Discuss:

Matthew 5:10-16

- 1) What must we believe to make our witness effective?
- 2) If problems are real (v10-11) why then risk the trouble of being a witness? (v10-12) What are real problems that you see in your workplace and how could your response be a witness?
- 3) We learned that the Christian witness, though not dominate, can influence much more. Use Salt and Light to explain this truth. (v13-14)
- 4) Our witness will have no influence if it does not salt or shine, how do we do that? (v14-16)

Partner:

- 5) What is keeping you from being distinct in your witness (salt and light) ?
- 6) To help you process this what lies are you believing, what promise do you need to remember, and then what action do you need to take? And then pray.
