**RE: Request for Review and Comment – Proposed Forestry Logging Camp Avola area
DL4043 - Avola**

West Fraser is proposing a forestry logging camp in the Avola area. The purpose of the proposed forestry logging camp is to support West Fraser’s forestry activities in the North Thompson. The table below summarize the proposed camp details. In addition, the attached shows the location of the proposed forestry logging camp. Given your district lot proximity you are being referred this proposal.

Proposed camp size	20-30 person camp
Purpose	Lodging for forestry activities such as harvesting, road building, silviculture, and planning.
Proposed site size	Approximately 1-2 ha
Expected commencement date	Fall 2022 or 2023
Expected operational use	Potentially year round, but mainly summer/fall with periodic winter/spring use.
Proposed structures	Mobile bunkhouse trailers (ATCO type camp), mess haul, support infrastructure and services (septic, well, power supply, etc)
Expected life span	Semi-permanent camp. Unknown at this time

Please respond in writing to us with any comments within 60 days of receiving this letter. If you have any questions or would like further information regarding this proposed forestry logging camp please do not hesitate to contact the undersigned.

Yours truly,

Rob Ballinger, RPF
Forestry Superintendent, South Cariboo Woodlands.
