

# 3 Fabrics / Products That Offer Various Applications Across Industries!

High quality tarps and [muslin](#) cloth offer various uses and applications. These are categories of products / cloth / fabric that are used in both artistic as well as adventurous fields. They have several applications in the field of science, surgery, fashion and daily use as well. They are available in various finishes and colors according to your preferences.

Muslin cloth for example is just a loosely woven cotton fabric. It is an extremely versatile material which can be used across various applications ranging from scientific purposes to art & craft and theatre settings as well. Some of the purposes that it is going to solve for you include:

- **Dress Making**

Designers all over the world are using this cloth frequently when it comes to pattern making and sewing up apparel prototypes.

- **Home Decor**

Several home decor items are manufactured with this material such as lightweight bed sheets, towels and curtains and many more!

- **Artistic Applications**

Muslin cloth is very versatile when it comes to creating backdrops, theatre screens, movie sets and portable backgrounds for photographers and painters.

- **Cleaning**

They offer cleaning ability to the user as well. Kitchen countertops and regular use furniture can be easily cleaned with this cloth.

When we come to the use of tarps, we can opt for [heavy duty poly tarps](#) or cotton canvas tarps depending upon our needs. The heavy duty ones are available in denser meshes and higher weave counts. These are ideal for long-term use and can also

be used when you are travelling across states or camping with your friends and you want something to protect your luggage with.

Cotton canvas tarps are ideal for painters and other artists. They can be used to cover things such as plants, still-life objects, canvases and also wet paints that need protection from dust and other airborne impurities. They can also be used to manufacture [stage curtains](#), camping equipment, make shelters equipment, backdrops for artists and other coverings and much more.
