Meeting On Congregate Lodge Planned For 71 Perkins Street

The Charlestown Neighborhood Council's committees on Public Safety and Development will hold a joint meeting to discuss the Massachusetts Department of Mental Health's (DMH) plans to operate a congregate lodge for 14 clients

of their department at 71 Perkins Street in the Sullivan Square area. The meeting will take place on Thursday, November 10 at 7 p.m. at the Charlestown Working Theater, 442 Bunker Hill Street.

Co-chairmen Tom Cunha and Mel Stillman advise all residents of that area, as well as all concerned Charlestown residents, to attend the meeting with representatives of DMH to better understand the type of housing that will be provided for the mentally handicapped.

VOTE ON STATE ELECTION DAY TUESDAY, NOVEMBER 8

Registered voters will go to the polls on Tuesday, November 8 to cast their ballots in the State Election. Polling sites will be open from 7 a.m. to 8 p.m.

The location of polling places in Ward Two - Charlestown are:

Precinct 1 — Knights of Columbus Hall, 75 West School Street

Precinct 2 — Kent Community School, 50 Bunker Hill Street

Precinct 3 — The Bunker Hill Museum, 43 Monument Square (use Monument Avenue entrance)

Precinct 4 — Kent Community School, 50 Bunker Hill Street

Precinct 5 — Clarence R. Edwards School, Walker Street

Precinct 6 — Clarence R. Edwards School, Walker Street

Precinct 7 — Fire Station, Main and Bunker Hill Streets

On the ballot for President and Vice President will be Republican candidates Vice President George Bush and Senator Dan Quayle and Democratic candidates Governor Michael S. Dukakis and Senator Lloyd Bentsen. In addition, Lenora Fulani and Joyce Dattner from the New Alliance Party and Ron Paul and Andre Marrou from the Liber-

tarian Party are also candidates in this race.

There are contests for four offices on the ballot in this election. Incumbent Democrat Senator Edward M. Kennedy is being challenged by Republican Joseph D. Malone, Mary Fridley from the New Alliance Party and Freda Lee Nason, a Libertarian.

In the Eighth Congressional District, Democratic incumbent Joseph P. Kennedy II will face Republican Glenn W. Fiscus for that seat.

In the race for Governor's Councillor in the Sixth District, Democratic incumbent Joseph A. Langone III is facing a challenge from Republican Vincent J. Manganello.

Register of Deeds for Suffolk County has developed into a three-man fight as incumbent Paul R. Tierney, a Democrat, is challenged by Republican Brian R. Burke and Independent Hugh McCormack.

Precinct One, now part of the Third Suffolk District, will elect incumbent Salvatore F. DiMasi as their Representative, while Precincts Two through Seven will cast their votes in the Second Suffolk District for the re-election of Representative Richard A. Voke.

Variety Of Community Issues Come Before The Neighborhood Council

by Kathy Giordano

The Charlestown Neighborhood Council held its November meeting on Tuesday, November 1, at which time three organizations that were selected to participate on the council had their representatives seated as full council members.

Dan Kovacevic, president of the Charlestown Preservation Society, will represent the society. Ken Stone, co-chairman of the North Area Task Force, will represent the Task Force. Nancy Keyes will be the representative selected by the Charlestown Merchants Association. The remaining four organizations are expected to have their representatives seated at the December Council meeting.

• **71 Perkins Street - Department of Mental Health Congregate Lodging** — Jerry Morrissey, Director of the Metro Boston Region for the Department of Mental Health (DMH) informed the council that DMH had purchased property at 71 Perkins Street and will operate a licensed lodging house for 14 clients of the department at that site.

Morrissey stated that DMH intends to hold public meetings within the community to inform residents of the program that will be housed at that address. He further stated that the structure will be newly renovated and will consist of 14 separate bedrooms, six bathrooms, two kitchens and one common living and dining room space. The house will have 24-hour supervision with a one to seven staff/client ratio.

The meeting on this housing is scheduled for Thurs-

day, November 10 at 7 p.m. at the Charlestown Working Theater, 442 Bunker Hill Street. All interested residents, especially those who may be impacted by this program, are invited to attend.

• **Nancy Sales, 267 Medford Street** — Jeff Stonberg, owner and developer of 267 Medford Street, the former Nancy Sales building, was represented at the meeting by Attorney Dennis Kearney and consultant Charles Sample. Stonberg's plan is to operate a self-service storage facility at the location.

Kearney stated that Stonberg has been faced with many hurdles in developing the site. His original intention to develop housing was turned down due to the maritime zone requirements set for that area of Medford Street. Further investigation into possible uses of the building eliminated factory or warehouse uses due to the height of ceilings and undue stress to existing flooring that heavy machinery would create.

Kearney stated that the conversion of the facility into storage space for the general public would not cause an increase of traffic or parking problems in the area. He added that he would request permission from the community to erect signage on the roof that could be seen for a three-mile radius, especially by cars using the Tobin Bridge.

Council member John Lynch will schedule a meeting with all principals, including neighborhood residents. When the date and time of the meeting is known, it will be listed in the **Charlestown Patriot**.

• **Light Manufacturing Zone (LMZ)** — The council voted to accept the committee report on the LMZ. Ellie Spring from the Economic Development and Industrial Corporation (EDIC) stated that the Boston Redevelopment Authority (BRA) Board of Directors will hear EDIC's request for the zone at their November 10 meeting. Council Chairman Dennis Mc-

Laughlin will send a letter from the council to endorse the concept of the LMZ zone in Charlestown.

• **Chestnut Street** — Pat Rooney of Mount Vernon was spokesperson for residents of the area voicing their concern with the ongoing development taking place on Chestnut Street. In particular, questions have been raised regarding an eight foot high by six foot in diameter structure added to the roof of one of the buildings and when residents asked about it they were told that it was being built for fire fighting purposes. After looking at the architectural plans, residents noted that this addition was not included in the plans.

When other concerns were raised by the residents, it was decided to hold a public meeting with the contractor, architect, developer and city agencies that would be responsible for overseeing the development. This meeting will take place on Wednesday,

New England Aquarium Presentation Postponed

The presentation to the Charlestown Preservation Society by John Prescott, executive director of the New England Aquarium, on that organization's proposal to construct a new facility on Dry Dock Two in the Charlestown Navy Yard, originally scheduled for Sunday, November 6, has been postponed.

Society President Dan Kovacevic stated that he was notified by aquarium officials that visuals to be used with the presentation would not be ready by the meeting on Sunday.

However, the society will meet on Sunday, November 6 at 7:30 p.m. at the Baptist Church Hall, 5 Monument Square. Refreshments will be served and all are welcome.

Members and residents will be notified as to the date for the aquarium presentation.

Life Behind The Wall

by Ronan FitzPatrick

We have before work exercise and after work exercise that is all consuming to an amalgam of ages. The latest method of maintaining a proper cardiovascular system is exercising on your journey to the work place. That in and of itself is not all that unique, but the equipment might result in a few peculiar glances. Bicycle power has been introduced into the daily commute schedule on busy First Avenue, allowing the bicyclists to obtain an early morning health producing ride while skirting the traffic. Knowing how the bicycles are stored at the Shipways, I wonder what are the arrangements at the final destination. Locks are the only answer. To collapse same would require Mr. Goodwrench. Safe pedalling to this health conscious breed and may their trouser cuffs avoid the Tuttle's tailors.

☆☆☆☆

It wasn't objective Burma, but objective Bourne for "Townie" Bud Whelan. His purchases at the USS Constitution Museum were destined to Pocasset in the town of Bourne on the upper cape. Bud, his wife Kitty, and traveling companions Dan and Grace Campbell were obtaining souvenirs to present to Bud's sister, Peg Whelan Malloy, who resides year round in Pocasset. With purchases wrapped the foursome exited the museum and proceeded to the vehicle parked in front of the former Marine Barracks. To Bud's astonishment, the Marine flag was not flying. A combat veteran of the Korean War, Bud notated the void for a future note to the U.S. Park Service to entertain the notion of flying the Marine Flag. As they departed Gate 4, thoughts turned to a final social at Bud's and Kitty's Pocasset Heights Home. At their get away home, first impression is that you have arrived at Headquarters USMC. The only item missing is the Eighth and I Band from Washington, D.C. Sheer enjoyment was brought to Peg Malloy as she opened her Navy Yard trinkets. The closely knit family celebrated with gusto. Bud had an inquiry from his niece Mary about the availability of golf in the Yard. His reply, "Not even miniature." An avid golfer, Mary departed to the local course, leaving the rest to conclude the festivities.

☆☆☆☆

He appeared concerned, but not distraught. Shipways resident Bob Conti was awaiting his departure to Logan for the arrival of his wife returning from Atlantic City. A late flight from the New Jersey gambling mecca added to Bob's consternation. All his fears were assuaged when informed that his wife, who he was now calling my dearest, had mastered a technique that yielded a successful junket. Her success was predicated on her unit number 42 and the Charlestown exchange 24, a winning combination that proved victorious at the tables. A triumphal party was planned for the weekend at an unannounced site, as the Conti's kept rolling along.

