **Revisions and edits.** If the commission type includes a sketch approval stage, any major changes or revisions must be made at this stage; this includes any significant changes to a character's pose or body shape, or redrawing parts of the image.
  - After the sketch has been approved, no major edits or changes will be made. If the commissioner requests additional edits after the approved sketch, a price for the edits may be discussed.
  - If I, the artist, make any errors in the character design, accessories, or any other visual elements specified in the provided visual references, I will make these edits at no additional cost.
