

Equiplex 200 Boldenone Undecylenate

→ BUY ANABOLICS ONLINE ←

EQUIPLEX 200 is boldenone undecylenate, that was first produced as a veterinary injectable steroid. It is a derivative of testosterone, which exhibits strong anabolic and moderately androgenic properties. The undecylenate ester greatly extends the activity of the drug (the undecylenate ester is only one carbon atom longer than decanoate), so ...