☆☆☆☆

Condolences to the family of William Ellison, late of Duxbury, who was a benevolent supporter of Charlestown causes. A graduate of Harvard College in 1927, where he played varsity football and baseball and capped his sports career as captain in his senior year of the hockey team. He was a remarkable man who enlisted in the Navy in 1942 when he was 38 years of age, a most dedicated supporter of the USS Constitution Museum and the Boys and Girls Camps of Boston. An avid sailor and outdoorsman, William was also a trustee of the New England Aquarium. His goal of aquarium expansion hopefully will become a reality at Dry Dock 2 in the Yard.

☆☆☆☆

Announcements at the Barkan's Group Anchorage office range from the new appointment of Superintendent Andrew Rivert to the forthcoming Christmas party to be held in their spacious lounge. Director Barbara Lane is moving the complex in a positive fashion.

☆☆☆☆

Excitement was bounding as the Maritime Explorer docked at Pier 8. A 166-foot salvaging vessel that returned valuable artifacts from the wreckage of the Whydah, its crew looks forward to researching the Fort Point Channel for the lacquered chests thrown overboard at the Boston Tea Party on December 16, 1773. Its director Barry Clifford entertains a museum in the area to recapture maritime history in New England. No stranger to the Yard, Barry, working with resident Terry Conroy, made a proposal for the Custom House Towers. Although unsuccessful at that location, considerable enthusiasm has surfaced in the jurisdiction of the BRA's Navy Yard acreage. Maybe Building 104 on First Avenue would serve the needs of Barry and his project. Much has to be undertaken; but the process should advance, ultimately blending with the wealth of treasurers presently existing in the region.

A Christmas Party for Charlestown Seniors, sponsored by the Charlestown Community Schools and the Bank of New England will be held on Thursday, December 8 between 1 and 5 p.m. at the Knights of Columbus Hall, 75 West School Street, Charlestown.

Children's Films

The Film Program for Children will be presented at the Charlestown Branch Library, 179 Main Street on Tuesday, November 8 at 10:30 a.m. and 3:30 p.m.

The features will be "The Clowns," the story of how a clown's performance is disrupted by a troublesome prop; a pocketed pet frog causes a scene at a restaurant in "The Frog Goes To Dinner;" and in "Double Dribble," discover what will save the game for Goofy and his nephew, Meri-thew.

"Winnie The Pooh And The Honey Tree," which will be shown at 3:30 p.m. only, is the story of a search for sweet stuff that sends Pooh into some sticky situations.

The suggested readings in conjunction with these films are: *The House at Pooh Corner* by A.A. Milne, *How to Star in Basketball* by Herman L. Masin and *Frog and Toad Together* by Arnold Lobel.

BALLOT QUESTIONS

There are several ballot questions that voters will be asked to act upon in next Tuesday's election. The first four questions will appear on the ballot in each of Charlestown's seven precincts. Question Five will be on the ballot in precincts two through seven.

Question One is a Referendum Petition. The legislature has already passed this law, but citizens have obtained the required number of signatures to place the law on the ballot for voter approval or disapproval. If at least as many voters vote "no" as "yes" on this question and if at least 30 percent of those voting in the election vote "no," this law will be repealed. Otherwise, it will remain in effect.

Questions Two through Four are Initiative Petitions for a Law proposed by citizens who have obtained the required number of signatures to place the law on the ballot. If such a measure receives more "yes" votes than "no" votes, and also receives "yes" votes from at least 30 percent of those voting in the election, it will become law.

QUESTION 1

REFERENDUM PETITION ON AN EXISTING LAW

Increased Salaries For Certain State Officials

Do you approve of a law summarized below, which was approved by the House of Representatives on May 20, 1987, by a vote of 93-58, and approved by the Senate on May 20, 1987, by a vote of 31-8?

Summary

The law provides a salary increase, effective January 7, 1987, for the members of the legislature and certain constitutional officers of the Commonwealth.

Beginning at a base salary of \$30,000, each member of the legislature will receive a salary increase under the law equal to the compounded percentage increase in the salaries of full-time state employees who are subject to collective bargaining agreements between the Commonwealth and the ALLIANCE, AFSCME-SEIU, AFL-CIO in effect between January 5, 1983 and January 7, 1987. Thereafter the salaries of each member of the legislature will be increased by the same percentages as the salaries of full-time state employees subject to the collective bargaining agreements.

The law further provides that members of the legislature holding leadership positions and committee chairmanships will receive an annual sum in addition to their salary. This additional amount will vary from \$7,500 to \$35,000 depending upon the particular position the member holds.

The law also increases the salaries of certain constitutional officers. Under the law the salary of the governor is set at \$85,000; the salaries of the lieutenant governor, state secretary, state treasurer and the state auditor are set at \$70,000; and the salary of the attorney general is set at \$75,000.

Any individual may waive his or her salary increase under this law. Any amount so waived shall not be deemed regular compensation for the purposes of computing any such person's benefits and shall be exempt from state taxation.

A YES vote would approve the law that increased the salaries of certain state officials.

A NO vote would repeal the law that increased the salaries of these officials.

QUESTION 2

LAW PROMISED BY INITIATIVE PETITION

Repealing The Prevailing Wage Law

Do you approve of a law summarized below, which was

CHARLESTOWN DELIVERY SERVICE

will pick up people and things, etc. \$1.00 a stop in Charlestown. Out-of-town fees arranged. At Community College walkway or watch for our delivery limo in Charlestown. NO WAITING.

disapproved by the House of Representatives on May 3, 1988, by a vote of 24-123, and on which no vote was taken by the Senate before May 4, 1988?

Summary

The proposed law would repeal state law requiring that the wages, including payments to health and welfare plans, paid to persons employed in the construction of public works be no less than the wages paid locally under existing collective bargaining agreements and understandings, or by the municipality, for the same kind of work. Under the proposed law, the Commissioner of Labor and Industries would no longer set wage rates for such work or classify jobs.

The proposed law would also remove the Commission of Labor and Industries' authority to set the wage rates of employees of contractors who move office furniture and fixtures for the state or a county, city, town or district, and remove the Commissioner's authority to set the wage rates of operators of vehicles and other equipment engaged in public works.

The proposed law would not change the way wages are set for laborers employed by the state Department of Public Works and the Metropolitan District Commission.

A YES vote would repeal the prevailing wage law, which requires the state to set wage rates for certain employees of private contractors doing work for the state or local government.

A NO vote would continue the prevailing wage law, which requires the state to set wage rates for these employees.

QUESTION 3

LAW PROPOSED BY INITIATIVE PETITION

Regulating Treatment Of Farm Animals

Do you approve of a law summarized below, which was disapproved by the House of Representatives on May 2, 1988, by a vote of 2-150, and disapproved by the Senate on May 3, 1988, by a vote of 0-34?

Summary

The proposed law would require the Commissioner of the Department of Food and Agriculture to issue regulations to ensure that farm animals are maintained in good health and that cruel or inhumane practices are not used in the raising, handling or transportation of farm animals.

The Commissioner would issue regulations, effective within four years after passage of the proposed law, about the surgical procedures used on farm animals, the transportation and slaughter of farm animals, and the diet and housing of those animals. The Director of the Division of Animal Health could issue exemption permits for a period of time up to one year and one half to any farmer.

Under the proposed measure, an unpaid Scientific Advisory Board on Farm Animal Welfare comprised of veterinarians and animal scientists would also be established within the Department of Food and Agriculture. The Board would examine animal agricultural practices, and make non-binding recommendations to the Commissioner about specific regulations. If appropriated by the legislature, the Board may allocate an annual sum of not more than ten cents per Massachusetts citizen to assist farmers in adopting methods which are consistent with the purposes of this law.

The Director of the Division of Animal Health would be responsible for enforcing regulations issued as a result of this proposed law. Persons who violate the new law would be punished by a fine of up to \$1,000.

A YES vote would require new state regulations concerning treatment of farm animals, and would establish a Scientific Advisory Board on Farm Animal Welfare.

A NO vote would not require new state regulations concerning treatment of farm animals, and would not establish the proposed Advisory Board.

QUESTION 4

LAW PROPOSED BY INITIATIVE PETITION

Stopping Electric Power Plants That Produce Nuclear Waste

Do you approve of a law summarized below, upon which no vote was taken by the House of Representatives or by the Senate before May 4, 1988?

Summary

The law proposed would provide that, after July 4, 1989, there shall be no further generation of electric power by commercial nuclear power plants in the Commonwealth by means which result in the production of nuclear waste.

A YES vote would stop electric power generation by commercial nuclear power plants by means that produce nuclear waste, after July 4, 1989.

A NO vote would not stop electric power generation by commercial nuclear power plants by means that produce nuclear waste.

QUESTION 5

THIS QUESTION IS NON-BINDING

In the Second Suffolk Representative District

Establishment Of A State Holiday In Honor Of The Late President John F. Kennedy

Shall the Representative from this district be instructed to vote in favor of legislation that would establish a state holiday in honor of the late President John F. Kennedy to be observed on the day of the state election held in November in every even-numbered year?

Over 3,000 Massachusetts Scientists and Engineers Urge a NO vote on 4

“Ballot Question 4 would permanently shut down the generation of electric power by existing Massachusetts’ nuclear electricity plants.

It is an important issue. Nuclear energy supplies 33% of our region’s electricity. Our state’s nuclear electricity plants alone provide nearly 20% of our in-state power supply.

Of course, the issue goes beyond the threat of electricity shortages, and economic consequences.

It is important to consider the complex scientific questions involved, including the adverse environmental and health effects

of the likely replacements to nuclear energy – oil and coal.

