Background

D9 Club of Entrepreneurs was started in Jan. 2016 in Brazil and has offices in both Brazil and Hong Kong.

D9 Club is a SCHOOL that teaches people how to do Sports Trading.

D9 Club currently has thousands of students in over 80 countries and growing.

Direct Sales

As a sales arm of our products, we use direct sales. That is a way to leverage our business and generate another source of income for our affiliates and students.

The founder of D9 Club was an avid and very successful Sports Trader for over 7 years before starting D9 Club.

He became very successful as a sports trader and started teaching others. Eventually he decided to start a school so as to pass sports trading knowledge to more people and that is how D9 Club of Entrepreneurs started.
WHAT IS SPORTS TRADING?

• It is buying and selling of bets at certain times of sporting events. It is very similar to the stock exchange or forex trading, and moves more than $ 100 million a day around the world.

• This concept is very new to many people around the world. There is a huge interest for people to understand how Sports Trading works.
Bitcoin is a digital currency. Unlike most currencies, bitcoin does not depend on central government or a financial institution. That is why it is the best form of payment for your earning in D9Club since it is more valuable than USD or even gold.
In this presentation we are going to focus more on earnings as an affiliate or investor rather than becoming a sports Trader as majority of people want to earn without taking the risk of doing sports trading themselves.

### PROOF OF CONCEPT

Example is based on a Trader Gold Plus package less all Bonuses

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Cost of Trader Gold +</td>
<td>$1,996</td>
</tr>
<tr>
<td>Less Direct Referral Bonus</td>
<td>$170</td>
</tr>
<tr>
<td>The maximum paid for Direct referral is 50% of 340 points = $170</td>
<td></td>
</tr>
<tr>
<td>Less Binary Bonus</td>
<td>$408</td>
</tr>
<tr>
<td>The maximum paid for Binary is 40% of 340 points = $136 X 6 levels = $816 / 2 legs</td>
<td></td>
</tr>
<tr>
<td>Less Indirect Referral Bonus</td>
<td>$58</td>
</tr>
<tr>
<td>Balance Remaining</td>
<td>$1,360</td>
</tr>
</tbody>
</table>

The balance of $1,360 is used to do sports trading. For it to pay $170 it needs to generate $24.28 per day (1.8%). That is why you don’t need to sponsor someone to earn $170 every week.
