SQUALL COLLECTION

Windproof. Waterproof. Winterproof.

With over 30 harsh Wisconsin winters (remember last year?) to its credit, Squall® is dedicated to keeping you warm and dry – even in a blizzard.

Lighter, non-fleece lining in the hood and collar dries more quickly if it gets wet

Fleece lining in body of the jacket feels soft, keeps you cozy

Waterproof zippers on upper pockets seal out rain and wind

Sealed seams still keep the wet weather outside

Dual-entry lower pockets: flapped to stay dry inside and side-entry for hand warming

Quilted lower lining warms while letting you move easily

NEW CHENILLE, OUR 2019 ...

Sweater of the Year

Fun fact: Chenille is the French word for caterpillar, a perfect name for this velvety yarn. In these sweaters, softness goes hand-in-hand with a beautiful drape and relaxed yet elegant fit ... the crowning touches.

“Our most luxurious chenille yet, in rich colors inspired by winter sunrises.”

Up to your neck in colorful comfort.

This essential basic is ideal for layering. But with so many rich colors and prints, you may not want to cover it up. Worn either way, its laidback style makes it a winner every time.
