Re: Request for Open Meeting Law Violation be Cured and Corrected

Dear Councilmember Campbell:

Our office represents interested persons under the California Open Meeting Law. We will be filing a legal action on Thursday July 30, 2020, to obtain a judicial determination that the resolution the Environment Committee adopted on July 16, 2020, providing for the City to issue a call for bids for a 20-year electricity franchise agreement is void because it was adopted in violation of Govt Code § 54952.2(b)(1), which prohibits decisions based on serial meetings.

Please find the Petition and Complaint we propose to file Thursday for the details of the alleged violations of the Open Meeting Law. We ask that the Environment Committee cure and correct the Open Meeting Law violation by repealing the subject resolution adopted at the July 26, 2020, Environment Committee.

Thank you.

Very truly yours,

/s/ Maria C. Severson
