

better products for a cleaner environment

# CYCLONE

## S510

*Heavy Duty Floor Scrubber / Sander*

# CYCLONE

## S510

### Features and Applications

This is a heavy duty workhorse that not only weighs more, but has a stronger motor to drive and sustain the increased weight. The Cyclone S500 does almost everything that regular scrubbers do, only faster. This is due to the simple principle that more pressure produces better and quicker cleaning results.

#### Applications:

- Breaking up permanent floor coatings
- Sanding and smoothing new cement floors
- Sanding used wood flooring
- Crystallization of marble floors
- Stripping old, multi-layered floor finish

### Technical Specifications

Working width	cm	43
Brush / Pad speed	rpm	165
Operating weight (WITHOUT detergent / solution)	kg	57
Operating height clearance (brush housing / motor body)	cm	27
Sound level	dB(A)	60
Power rating : Minimum / Maximum	W	1600
Mains supply	V / Hz	230 / 50
Cable length	m	12

### Optional Accessories

Solution tank, 11 litres	KC18167
Scrubbing brush, 0.7mm PP bristle	SM10594M
Steel wire brush	SM10640M
Steel blade scarifying brush	SM10642M
Sand pad holding disc	SM12994M
Sanding Pad, 41cm/ 16" : 16 grit - Coarse	SM24164
24 grit - Medium	SM24168
60 grit - Fine	SM24170
Floor pad holding disc, 41cm	KC10618M