When looking at the scientific issues, please consider the views of my colleagues in Massachusetts’ scientific community, who overwhelmingly recommend a No vote on Question 4.

– Thank you.”

Boys Club Alumni Planning Reunion

MEMBERS of the Chef Club of the Charlestown Boys Club in the early 1960s under the direction of Tom Pappas, display their creations. Former Boys Club members are be-

ing sought for an Alumni Reunion on January 14. For more information, call the Clubhouse at 242-1775.

by Charlie McGonagle

On Saturday evening, January 14, the Boys and Girls Club Board of Directors Alumni Committee, headed by Pat Sweeney, will hold a reunion of former Boys Club members at the recently renovated Boys and Girls Club Teen Center on High Street.

The main purpose of this reunion is to bring old friends together in a familiar atmosphere so that they may see, first hand, what the Boys and Girls Club of today has to offer the young people of the community.

A buffet dinner, dancing, and a cash bar will all be in-

cluded as part of the evening's program.

Presently the Alumni Committee is seeking to contact former members in order to provide them with complete information concerning the reunion. A call to the director's office at the club (242-1775) with this information would be a tre-

mendous help.

There are very few of us who did not benefit in one way or another from the Boys Club during our younger years. Put the evening of January 14 aside to return, even if just for a few hours, to those memorable days.

Columbus High To Hold Open House

Christopher Columbus High School will hold an open house on Sunday, November 6, from 1 to 4 p.m. The school is coeducational and part of the Archdiocesan Central Catholic School System. Columbus is located in the North End of Boston and is easily

accessible by MBTA.

For the past 43 years, Columbus had offered a solid academic and spiritual program to students from a variety of communities in and around Boston.

Model programs have always been part of Columbus' tradition and current-

ly the school has four model programs which other schools in the Boston area, the state and nation are looking at and copying.

The newest program is the Activity Period. Since many students work after school or are involved in activities in their own neighborhoods, Principal Barry Cahill developed an activity program so that no student needs to miss out on an important part of their high school educational experience.

For example, on Monday, a student can select to attend the Student Council, year book, astronomy club, or other activity or go to one of the computer labs, to the library for study and research or simply take a quiet study during the activity time. Each day the activities change so that students can participate in a variety of things. Some of the activities are Science Club, Art Club, SAT preparation, Math Club, Chess Club, Photography, Drama, Peace Festival, National Honor Society, etc.

In addition to the activity period, there is a sports program for young men (basketball, hockey, baseball) and young women (volleyball, basketball, softball, cheerleading) as well as intramurals and a weightlifting program.

The second program is called Bioethics and is taught in conjunction with sophomore biology. The object of this program is to help each student form a correct conscience using scientific facts and sound moral principles on questions they have on many biological issues. The program is taught by a science instructor and another person who has a solid background in adolescent psychology and religion.

The third model program is on AIDS and is open to all students. This important topic cannot be overlooked. Current issues and factual information are given to students in science and religion classes.

The fourth model program consists of computer labs. There are two fully equipped computer labs: one consists of Apple //es and the other of Macintosh computers. The students in their sophomore, junior and senior years are trained on these computers and their programs so that they can become proficient in their use.

All students take a college preparatory course which will enable them to go on to college, if they choose, or to begin a career. The faculty is experienced (average teacher has eight or more years teaching) has degrees (bachelors, masters, doctorate) and is concerned about bringing out the best in each student.

The entrance exam for freshmen will be given Saturday, December 10 at 8:30 a.m. Students can register for the test at Columbus. Information about the school, its program and admission is available by calling 742-2626 and asking for an Admissions Kit. Please call any school day.

FAMILY NIGHT

Wednesday, November 9 is Family Night at the Boys and Girls Club. This is a chance for the whole family to get together for a night of fun and activity. There will be activities happening throughout the different program areas in the clubhouse and we encourage everyone to dress informally and come prepared to participate. In the student center there will be our own version of "Family Fued" and in the computer center there will be a chance to try out computer skills or to learn a few new ones. The pool will have a "Splash Party," so bring your bathing suits. In the Games Room you'll have a chance to play "Steal the Bacon." Also in the Games Room, as part of our Drug Awareness Week, the Boston Police Department's Drug Control Unit will have a display with informational materials... take advantage of this opportunity to learn more about the drug problem in our community. Finally, for those of you who are more spectator oriented, our In-House Floor Hockey League will be in action in the gym and you're sure to see some exciting games. When you're ready to relax after all this activity, stop by and see our refurbished Teen Center and its adjoining Lob Cabin Room. We think this night will be fun for everyone and we hope as many families as possible will take us up on our invitation to come and play as a family. See you there!

DRUG AWARENESS WEEK

November 7 to 12 is Drug Awareness Week at the club. Each day of the week there will be a film, presentation or activity that helps to inform our club members about the dangers of substance abuse. By participating in the various activities, club members ages 6 to 12 earn admission into a dance Friday night in the Games Room. There will also be activities and informational workshops for our teens and all parents and a Friday night dance for the teens as well. We feel the information and activities this week will help our club members face the challenge of drug and alcohol abuse in our community and help them make some of the difficult decisions they face in the years ahead. For more information on our Drug Awareness Week, see the accompanying article in this week's Patriot.

SWIM TEAM

The "Townies" swim team has their first meet this Friday, November 4 at 6 p.m. at the Community Schools Pool on Medford Street. There are over 100 members on this year's team and we expect it to be a very successful season.

FLOOR HOCKEY

Our 13-and-Under Floor Hockey Team plays Billelica on Thursday, November 3 at 4 p.m. in the High Street gym. Everyone is welcome to come and give the team some support.

MUSEUM OF FINE ARTS

Ten club members are taking part in a three session workshop run by the Museum of Fine Arts. During the first class, oil paints will be used to paint on canvas. This class will take place at the clubhouse on Wednesday, November 16. On November 23 and December 7, club members will visit the Museum where they will go into the galleries to study portraits after which they will dress-up like the portraits and draw each others portraits. Taking part in this workshop will be Jennifer Ray, Jim Garvey, John Garvey, Linda Rizzo, Vicki Pinder, Christine Rubino, Charise Hanley, Jackie Kelly, Eddie Donahue and Jeffery Andrea.

THANKS

To everyone who supported our Comedy Night fund raiser. The comedians were unbelievable and everyone had a great time as they supported the activities and programs here at the Boys and Girls Club. We are certain to continue this as an annual event.

CONGRATULATIONS

To Gloria Conway from all the staff, board and members of the Club for your recognition at the ABCD Annual Dinner. You have always been a special friend not just to the Boys and Girls Club but to the whole Charlestown community and it's great to see you receive a little recognition for all you have done to help all of us. Thanks.

BIRTH PREVENTION WORKSHOP

Teen members are encouraged to attend a Birth Prevention Workshop which is being hosted by the Nashua, New Hampshire Boys Club. This workshop will be held this Friday evening, November 4 at Nashua. Anyone interested may contact the staff at the Teen Center. Transportation will be provided.

Drug Awareness Week At The Charlestown Boys And Girls Club

The Charlestown Boys and Girls Club announces its Drug Awareness Week to be held November 7 to 12. The purpose of this week is to further inform our club members of the dangers of drug and alcohol abuse and to help them develop strategies for dealing with peer pressure around these issues. The programs planned for this week also offer opportunities for parents to participate and learn more about the drug problem in our community.

EVENTS AND ACTIVITIES

TUESDAY, NOVEMBER 8

- **Games Room, 3:30 p.m. - Stand Up For Yourself**
This workshop uses real life situations to teach young people ways to say no to street drugs, cigarettes and alcohol and still keep their friends. There will also be a short video starring McGruff the Crime Dog.
- **Teen Center, 7:00 p.m. - The Invisible Line**
This drama centers on cocaine addiction and is the story of a teenager who very typically started drinking beer, advanced to pot, then pills and finally cocaine. Members from the Charlestown community who have been affected by the devastating effects of alcohol and drug abuse will relate their experiences to the teens.

WEDNESDAY, NOVEMBER 9

- **Games Room, 3:30 p.m. - Get The Message**
This film teaches children how to analyze the mixed messages they receive from parents, peers, media idols and advertising campaigns. On this night, during Family Night, Boston police officers will be in the Games Room with an exhibit and will be available to answer any questions that

kids or parents may have.

- **Teen Center, 7:00 p.m. - Friday Night: Five**
This unique film deals with alcohol, the number one substance abused by our adolescents, and demonstrates the difference between social drinkers who misuse alcohol and those that have begun the process of addiction.

THURSDAY, NOVEMBER 10

- **Games Room, 3:30 p.m. and Teen Center, 7:00 p.m.**
Guest speaker Bob Wiggins from Narconon Drug Education Program will conduct two sessions designed not to preach about drugs but just to inform the young people of the facts.

FRIDAY, NOVEMBER 11

- **Games Room, 3:30 p.m. - All The Kids Do It**
Starring Scott Baio, this film dramatizes the dangers of drinking and driving from a teen point of view.
- **"Say NO To Drugs Dance" - 6:00 p.m.**
Admission to this dance is free to every member who has participated in the Drug Awareness Week activities. Members will receive a card at the beginning of the week and each time they attend a film or workshop they will receive a stamp on their card. Three stamps and they are in the dance!
- **Teen Dance - 8:30 to 11:30 p.m., Teen Center**
Admission will be charged and a DJ will provide musical entertainment. This dance will provide a safe, healthy and supervised environment where the teens can associate with friends and enjoy themselves on a Friday night, drug and alcohol free.

