

SUSUNAN PENGURUS MGMP IPA JAKARTA PUSAT

TAHUN PERIODE 2012-2015

PETUNJUK SLIDE SHOW :

The screenshot shows the Microsoft PowerPoint interface with the 'ANIMATIONS' tab selected. The main slide area displays a 'Motion path demo' for the quadratic equation $x^2 + px + q = 0$. The equation is shown in two positions: the top one is the starting point, and the bottom one is the ending point, connected by a curved motion path. The 'Animation Pane' on the right shows a single animation for 'TextBox 7: x^...'. The 'Timing' section indicates the animation starts 'On Click' with a duration of 02.00 and a delay of 00.00. The status bar at the bottom shows 'SLIDE 3 OF 3' and a zoom level of 47%.
