## ADMISSION TO PREP CLASS 2020-21 VERIFICATION OF DOCUMENTS

About 330 form numbers of the candidates who are under consideration for admission are listed here. The selection is made on the basis of the points given to the candidates by the teachers who observed their group interaction. Of these 250 will be selected according to their merit points after verification of the information provided in the application forms. This list will be available on the school website [www.stxaviersbokaro.com](http://www.stxaviersbokaro.com) at 4:00 p.m. on Sat Nov 30, 2019. The same will appear on the bulletin board near the school gate at 8:00 a.m. on Sun Dec 1<sup>st</sup>.

The **candidates accompanied by both parents** (and **local guardian**, if the child is living with one) are requested to report to the Registrar's office **15 minutes before the indicated time**. It will be difficult to entertain requests for change of the assigned time. The following **documents in their original** should be produced for verification. Photocopies of these were submitted with the application.

- (i) The **Identification Card** issued at the time of the return of the form with the candidate's photograph and form number.
- (ii) **Birth** certificate; Baptism **certificate** and Pastor's /Parish Priest's Recommendation for Christian Candidates.
- (iii) A credible **document to corroborate** the given date of birth, if the birth was not registered and the certificate issued within six months of the child's birth.
- (iv) The **latest report card** from the pre-school where the child has been studying.
- (v) A **certificate** issued by the head of the **preschool** stating the date of admission and the date of birth as recorded in the admission register.
- (vi) **Aadhaar Card, Photo Identification and local Address Proof** of the **father and mother** (and local guardian, if the child is living with one parent) of the child.
- (vii) **Caste / Tribe Certificate** and/or Income Certificate, if applicable.
- (viii) Relevant **certificates** if the child suffers from any **disabilities**.

Please note that this year we are able to admit only one out of every four applications. By now we have had to disqualify nearly 500 applications. Eighty more will be left out after the verification of information. Every effort has been made to make fair selection according to the admission policy of the school. It will not be possible to explain to each parent, guardian or their representative why their candidate's number is not included in the list.