SATURDAY, NOVEMBER 12

- **Teen Center - 10:00 a.m. to 12:00 noon**
"Sons and Daughters, Drugs and Booze"
Parents encouraged to drop their kids off at the club and join us for coffee, donuts and discussion. This is a two-hour program designed just for parents. The intent is to help parents understand why teens experiment with alcohol and other drugs, how to recognize if their child is using and to give them places to go for help. The film, "Sons and Daughters, Drugs and Booze" uses scenes from everyday life and offers advice to parents whose children may begin to use alcohol and other drugs.

Joining us for this program will be Terri Titcomb, co-chair of Charlestown Against Drugs. This Charlestown resident has become very involved in the fight against drugs and her insight and experience will be very valuable to those attending.

Charlestown Community Gardeners And Friends To Meet

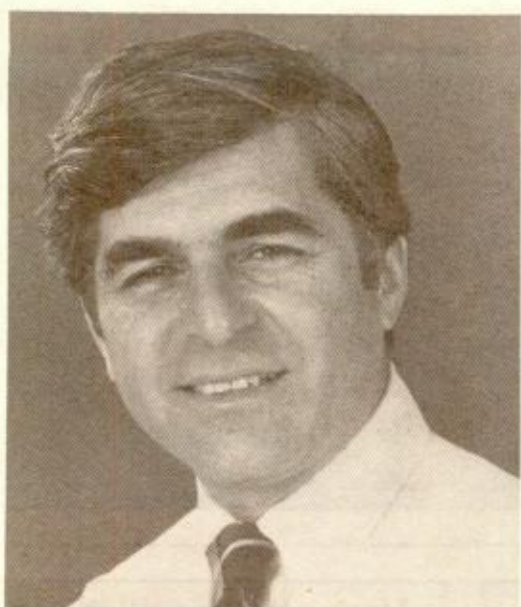

There will be a meeting of the gardeners and friends of the Charlestown Community Gardens on Thursday, November 17 at 7 p.m. at the Mary Colbert Apartments, 20 Devens Street.

The meeting will concern a fence for the garden and

also to celebrate winning first prize in the Massachusetts Horticultural Society's Community Garden Contest.

Italian Night Dinner Dance

The faculty and staff of Saint Francis de Sales School will present an "Italian Night Dinner Dance" on Friday, November 4 at 8 p.m. in Bishop Lawton Hall, Saint Francis de Sales Church, 313 Bunker Hill Street. Music will be by the DJ Connection. This event will benefit the school.

Congressman Joe Kennedy is working hard for all of us.

FOR THE 8th DISTRICT

- ★ Sponsored and enacted into law an amendment to last year's Housing Authorization Act which preserved over 7,000 units of affordable housing in the 8th District and over 600,000 nationwide.
- ★ Conducted community meetings attended by over 2,000 people across the district. In his first term, Congressman Kennedy's office has responded to over 4,000 requests for assistance on problems ranging from health care and social security to immigration and sound-proofing of homes near the airport.
- ★ Saved 700 jobs and a \$19 million payroll at the Watertown Army Labs (Arsenal).

FOR OUR COUNTRY

- ★ Introduced the Community Housing Partnership Act and was primary sponsor of the Affordable Permanent Housing for the Homeless Act.
- ★ Saved \$85 million in funding for emergency shelters and soup kitchens for the homeless.
- ★ Supported increased health care benefits for the elderly through the Medicare Catastrophic Protection Act and the Medicare Long-Term Home Health Care bill.

FOR HUMAN RIGHTS

- ★ Opposed all forms of aid to Contra forces in Central America, opposed military aid to Guatemala, and sponsored amendment to Foreign Aid Bill condemning civil rights violations in El Salvador.
- ★ Co-sponsored bill to ban all investments in and all trade with South Africa.
- ★ Visited Northern Ireland and passed a congressional initiative prohibiting discrimination in hiring practices by companies in Northern Ireland working on U.S. defense contracts.

Development Committee To Meet On Chestnut Street Housing

The Charlestown Neighborhood Council's Development Committee will hold a meeting on Wednesday, November 9 at the Bunker Hill Museum (low-

er hall), 43 Monument Square at 7 p.m. to discuss the concerns of residents of the Mount Vernon and Chestnut Street area on the construction taking place

on the former American Legion Post site on Chestnut Street.

Council Vice Chairman Bill Galvin will moderate the meeting at which time the developer, architect and representatives of various city departments responsible for overseeing the development, will be asked to address the neighborhood's concerns.

All are welcome to attend.

Hartigan Saves Life Of Choking Woman

Charlestown resident John Hartigan, an employee of John Hancock, was having lunch recently at the company's cafeteria when a fellow employee began choking on a piece of meat. Hartigan rushed to her aid and instituting the Heimlich maneuver was able to dislodge the food in her throat.

Hartigan stated that the woman's face was blue and it took him several attempts to dislodge the piece of meat. He said that he had instruction in the application of the Heimlich maneuver some years ago but never had the occasion to apply it until that day. He noted, "Fortunately, my training all came back to me in those few moments."

The John Hancock company honored Hartigan with a special award plaque, which was presented by the woman whose life he saved, along with a \$200 bonus for his efforts.

Hartigan has been active over the years at the three Catholic parishes in Char-

lestown. He is a Past Commander of Bunker Hill Post 26, The American Legion, and serves on the Post Executive Board.

Winner At Tiny Tots Pageant

Jessica Ann Grace, daughter of Mr. and Mrs. Edward Grace of 15 Auburn Street, Charlestown, placed third runner-up in the Little Miss Division of America's Tiny Tots. The pageant was held on October 23 at

Best Western Hotel in Waltham. Jessica was judged on her facial expressions, disposition and natural beauty.

Jessica is also registered with Cameo Kids Talent and Model Agency.

THE MAIN STREET TOWNHOUSES

The Main Street

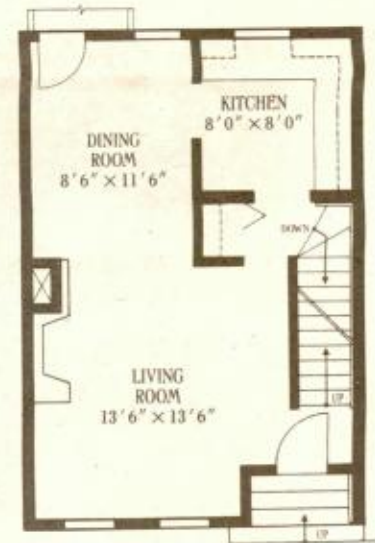

Townhouses combine the beauty of the traditional rowhouse with the freshness of new construction. The houses are efficiently laid out and the interiors are filled with light and tasteful detail.

The Main Street Townhouses are a first for Charlestown in this century. They are built to look like the rest of the neighborhood's houses. And they are houses, not condominiums. The private parking spaces and fenced yards on each lot are prized additions to these homes. These new homes will have lasting value.

Variety Of Community Issues Come Before The Neighborhood Council

(continued from page 3)

November 9 at 7 p.m. at the Bunker Hill Museum (lower hall), 43 Monument Square. Council Vice Chairman Bill Galvin will chair the meeting.

• **Allston Street** — A proposal to change the direction of traffic on Allston to one way from Bunker Hill to Medford Streets was brought to the attention of the council by Wally Southern, an Allston Street resident. He stated that all the residents of Allston Street had signed a petition re-

questing the change in direction and had forwarded the petition to the Transportation Department.

Judy Evers, Charlestown liaison from the Mayor's Office of Neighborhood Services, stated that the Transportation Department was waiting for the Neighborhood Council to address the issue through an open forum.

Chairman McLaughlin referred to a similar request made by the residents of Monument Avenue who held public meetings with all concerned parties. Mc-

Laughlin stated that the impact of such a change would affect more than Allston Street and that residents should be allowed to voice their opinions.

A meeting on the matter will be scheduled by council member John Lynch. When a place and time has been set up, it will be published in the **Charlestown Patriot**.

• **New England Aquarium** — Council member Tom Cunha suggested that the new Charlestown Community Cable Corporation prepare a film for Cable TV that would present the New England Aquarium's plans to move into the Charlestown Navy Yard to the residents of Charlestown.

He suggested that John Prescott, director of the aquarium and Ed Roche, director of Harborpark for the BRA, make a presentation to be shown on Cable TV so that all residents of Charlestown who might not have a chance to get to the meetings being scheduled in the community, be fully informed on the issue.

McLaughlin suggested that council member Bill Galvin look into this prospect. Galvin stated that he thought it would be an excellent idea and would make the contacts necessary to set it up.

Galvin also suggested that if any residents had questions or concerns regarding the New England Aquarium's possible move into Dry Dock Two in the Charlestown Navy Yard, they could address them to: Charlestown Community Cable Corporation (CC-CC), P.O. Box 125, Char-

lestown, MA 02129. These concerns will be directed to either Prescott or Roche when the Cable film was being produced.

• **Mitigation Committee** — The subject of mitigation with the Massachusetts Water Resources Authority (MWRA) was discussed. The focus pertained to money that might be allocated to the Kennedy Center to help them rebuild the Headstart Program building at Hayes Square.

The Kennedy Center was requesting a loan from the BRA with the mitigation money as collateral. Council member Tom Cunha was concerned with this loan proposal noting that the council does not know the amount of money, if any, that might be realized through the mitigation process. Cunha stated that he would not like to see all the money being committed to one party, no matter how deserving they might be, with the residents most impacted by the project left without any compensation.

Council members also discussed the status of the mitigation process. They felt that more public hearings on the process were needed and a full report on all previous meetings must be made.

It was also noted that the former chairman of the Mitigation Committee took this post as the vice-chairman of the council. It was voted that this position should now go to the newly elected vice-chairman Bill Galvin. This motion was approved by a vote of the council members present.

• **Walker And High Streets** — Council member Tom Cunha requested an update on the process of the planned development of the vacant buildings at the corner of Walker and High Streets, noting that the council had approved the development last February.

Cunha further stated that residents of the area were very concerned at the possible fire hazard that the building creates in their neighborhood, not to mention health hazards due to roaches and rats coming

from the empty structure.

Dave Armenetti, BRA special assistant, noted that the parcel had come before the BRA Board and was being delayed due to the parking provisions made by the developer for the building. He stated that although the developer had met with unforeseen difficulties, it is expected that final designation should be given in the near future.

The next scheduled council meeting will take place on Tuesday, December 6.

Not For Nothin' . . . But Have You Heard . . .

• **Last Week's Question** . . . was an easy one. Many calls were received with the correct answer. The Ralph Smith Company was located at 67 Bunker Hill Street . . . here's one that might get you guessing . . . where was JOE'S LUNCH?

• **Street Cleaning** . . . is still taking place on all posted streets. The last day for street cleaning is scheduled for Tuesday, November 15. Until then, watch out for those tickets!!!

• **Update** . . . According to Joe Canavan of the Public Works Department, the Forty Flights will be made "safe and usable" within the next seven to 10 days. A complete reconstruction of the steps will take place in the spring.

• **Cancelled** . . . Saint Mary's Bingo has been cancelled due to the low turnout during its short reappearance. There will be no game as of this week.

• **Food Drive Coming** . . . get those canned goods together. Watch for all the details!

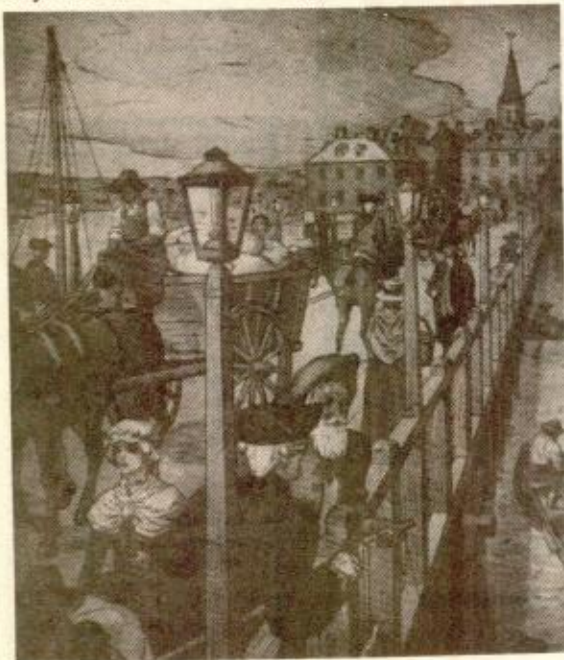

• **Clothing Drive** . . . Heard that many of you are piling up those warm winter clothes just waiting for November 19! For all those procrastinators — there's still time! Look through those closets and bureau drawers, folks — there's got to be something you won't wear again that can be put to good use at the Long Island Hospital! Call 242-4795 after 6 p.m. and arrangements will be made to pick up the items if you can't get down to Saint Mary's Parish Hall on the 19th.

• **Congratulations** . . . to retiring building superintendent at the Constitution Cooperative Apartments. We wish you well, Randy! Hope you have many years of happy retirement.

• **Word Has It** . . . that all applicants for the affordable housing at the Main Street Townhouses will be receiving notice on the lottery within the next few weeks. Stay tuned for details . . . and Good Luck!

• **It's A Girl** . . . born to Kevin and Lori O'Halloran on Sunday, October 30th at 3 p.m. Welcome, Molly Ann and best wishes to the proud parents!!!

• **The Good Ol' Days** . . . when walking the bridge into Boston was a pleasure — not the drudge it is today with all the work taking place in that area . . .

Shown is the first bridge that connected Boston with the mainland known as the "Charles River Bridge." It connected the old ferry landing to Charlestown and was completed in 1786. Communications between Boston and surrounding towns up to that time was possible only by road over the neck and by ferry. . . . Is history repeating itself????

Charlestown Pride played
a "home and home" series

with the Tynan Commu-
nity School of South Boston
this past week and the result
was a two-point loss to Sou-

Charlestown Pride Splits With Tynan Martell, Connell Spark Win!

thie, but a nine-point win at
home.

In South Boston, Char-
lestown gave another one
away as the Tynan won in
the final minute. Surpris-
ingly, lack of offense and
seven turnovers in the final
minutes was the difference
between a "W" and an
"L." Simply put, Charles-
town stopped playing, they
didn't.

At home, all the winning

ingredients were back. Bal-
anced scoring, rebounding
on both ends of the court
plus a lot more intensity put
us back on the winning
track. We played the way
we can, and we didn't stop
playing.

Danny Martell, a senior
at Don Bosco, played his
best game of the season. He
picked off some big re-
bounds, got a lot of assists
and scored a game high of
14.

Mike Connell, who
hopes to make the varsity
squad at Malden Catholic,
had 15 points, eight of
which came in the first half.
Steve Power, a sophomore
at Don Bosco, had an ex-
cellent game and is really
becoming more basketball
mature with each and every
game. When Don Bosco's
basketball tryouts begin,
Steve will be a very plea-
sant surprise.

Rounding out the scoring

for Charlestown was Roger
Britton (Umana Tech) with
12, Derek Gallagher (Don
Bosco) with eight, and Bil-
ly Hayes (Malden Catholic)
with 11. Steve Fabiano (St.
Clement's) was on the in-
jured list.

From the coach's view-
point, I'm beginning to see
a lot of the little things that
make a good team great
starting to develop and we
are having some fun.

Mayor's Team Squeaks By The Blue Devils

Testa and a few others tra-
velled across the bridge
from City Hall to take on
the 1987 Gold Medal win-
ning Special Olympic
Team, the Blue Devils.
They expected a workout.
They got a war.

From the opening face-
off, the action was non-stop
and extremely fast-paced.
Both teams raced end-to-
end in a blur of movement
and great goaltending. Blue
Devils goaltender Ellen
Brugman was sensational as
she kicked out shot after
shot, keeping the City Hall-
ers off the board. Her coun-
terpart Mike "Too-Tough"
Testa was equally proficient

as he handled everything
they shot at him.

At 6:03 of the first per-
iod, Charlestown's own
Leaping Leo Boucher sent
a wrist shot into the right
hand corner of the net. That
goal was quickly followed
by a tip in by the Hot Dog
King Chuck Famolare, put-
ting the Flynn Team up 2-0.
As the first period was win-
ding down, Jarring John
Lynch, of B.C. and Charles-
town fame, beat Brugman
on a breakaway for a 3-0
lead.

Whatever Coach Carol
Resnick told her troops be-
tween periods should be
bottled and sent to Foxboro.
The Devils came out flying.
The line of John Nargi,
George DeCraca and Ron-
nie Dunn was almost un-
stoppable. Defensively
Ricky Frye and Patti
Downs held down the fort.
Before the large crowd
could blink, John Nargi
scored on a great individual
move, George DeCraca fol-
lowed from in front, mak-
ing it 3-2. Before the May-
or's Team could regroup
Nargi, tied it at three with
a great wrist shot. Former
Patriot Tim Fox snuck one
by Brugman with 14 se-
conds left, putting the
Flynn Team back on top
4-3.

The best was yet to come.
The third period was a clas-
sic and had the large crowd
totally spent at the final
buzzer. The Mayor's Team,
on orders from their coach
Brian Wallace, tried to put
the Olympians away early.
Tim Fox scored again at the
31-second mark followed by
Leo Boucher and Chuck
Famolare, making the score
7-3 in favor of the Mayor's
Team.

With less than three min-
utes to play, Coach Resnick
sent out her scoring line,
and they did it. Nargi, on a
breakaway, got his hat trick.
Ronnie Dunn scored from
the side of the net making
it 7-5. As the crowd roared,
DeCraca beat Testa and
pulled his team to within
one goal at 7-6. The May-
or's squad showed what
they were made of as Jar-
ring John Lynch popped in
his second goal and an 8-6
lead with less than a minute
left. Nargi was not through
yet as he made a floor
length rush at the buzzer
and deposited his fourth
goal of the night. Too little
too late as the Mayor's
Team limped away with a
hard earned 8-7 victory.

The real winners, how-
ever, were the Massachu-
setts Special Olympic
Hockey Program who made
over \$600 on this benefit
game. Thanks are extended
to all who donated and to
Dave Martell for his help.
Wait till the rematch!

MATT O'NEIL SENIOR HOCKEY LEAGUE

Candidates About To Zero In On Man-ly Cup, Starting November 14!

by Bernie "Scoop" Kelly

The official word filtering out of the MDC headquarters indicates that the Charlestown Rink will officially open on November 13. This will surely be to the delight of all concerned local organizations! It is good news for the Senior Hockey League whose candidates are biting at the bit to challenge last year's Man-ly Cup Champions, thrust out the former league leaders, recapture the "Cup" and establish new leadership in the Senior Hockey League!

The first league 1988-89 season double-header will take place on Monday, November 14 at 8 p.m. The scheduled games and times are posted in the league schedule which appears in this week's Patriot. Be sure to cut it out and post it on your fridge. Below you will find the list of teams and players who enrolled during our open enrollment period!

Post Offices Closed On Veterans Day

Area residents are advised that all post offices will be closed and there will be no regular mail delivery on Friday, November 11 in observance of the Veterans Day holiday.

In keeping with postal policy, Special Delivery and Express Mail will be delivered on the holiday. Collection boxes will be picked up according to holiday collection schedules.

Postal customers are reminded that 24-hour ser-

vice, seven days a week, is available at the Self-Service Postal Center located in the lobby of the Boston General Mail Facility, 25 Dorchester Avenue, Boston.

On Saturday, November 12, post offices will operate on their regular Saturday schedules and delivery and collection service will be provided.

Annual Veterans Day Memorial Mass

Bunker Hill Post 26, The American Legion, extends an invitation to residents of Charlestown to join them for their Annual Veterans Day Memorial Mass honoring all the departed members of the post and for veterans of all conflicts who have answered the final call. It will be held on Sun-

day, November 13, at 10 a.m. at Saint Francis de Sales Church, 313 Bunker Hill Street.

A collation will be served immediately after the service in the Bishop Lawton Hall which is located right under the main church.

Strong Charlestown Support For Prevailing Wage

SENATOR FRANCIS D. DORIS joined residents recently in City Square to urge motorists to "Vote No On Question

2," which calls for the repeal of the Prevailing Wage Law.

Free Estimates — References

CALL TODAY
242-6141

Dear Charlestown Residents:

On November 8th you will be asked to vote on **Question 2**, a ballot question of tremendous significance to the working men and women in our community and statewide.

Question 2, if passed, would repeal the Prevailing Wage Law that has been in effect in Massachusetts since 1914.

Simply put, the Prevailing Wage Law requires that wages paid on public construction projects, if contracted out, be the same as those that have been mutually bargained and contracted for in the private construction trades. Prevailing wages **do not** represent a "sweet deal" between unions and state and local government. No governmental agency is involved in determining the rates. They are the result of tough negotiations between the unions and **private management**.

If the wages being quoted in the TV and radio ads of proponents of Question 2 seem high to you, keep in mind the following:

- Construction workers receive no paid vacation days, sick days or holidays;
- Construction workers are never paid when a job is halted due to rain or snow;
- Construction workers in Massachusetts earn on average \$26,000 annually for hard, often dangerous skilled labor.

I urge you to join me in voting **NO** on Question 2.

Sincerely,

Michael J. McCormack
Boston City Council

VOTE NO ON QUESTION 2

Paid for by the McCormack Committee, 58 Turner Street, Brighton, MA 02135

David Dow, the Charlestown coordinator for the "Quality of Life" Committee, announced today that he has been extremely pleased with the support Charlestown has demonstrated to retain the Prevailing Wage Law. "We have had over 40 men and wo-

men working with signs at City Square during the rush hour. You know your support is strong when that many people will stand out for two hours at this time of year!" Dow stated.

Peter Looney, a Neighborhood Council member and a Charlestown commit-

tee worker, added, "Not only has the 'Vote No On Question 2' campaign been unanimously endorsed by the Neighborhood Council but virtually every elected official representing Charlestown has endorsed and supported our efforts to defeat the referendum."

Dow, an official of the Carpenter's Union, stated that the issue of wages throughout the state is not an issue between union and non-union workers, but a workers issue, period. "The union negotiated wage scales provides the 'benchmark' for all workers in the state and the prevailing wage law ensures that equal wages are paid for equal work." Dow further noted that "the wages paid to the workers in my union are protected by contracts, while if the prevailing wage law was to be repealed the non-union worker's pay could be cut immediately."

The Charlestown committee attributed the widespread support in the community not only to the general state-wide campaign but also to the general "savvy" of Charlestown voters. "Why are out-of-state corporations financially supporting the effort to repeal a Massachusetts law?" inquired one member of the Neighborhood Council.

Apparently, the rest of the Neighborhood Council and a large number of Charlestown residents agree with committee's slogan, "Question 2 Is Bad For You."

Discussion Group

On Friday, November 4 at 10 a.m., the Adult Discussion Group of the Charlestown Branch Library at 179 Main Street, will focus on new books for parents and preschoolers. Adults' Librarian Theresa Nesbit will be the speaker. There will also be an evaluation of the first four programs of this year's session.

The next meeting will be on Friday, November 18 at 10 a.m. The subject will be "Easy Holiday Houses."

ture role will be Richelle Olsson of Sullivan Street, Charlestown.

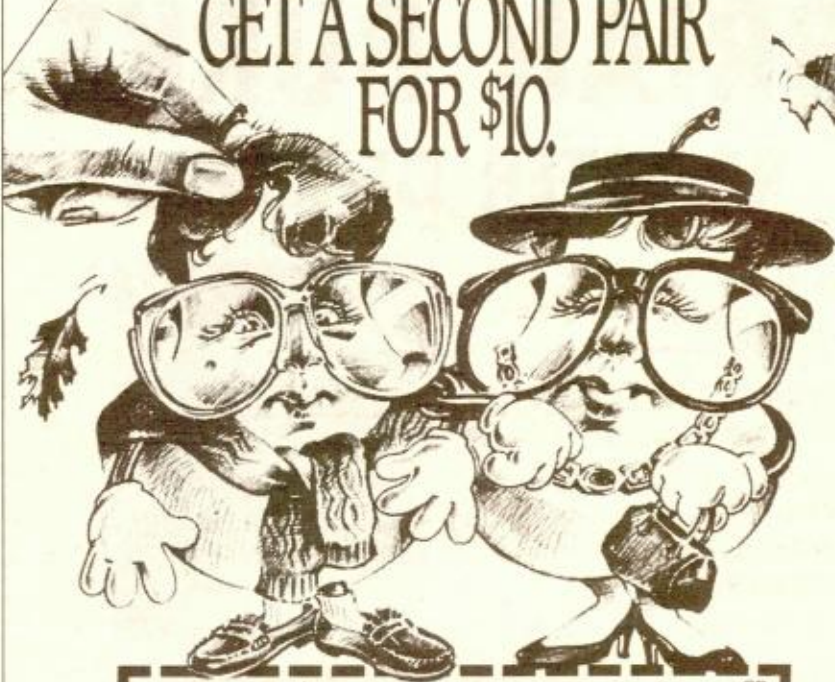

The play centers around the dilemma faced by 12 female jurors: did the 19-year-old boy on trial murder his own father? Motivated sometimes by justice, sometimes by personal experience, the women in this play try to sort fact from fiction in a search for the truth. They learn not only about the accused, but about themselves as well.

Olsson, a freshman at the Mount, plays one of the jurors in this gripping drama. You are sure to find this play an engrossing and enlightening one.

The play begins at 8 p.m., November 15-17 at the MSJA gymnasium at 617 Cambridge Street in Brighton. Tickets are \$4 and may be purchased at the door or reserved by calling 254-8383.

Kennedy Center Board Election To Be Held November 15

The J.F. Kennedy Family Service Center's election for its board of directors will be held Tuesday, November 15 at 27 Winthrop Street from 8:30 a.m. to 6 p.m.

The board consists of eight elected members, re-

Wolfe Tones

The Wolfe Tones, Ireland's leading ballad group for the past 25 years, will appear in two concerts. The first will be held on Sunday afternoon, November 6 at 4 p.m. and the second on Friday evening, November 11 at 8 p.m. Both concerts will be held at the Armenian Cultural Center, 47 Nichols Avenue in Watertown.

The group has had a string of hit recordings in Ireland with songs like the *Flight of the Earls*, *Irish Eyes* and *Song of Liberty*.

The Wolfe Tones have appeared in numerous television, radio and concert programs to the delight of all who have heard their presentations. The songs and music of the Wolfe Tones is a mixture of the traditional music and songs of Ireland and original material written by the group.

Both concerts in Watertown are presented by the "Sound of Erin" radio program, with a portion of the proceeds being donated to the Irish Immigration Reform Movement of Boston. Tickets for the concerts are \$20 each and may be obtained by calling 484-2275.

presented by the seven precincts and the community at-large, and six board appointees. The following residents will run for four of the five available precinct seats:

Precinct 1

Thomas V. Desmond, 20 Harvard Street

Precinct 3

James P. Travers, 30 Chestnut Street

Precinct 6

Maggie Debbie, 68 Russell Street

Precinct 7

James Mansfield, 28 St. Martin Street

No one expressed interest for the Precinct 2 seat before the application deadline. The vacancy will be announced publicly at a later time, and those interested will go before the board.

News From The Holden School

The Holden School was visited by five Marine Biologists from the New England Aquarium on October 20. The five staff members from the aquarium entertained all students and school staff with an innovative marine lesson. The presentation lasted well over an hour and a half. Using a large assortment of live ocean life, the biologists arranged an educational lesson where the students were able to handle ocean specimens.

This welcome visit by the aquarium biologists was a perfect transition from outside field trips to indoor activities. In the month of November, five visits to the Science Museum are arranged and a schedule is being formulated to study in the Charlestown Library.

This year's flag football team has the same mid-year record as last year's playoff team 1-1-1. The transition to a new quarterback has been smooth and the offense is scoring when the need arises. The team's only defeat was by one point and its only tie developed from a last minute Holden drive — from 95 yards away. Members of the team are as follows: James Barton - WR DB, Sean Burns - WR DB, John Campbell - RB DT, Ken Gallant - QB LB, Shawn Keller - OT DT, Arthur Miller - C NG, Irma SanInosencio - DB, Jason Shea - OT S and Charles White - OG DT.

The Holden School is raising funds via the Campbell's Soup Company. Labels from any Mrs. Paul's, Pepperidge Farms, Prego, Franco American, Juice Bowl, V8, Swanson and Campbell's products are requested from the community. Collected labels will be used as a trade-in for educational supplies. Labels can be picked up at individuals' homes by someone at the school or dropped off at 8 Pearl Street. If anyone would like to have labels collected, please contact Alice at the Holden School, 242-3940. Thank you!

BRA Board Acts On Charlestown Parcels

The Boston Redevelopment Authority (BRA) Board met on Thursday, October 27. Action on several Charlestown parcels was taken at that meeting.

• **50 Old Rutherford Avenue** - Final designation was granted by the board to James J. Cushman to develop the 5,988-square-foot parcel on this site known as parcel R-59-C. The site was advertised in May 1986 and Cushman was the only person to submit a proposal. He was awarded tentative designation as redeveloper in November 1987.

Cushman's proposal includes a two unit, three-story colonial home with an attached two car garage, full basement, full attic and rear sunporches. The exterior design includes painted clapboard siding, an asphalt shingled pitched roof and a brick chimney. Necessary zoning variances have been granted by the city of Boston Board of Appeal (BOA), a building permit has been issued by the city of Boston Inspectional Services Department and final

design approval has been made by the BRA. Completion of the home is expected within five months.

• **326 Medford Street** - Tentative designation as re-developers of this site was awarded to Mr. and Mrs. James Wicker and Mr. and Mrs. Gilbert Eatherton on respective portions of parcel R-12-B, 1,765 square feet of land at the corner of Medford and Cook Streets. The developers propose to utilize the land for off-street parking and yard space.

Both abutters had submitted proposals for the land and an arrangement was made between the abutters and the staff to divide the parcel.

Mr. and Mrs. James Wicker of 43 Cook Street were tentatively named redevelopers of the 964-square-foot northern portion of the parcel (to be known as Parcel R-12-B-1) for improvement as off-street parking and yard space in conjunction with their existing single-family residence.

Mr. and Mrs. Gilbert Eatherton of 47 Cook Street

were tentatively named re-developers of the 801-square-foot southern portions of the parcel (to be known as Parcel R-12-B-2) for improvement as off-street parking and yard space in conjunction with their proposed abutting local business use at 320 Medford Street.

The parties will secure financial commitments, prepare final working drawings and secure any zoning variances that may be necessary before final designation is granted.

The BRA board also made recommendations on two Charlestown parcels slated to go before the BOA for zoning variances.

• **8 Salem Street** - Kathleen Reynolds has petitioned the BOA (Case Z-12043) for permission to change the occupancy of this structure from a single-family to a three-family dwelling and erect a two-story 1,134-square-foot attached addition to the rear (Salem Street Avenue) side of the structure. According to BRA staff, the change would remove existing off-street parking in the area and would add an unacceptable level of density to the already dense structure.

The BRA Board voted that the appellant's requests

for use, lot area, floor area, open space and rear yard variances be denied by the BOA without prejudice.

• **238-240 Bunker Hill Street** - Mr. and Mrs. Richard Wright-Martin have petitioned the BOA (Case Z-12042) to extend the gambrel roof 12 feet to enclose the entire second floor and to construct a widow's walk and cupola on the roof of the structure. The extension of the roof will carry the natural cornice line across to bring it into line and match the existing structure. The widow's walk and cupola will not exceed the height of the abutting structure and will have a minimal shadow affect on the street.

The BRA Board recommended that the appellant's request be approved by the BOA, subject to continued design review.

Dates have not yet been set for hearings before the BOA on these two appeals.

Property Tax Clinic For Elderly To Be Held In Charlestown

City Councillor At-Large Rosaria Salerno, will visit the "Elderly Property Tax Clinic" in Charlestown on Monday, November 7. The clinic will be held at the Charlestown Golden Age Center, 382 Main Street, from 10 a.m. to 2 p.m. Salerno will be at the clinic from 11 to 11:30 a.m.

"On Monday, November 7, elderly homeowners in Charlestown will have the opportunity to learn more about their property tax rights and how they can apply for a tax exemption if they meet the eligibility requirements," said Salerno.

The Property Tax Clinic will be staffed by employees of the city's Elderly Commission and other volunteers who have been trained

by the city's Assessing Department.

Councillor Salerno initiated the idea of the property tax clinic after the special Committee on the Elderly, which she chairs, held hearings to investigate how many elderly property owners actually apply for the special exemptions and deferrals available to them. "It is clear that many elderly homeowners were not even aware that they may be eligible for a tax exemption. Given the difficulty many elder homeowners on fixed incomes have in maintaining their homes while paying for health care, food and other necessities, a property tax exemption can help 'balance the budget,'" Salerno explained.

CHAP Plans Workshop For November 15

Members of the Charlestown Aging Program (CHAP) have had a busy summer and fall. The coordinators, Zelma Lacey and Sister Ann Rita, have visited and talked at six senior units. Questionnaires have been distributed, answers collated and topics for workshops determined based on the results of the questionnaires.

Charlestown Interagencies on Aging (CIA) meetings have been attended on a monthly basis by the coordinators. CIA represents various social agencies, churches and city agencies involved with the elderly in this community. A film on elderly abuse was viewed by the members at the October meeting.

Members of the CHAP Core Group have met three times, composed letters to interested persons with the Rutherford Avenue lunch site in mind, took care of mailings for future meetings and helped plan the workshops.

On October 4, the first workshop was held at the

Constitution Cooperative Apartments. The topic was the empowerment of the elderly and Harold Reinstein, field representative of MAOA, showed a film entitled "So You Think You Are Powerless." It encouraged all senior citizens to become active in seeking well earned and well deserved benefits. The program was well attended and the group most appreciative of the material presented.

A second workshop is planned for November 15 at 10 a.m. at the Constitution Cooperative Apartments, 42 Park Street. The topic will be Medicare, Medex and Medicaid. This should prove a very informative workshop in view of the recent news in the paper about HMOs. The speaker will be Patricia Tribia from the Boston Commission on Elder Affairs. She will be accompanied by the advocate for this area.

Circle your calendars for November 15 at 10 a.m. and watch for more detailed information in the **Patriot**.

Fuel Assistance Alert!

The ABCD Fuel Assistance program began November 1. Applications are now being accepted at the Kennedy Center, 27 Winthrop Street.

Due to budget cuts in the program at the federal level, the hours available for filing an application have been reduced this year. Applications can be filed on Tuesday and Friday from 10 a.m. to 12 p.m. and on Thursday from 2 to 4 p.m. each week. You are encouraged to call first and make an appointment.

These same budget cuts have resulted in other program changes: the program did not begin until November 1 and will end on March 31, 1989. Benefits will also be less than in previous years.

If you are an AFDC, General Relief, Social Security, or Supplemental Security (SSI) recipient, and were eligible for fuel assistance last year, you will receive a fuel assistance application in the mail. Be sure to read and follow the instructions included with that mailed application. If you have any questions about how to complete the application call Denise Maher at the Kennedy Center, 241-8866.

If you think that you may qualify for fuel assistance or if you qualified last year and received wages as income you must bring the following to the Kennedy Center: four weeks of income documentation, a current heating bill and one month paid rent receipt or mortgage statement. Homeowners should also bring tax and water bills.

The federal guidelines for eligibility are as follows:

Household Size	Total Yearly Income	Household Size	Total Yearly Income
1	\$10,098	5	\$20,415
2	\$13,528	6	\$23,355
3	\$14,535	7	\$26,295
4	\$17,475	8	\$29,235

Doris And Voke Fulfill Promise Made To Matt O'Neil Sr.

I've meant to write this letter for sometime. During the primary, I read that Senator Fran Doris was not responding to the needs of the community. I must come to the defense of the Senator, based on my own experience.

When a member of my family requested his aid in a community project it was forthcoming. Regretably, he never lived to see his dream fulfilled. On November 13, 1983 Senator Doris and Representative Richard Voke promised that the many things my husband, Matt O'Neil Sr., wanted for the youth of our town would be fulfilled. Doris and Voke worked diligently to get funds to improve our skating rink. The rink was enclosed, locker rooms installed, the lobby improved and stands for the fans to watch events there were added. This was a need that we, as a community, had and it was met.

We as a family must let them know publicly that we appreciate how hard they worked to see my husband's dream realized.

Thank you,

P.S. Mrs. Matthew J. O'Neil

We his five children, three grandchildren, brothers, sister, 20 nieces and nephews and 16 grand-nieces and nephews also say thanks.

It Really Is Time For A Change

Dear Editor:

This past Saturday night I tuned into the Joe Malone-Ted Kennedy debate and as I watched I realized there is another race in Massachusetts that has unfortunately been greatly overlooked. There before me were two candidates representing and espousing two very different views of where this country is going and should go. There before me was Ted Kennedy, an aging almost outdated symbol of the national liberal establishment, and Joe Malone, a youthful, energetic and articulate Republican challenger.

As a voter who has witnessed the mystique of the Kennedy name, I felt the debate was a political milestone for myself as well as many other voters in Massachusetts. It really is time for a change. It's time to look to the future and to elect leadership with new and fresh ideas about the most pressing issues facing this nation. In Joe Malone, the Republican Party in Massachusetts has a candidate who can affect that change. Not only was Malone articulate and well-versed on the issues, but he presented workable ideas and displayed the strength and conviction needed on the Senate floor to translate his vision into reality.

In the name of democracy, both candidates aired their views to the voters and in the name of freedom of decision, I feel there is a clear choice. We need someone in Washington who represents the values of the working men and women throughout this state. On November 8th I'm voting for Joe Malone.

Sincerely,
Leslie Pendleton

A Big Round Of Applause

A great big round of applause is in order for Michael Mainey and his staff at the Blow Up Hair Design, 225 Main Street for their hard work during the Cut-A-Thon which took place Sunday, October 30! From 11:30 a.m. until 6 p.m., Michael Mainey, Christine MacDonald, Steven Boyd, Mike Messina and Russell Mondy cut and styled hair while Donna Mainey, Denise Garvey, Gina Caruso, Carla Dowell, Joan

Schloss and Laura Masiel assisted with shampoos, manicures and generally maintained order as the salon was filled to capacity all day long.

All proceeds, which totaled \$600, was donated to the Headstart/Daycare Fire Fund.

The staff, parents and children of the Headstart/Daycare program sincerely appreciate this magnificent effort and would like to thank, as well, all those who supported the effort with their donations.

The Kennedy Center Staff

Thank You

I would like to thank my family and all those who attended my surprise retirement party. It was a wonderful evening and the memories will last forever. Thanks again.

Love,
Ann Martin

Thank You

I'd like to thank all my friends and neighbors who have stopped me to congratulate myself and my wife Mary on the birth of our great-great grandchildren, Amanda Jean Madden, born on September 13, 1988, and Thomas Charles "T.C." Madden, born on March 31, 1987.

To fill you in on what's been happening to me, I have retired from driving a tractor trailer and am now employed as a security guard at the MBTA garage in Everett where the 500 people employed there all refer to me as "Pop." I haven't had a cigarette since I quit on Labor Day in 1983. I still lift weights every day at the age of 71.

Thanks again for all the good wishes to me and my family.
John "Pop" Madden

Dubious Allegation

Dear Editor,

Whatever Senator Doris may have done for his Charlestown constituents in the 10 years of his incumbency, he does little for them in the phrasing of his recent advertisement (Patriot 10/6) pleading for an outpouring of support on election day.

"You and I face continuing opposition to the community standards and family values that are so important to us," he says. "Those values were challenged in the primary election, and because you took the time to come out and vote, our side won."

It is an unpleasant and highly dubious allegation that community standards and family values were challenged by Senator Doris' opponent Tom Birmingham and that "the opposition is still out there ready to threaten the beliefs we live by." And were the allegation true, the Senator would have to admit the numbers in the primary election show more voters in Charlestown oppose rather than favor those standards.

Charlestown Police Line

From the desk of
Deputy Superintendent Ronald X. Conway
Area A, Boston Police Department

Monday, October 24

At approximately 7:30 p.m., Officer Callahan responded to Michael's Restaurant at 87 Medford Street on a stabbing incident. There officers found that a South Boston resident had been chased around the store by a knife-wielding assailant who stabbed him twice. The victim was taken to the Massachusetts General Hospital by Health and Hospitals Ambulance where he was treated. Officers attempted to question the victim, but he refused to identify the assailant.

An apartment at 83 Cambridge Street was broken into during the daytime by person(s) who climbed through the window. Assorted jewelry and a television set were taken.

At approximately 9:45 a.m., a resident of 57 Rutherford Avenue reported that while sleeping, she heard someone breaking into the apartment by forcing the front door. When she screamed, the suspect, described as 20 years, 5'8", fled the scene on a 10-speed bicycle.

A house at 1 Hilary Street was broken into during the daytime by forcing the front door open. Some cash was taken

and the rooms in the house were ransacked.

Wednesday, October 26

The glass window of Fantastic Sam's at 7 Austin Street was smashed at approximately 4 a.m. and the building was entered. A Goldstar VCR and JVC monitor were taken.

At approximately 6 a.m., an attempt was made to break into the Golden Chopsticks Restaurant at 99 Cambridge Street by forcing open the rear door.

Thursday, October 27

At approximately 1:45 a.m., Officers O'Malley and Cardosa were on patrol when they observed a vehicle at 25 Starr King Court with an individual inside acting in a suspicious manner. With the assistance of Officer McGowan, they approached and the suspect jumped from the vehicle and attempted to flee. After a brief chase, the suspect was apprehended and on returning to the vehicle it was found that the vehicle had been stolen earlier in the evening. The suspect, a 15-year-old resident, was placed under arrest.

Friday, October 28

At approximately 11:55 p.m., Municipal Police Officer Coppinger investigated a complaint that a group was drinking at Charlestown High School, 255 Medford Street. When

officers approached to investigate, they found a large group that attempted to flee. Two 18-year-old residents were placed under arrest for public drinking. Another individual, an 18-year-old resident, was driving by this location in his vehicle, at which time he stopped and began to yell obscenities at the officers. He was placed under arrest for being a disorderly person. Municipal Police Officer Fay arrested two other residents for public drinking and assault and battery when one of them threw a beer bottle at the officer. One of these individuals was found to be in possession of two paper folds of cocaine.

A resident of 17 Corey Street reported that while asleep during the evening, someone climbed through the kitchen window, removed cash and a ring that had been left on the kitchen table and fled through the window.

Saturday, October 29

A resident reported that while shopping at Johnnies Foodmaster at the Bunker Hill Mall, she placed her purse inside the shopping cart while at the meat counter. When she turned around, the cart was gone. A search revealed that the suspect had fled from the store with the purse. He is described as a white male in his 20s, thin, with blonde hair.

These incidents are under investigation by the Detectives and Officers of Area A.

Three stolen automobiles were recovered in the water at the Terminal Street boat ramp by the Boston Police Underwater Recovery team during the week.

Residents are reminded: If you know of any drug activity in your neighborhood, call the Boston Police Hotline at 247-4697. It is not necessary to give your name and all information will be investigated.

NOTE: There will not be a Police Community meeting this month as the regularly scheduled meeting falls on Election Day.

Pierce Treated To A "Splash" Of A Retirement Party

by Lynn Peters

When the police arrived at Virginia Pierce's O'Meara

Court home last Friday morning, she had no idea they were escorting her to

a "splash" of a retirement party. Affectionately known as the "White Tornado" around Metropolitan Police Headquarters, the 80-year-old cleaning woman says, "I knew I was liked, but I didn't know I was that well liked."

Pierce received a resolution recognizing her more than 30 years of outstanding service from MDC Commissioner William J. Geary, gifts, a cartoonist's caricature and the special flashing-light motorcade to headquarters for the October 28 final-day tribute.

"I was shocked," says Pierce, who only expected a small send off. "They didn't want me to go."

Originally from the North End, Pierce moved to Charlestown 45 years ago, raised two sons, John and Joseph, here and has four teenage grandchildren. Before serving MDC at headquarters she worked at the formerly known Con-

stitution Beach in East Boston. She does not remember the details now, but she does know how much she loved her work and the people she worked with.

Pierce thought about retiring last year and definitely decided to this year because of her arthritis. She celebrated her 80th birthday October 8, and says even though she retired on her own she has mixed feelings.

"I'm feeling terrible now because I'm so used to working," Pierce says. "I don't know what I'll do now — maybe I'll do charity work or something."

BHHC Closed Veterans Day

The MGH-Bunker Hill Health Center will be closed Friday, November 11, in honor of Veterans Day.

The Health Center will be open on Saturday, November 12, from 8:30 a.m. until noon.

Bunker Hill Tenants Task Force To Hold Elections Monday And Tuesday

The Bunker Hill Tenants Task Force will be holding the annual election of its Board of Directors on Monday, November 7 and Tuesday, November 8.

There are 11 candidates for the board. The nine candidates receiving the most votes will be elected to two-year terms and two candidates will be seated for one year.

The candidates are:

- Edward Coughlin, 41 O'Meara Court
- David Corrado, 90 Medford Street
- Mary Fisher, 17 Corey Street
- Nellie Gilgunn, 161 Bunker Hill Street
- Mary E. MacInnes, 59 Polk Street
- Donna Mento, 18 Carney Court
- Debra Mitchell, 33 O'Meara Court
- Lydia Shannon, 129 Bunker Hill Street
- Ruth Sweeney, 58 Walford Way
- Theresa Titcomb, 58 Decatur Street
- Edna Walrath, 73 Polk Street

In addition to the election of the board, tenants will be asked their opinions on several ballot questions concerning the effectiveness of the Task Force and local issues.

The polls, located in the hallway of the BHA Administration Building at 55 Bunker Hill Street, will be open on Monday, November 7 from 8 a.m. to 6 p.m. and on Tuesday, November 8 from 8 a.m. to 8 p.m.
